

Community Connections Card

Community organizing begins and ends with YOU!

You can make a difference right now by listing some of the groups you belong to or have connections to in your community.

(Think about professional organizations, religious groups, service organizations, student or school related groups, military organizations, labor or environmental groups, or any other groups you come into contact with.)

Group Name	Contact Person	Contact Info (web, phone, email)
1.		
2.		
3.		

Please add your name and personal email and home phone here so we can follow up if we have questions:
