17 interfere with County operations, or result in additional expense to the County. The parties  
18 understand and agree there is no guarantee of privacy in the communications described herein and  
19 that such communications may be subject to disclosure under the Public Records Act.

23 direct the workforce except as may be limited by the express provisions of this Agreement. Such  
24 functions of the County include, but are not limited to, determining the mission, budget, organization,  
25 number of employees; recruiting, examining, evaluating, promoting, training, transferring employees  
26 consistent with Article 11, and determining the time and methods of such action; disciplining,

6 The status of the incumbent is not affected when altered duties are consistent with the classification  
7 specifications. Major alteration of essential duties must be preceded by notice of the alteration to all  
8 affected employees. The County will provide necessary training and identify performance  
9 expectations.

10 **ARTICLE 5: CONFERENCE COMMITTEES**

11 **Section 5.1 Local Conference Committees.** The Department jointly with the elected  
12 representative of the employees covered by Addendum A of this Agreement shall establish a Local  
13 Conference Committee at each work site to assist with mutual problems regarding nursing personnel  
14 and client care, and for the purpose of discussing and facilitating the resolution of all problems which  
15 may arise between the parties other than those for which another procedure is provided by law or by  
16 other provisions of this Agreement. The function of the committee shall be limited to an advisory  
17 rather than a decision-making capacity. Such committee shall be on a permanent basis and meet as  
18 mutually agreed and operate according to mutually agreed ground rules. The Local Conference  
19 Committee shall consist of three representatives of administration and three representatives of the  
20 employees (one of whom may be the Local Unit Chairperson or their designee). The representatives  
21 may be rotated as needed depending on the issues to be discussed. A Local Conference Committee  
22 may refer subjects to the Executive Conference Committee.

23 **Section 5.2 Executive Conference Committee.** An Executive Conference Committee is  
24 established for issues affecting the Department or bargaining unit as a whole, except for matters for  
25 which another procedure is provided by law or other provisions of this Agreement. The Executive  
26 Conference Committee shall consist of equal numbers of representatives of administration and the  
27 Association. Association representatives shall be the elected officers of the bargaining unit.

2 capacity.

3 **Section 5.3 Conference Committee Operations.** The parties agree that the ground rules of  
4 the Executive Conference Committee and Local Conference Committees will include provisions for  
5 recording and distributing meeting minutes.

6 Association representatives to the Conference Committees shall be provided release time with  
7 pay to attend meetings.

8 **Section 5.4 Staffing.** The County recognizes that implementing a joint labor/management  
9 partnership for consideration and review of staffing issues produces a better work environment that  
10 ensures that patients and clients receive quality care and that there is recruitment and retention of  
11 LPNs, RNs, PHNs, APNSs, and ARNPs. Upon request of either party, staffing issues may become a  
12 standing agenda item at Local Conference Committees and/or Labor-Management Committees. The  
13 County will inform the Association through the Conference Committees if changes in the general  
14 staffing plan for nursing are considered. Such changes will be thoroughly discussed and any changes  
15 to the general staffing plan shall maintain community standards of care.

16 **Section 5.5 Joint Labor/Management Staffing Partnership.** The County will make its  
17 staffing plans available for each work site. The County and the Association will utilize Joint  
18 Labor/Management Committees to develop a process for the purpose of identifying measures that can  
19 be used to inform staffing decisions. Similar measures will be identified that will be utilized to  
20 understand patient outcomes and the impact of staffing levels on patient outcomes.

8 and term-limited temporary employees who are not at the top step will advance to the next higher  
9 step on the salary range. Short Term Temporary employees will be given step increases in  
10 accordance with the progression rate established in this Agreement on the employee’s anniversary  
11 date.

12 **Section 6.5. Longevity Premium.** Full-time Career Service and part-time Career Service  
13 nurses shall receive the following longevity premiums based upon their length of service with the  
14 Department.

15 after 8 years (96 months) of service	2% above the nurse’s Step

21 Longevity premium pay shall be included in the calculation of the nurse’s FLSA regular rate for  
22 purposes of payment for hours which qualify as overtime under the FLSA.

