1. What inspired you to run for office (or if an incumbent, for re-election)?
2. What are the top issues you are hoping to have an impact on if you are elected (or re-elected)?
3. How have you directly interacted with the health care system and what have you learned through those interactions? (Ex: Your own health care experiences, caring for a loved one, employment within the health care system, etc.)
4. What do you see as the most critical challenges to address within the health care system and why? (Ex. Access to care, reimbursement, insurance coverage, etc.)
5. What do you believe the state's role is, if any, in supporting workers' rights?
6. What resources (types of news media, people, etc.) do you use to learn about healthcare and our healthcare system?
7. What do you anticipate as being your biggest challenge as an elected official (or if an incumbent, what has been one of your biggest challenges most recently)?

WSNA PAC only endorses in the following races: Governor, Attorney General, Insurance Commissioner, and the Washington State Legislature.
