

2025 LEGISLATOR VOTING RECORD

As part of its endorsement process, the WSNA-PAC Board reviews the voting records of candidates currently serving in the Legislature. The legislator voting records are developed based on priority bills that WSNA supported during state legislative sessions. Not all WSNA priority bills were voted on in both chambers, which is why the bill lists differ from Senate to House. As the voting records below indicate, most nursing issues have bipartisan support in Olympia.

* Concurrence vote – bill was amended by the 2nd house, therefore the 1st house votes whether to agree, or concur, with the amended version.

**Conference committee is formed when the House and Senate cannot agree on the final language of a bill and works to reconcile the differences by proposing a compromise bill.

Actions in green were in favor of WSNA's position.