23 **Section 6.6. JHS Assignment Premium:** Bargaining unit positions in Jail Health Services  
24 will receive a 15% pay differential as reflected in Addendum A of this Agreement. All part-time and  
25 full-time career service and part-time and temporary and term-limited temporary nurses working in  
26 non-jail positions who are temporarily assigned to perform the duties of a Jail Health Services  
27 position will be paid fifteen percent (15%) per hour above the nurse’s base rate of pay. The  
28 applicable general assignment and JHS assignment rates for each job classification are as listed in

1 Addendum A.

2 The JHS rate is a “base” or “regular” rate of pay and is payable for paid leave and holiday  
3 pay. Additionally, JHS Assignment Rate shall be included in the calculation of the nurse’s FLSA  
4 regular rate for purposes of payment for hours which qualify as overtime under the FLSA.

5 **Section 6.7. Shift Differentials.** A bargaining unit employee scheduled to work in a 24-hour  
6 facility or site which is staffed for 24-hour operation and scheduled to work during the evening shift

8 shift.

9 Evening Shift: \$2.50 per hour

16  
17

18 Those employees not working at a 24-hour facility will receive the evening shift differential  
19 for all hours worked after the normal business hours of 5:00 p.m. Employees that request to work an  
20 alternative schedule as defined in Article 13.4 are not eligible to receive a shift differential.

21 The above differential shall be considered part of the nurse’s regular rate for purposes of  
22 overtime pay calculations.

23 The above shift differential shall apply to time worked as opposed to time off with pay and  
24 therefore, for example, the differential shall not apply to sick leave, vacation, holiday pay, funeral  
25 leave, etc.

26 Pay differentials made pursuant to this section shall be included in the calculation of the

5           Weekend premium pay shall be included in the calculation of the nurse’s FLSA regular rate  
6 for purposes of payment for hours which qualify as overtime under the FLSA.

7           **Section 6.9. Standby/Callback/Clinical Call.**

8  
9           A. **Standby.** Whenever an employee covered by this Agreement is placed on standby duty by the  
10 Department, the employee shall be available at a pre-designated location to respond to  
11 emergency calls and, when necessary, return immediately to work. The Department will first  
12 seek volunteers for nurses to be on standby. If not, enough volunteers are available, the  
13 Department will utilize a system providing appropriate consideration for seniority to be  
14 developed by a staffing committee for each site regularly utilizing standby to fill gaps in the  
15 standby schedule. Employees who are placed on standby duty by the Department shall be  
16 paid at the rate of ten percent (10%) of the straight time hourly rate of pay listed in Addendum  
17 A for all hours assigned. The Department reserves the right to determine the standby  
18 assignments.  
19

20  
21           Phone calls received by nurses on standby which do not result in the need to return to  
22 work shall be logged and paid for at time and one-half (1-1/2) for actual hours worked six (6)  
23 minute minimum, rounded to the nearest six (6) minute increment. It is understood that phone  
24 calls while on standby do not constitute a callback.

25           B. **Callback** If an employee is required to return to work while on standby duty, the employee  
26 will be paid time and one-half (1-1/2) for all hours worked with a minimum of three (3) hours  
27 due. Standby pay and callback pay shall not be paid simultaneously.  
28

1 C. **Nurse Practitioner Clinical Call:** Nurse practitioners placed on Clinical Call shall be paid at  
2 the rate of twelve (12) percent of the straight time hourly rate of pay listed in Addendum A  
3 for all hours on Clinical Call. Telephone calls received by nurse practitioners on Clinical Call  
4 shall be logged and paid for at time and one-half (1-1/2) for all hours worked with a five (5)  
5 minute minimum. The Department reserves the right to determine the Clinical Call  
6 assignments.

7  
8 D. In lieu of the Standby/Callback/Clinical Call pay as provided herein, an employee may choose  
9 compensatory time equivalent to such pay.

10  
11 **D.1 Standby/Callback/Clinical Call – Prevention Division.** When a nurse earns  
12 Standby/Callback/Clinical Call pay as provided herein, they may be offered the option  
13 of flex time, pursuant to Section 10.4, or to use compensatory time (Section 10.7).  
14

15 Pay differentials made pursuant to this section shall be included in the calculation of the nurse’s  
16 FLSA regular rate for purposes of payment for hours which qualify as overtime under the FLSA.

