

The two rule updates to API for the LOU effective 08/14/2021 for WSNA Nurses are:

1. Incentive program using the special code IP will now pay Double Time for only WSNA employees.
2. A new special code for Double Time has been added to be entered on the In and Out punch. This can be entered by the employee or the manager. DB Time special code stands for Double Time Rate of Pay.
3. These will be active starting Saturday 08/14/21.

This is how to view your timecard and understand if you are being paid correctly.
