

Info Picket Pledge: Good Sam Nurses are Ready to Walk!

Unless MultiCare acts in accordance with their own values and shows Good Sam nurses the respect we deserve, we're ready to take our fight to our public for an informational picket.

MULTICARE: RESPECT OUR CHARGE NURSES, RESPECT OUR STAFFING NEEDS, RESPECT OUR VALUE!

I will commit to an informational picket at Good Samaritan Hospital if management refuses to agree to a fair contract. If I work on the day of the informational picket, I will come on my break. If I am denied a break, I pledge to fill out an ADO.
