WSNA NEGOTIATIONS – ACCRUED PTO TIME DONATION FORM

As a Registered Nurse in the WSNA bargaining unit at WhidbeyHealth Medical Center (“WHMC” or “Hospital”), you may choose to donate your personal accrued, but unused PTO hours for use by the WSNA Bargaining Committee at 2019 negotiations with the Hospital. [EIB hours may not be donated.]

Please make donations of PTO time in whole hour increments. Once PTO time hours are donated, they cannot be rescinded.

Your donated PTO time hour(s) will be deducted from your available PTO time hours balance, and will be transferred at your hourly rate of pay to the WSNA 2019 team negotiations “PTO Hours Donation Pool.”

Minimum donation is one (1) hour. You need not have a minimum PTO hours balance to donate, but you must have sufficient accrued, but unused, PTO hours to cover the number of hours that you donate.

Donor Name	Donor Signature	# of hours	Date of Donation

As discussed above, by my signature, I authorize WhidbeyHealth Medical Center to deduct the specified hours from my PTO Hours balance of accrued, but unused, hours for donation to the WSNA Bargaining Committee for 2019 negotiations with WHMC.

Please return this form to a member of the WSNA Negotiating Team.
