

WSNA

AND

PROVIDENCE SACRED HEART MEDICAL CENTER

**MEMORANDUM OF UNDERSTANDING**

Surgical Services Float Pool additional units

This memorandum of understanding is entered into and between Providence Sacred Heart Medical Center and WSNA. All existing contractual provisions shall apply unless otherwise provided for herein.

The purpose of this memorandum is to memorialize the understanding reached between the Medical Center and WSNA regarding the addition of the following to Article 9.12.1.

Surgical Services Float Pool A and B will be modified as follows: Endoscopy, Radiology, CARA, SAU, PACU, DBDS (pre/post), Cath lab.

Nurses will not be required to take a patient care assignment in the above referenced areas without proper orientation and education as outlined in article 9.14 Orientation/Inservice Education.