17 **Section 6.10 Bilingual Premium Pay.** Employees may be assigned in writing to provide  
18 bilingual, interpreter and/or translation services to the Department and shall receive a premium of  
19 twenty-five dollars (\$25) per biweekly pay period. The assignment will be renewed annually and may  
20 be terminated at any time. It is understood by the parties that the work performed by the bilingual  
21 speaker provided for under this section shall not supplant the work of the Medical  
22 Interpreter/Translator. If the bilingual premium pay for other employees working in Public Health is  
23 increased, then such increase will be extended to employees covered by this Agreement at the same  
24 time. Bilingual premium pay shall be included in the calculation of the nurse’s FLSA regular rate for  
25 purposes of payment for hours which qualify as overtime under the FLSA.

26 **Section 6.11. Certification Premium Pay.**

27 All currently employed nurses who are certified in a specialty area by a national nursing  
28

1 organization and relevant to their nursing practice shall be paid a premium of fifty dollars (\$50) per  
2 biweekly pay period, provided the particular certification has been approved by the Nursing Office  
3 and their respective manager, and provided the nurse continues to meet all educational and other  
4 requirements to keep the certification current and in good standing. A nurse is eligible for only one  
5 (1) certification premium regardless of the number of certifications the nurse may have. The  
6 certification pay will be effective the first full pay period after the date a copy of documentation of  
7 certification is received by the County.

8 Any nurse who desires to become certified in a specialty area relevant to their practice and  
9 wishes to receive certification premium shall make such request in writing to the County prior to  
10 embarking on obtaining the certification. Subject to budgetary constraints, the County shall grant  
11 requests for premium certification for a certification that is relevant to the nurse’s practice area  
12 provided the nurse continues to meet all educational and other requirements to keep the certification  
13 current and in good standing. In the event of an involuntary transfer certification premiums shall  
14 remain effective until the year-end review of certifications or upon expiration of the certification,  
15 whichever date comes first

16 Any certifications that are already a job requirement (e.g., Nurse Practitioner Board  
17 Certification for ARNP) will not qualify the nurse to receive the certification premium. The  
18 following non-exhaustive list are examples of approved certifications:

19 **Advanced Practice Nurse Specialists Certifications**

15 **Section 6.12 Preceptor Assignments.** Nurses assigned as preceptors shall be paid one dollar  
16 and fifty cents (\$1.50) per hour more than their normal hourly rate and in accordance with this  
17 Section. This premium pay shall only be due for hours actually worked and not for paid leave  
18 benefits. Preceptor premium pay shall be included in the calculation of the nurse’s FLSA regular rate  
19 for purposes of payment for hours which qualify as overtime under the FLSA. The Department shall  
20 reduce to writing the length of each preceptor assignment.

21 A Preceptor is a Licensed Practical Nurse, Registered Nurse, Public Health Nurse, Advanced  
22 Practice Nurse Specialist, or Advanced Registered Nurse Practitioner with at least one year of  
23 continuous relevant experience who is assigned specific responsibility for planning organizing,  
24 teaching, and evaluating the new skill development of a student intern or nurse employed by the  
25 Department who is participating in a specific Preceptor Program. Inherent in the Preceptor role is the  
26 responsibility for specific, criteria-based competencies, and goal directed education for a defined time  
27 period. A Charge Nurse is eligible for preceptor pay.

28

1 It is understood that nurses in the ordinary course of their responsibilities will be expected to  
2 participate in the general orientation process of new nurses without receiving Preceptor pay. This  
3 includes providing information, support and guidance to new nurses in the Department.

4 **Section 6.13 Charge Nurse Pay.** A nurse assigned the duties of Charge Nurse has assigned,  
5 limited supervisory and leadership responsibilities in addition to providing direct patient care  
6 services. Nurses who are assigned Charge Nurse duties shall receive a six percent (6%) premium  
7 over the nurse's base rate of pay. Charge Nurse pay shall be included in the calculation of the nurse's  
8 FLSA regular rate for purposes of payment for hours which qualify as overtime under the FLSA.  
9 Examples of Charge Nurse duties include day-to-day problem solving and reporting, assignment and  
10 distribution of work or maintenance of a balanced workload among employees. A Charge Nurse  
11 shall not have authority to hire, fire, or discipline, nor effectively recommend any of these actions.  
12 There will be a good faith effort to balance the Charge Nurse's additional responsibilities with the  
13 nurse's direct patient care assignments. Charge Nurse designations may be revoked at any time with  
14 an explanation to the affected nurse.

15 Nurses who feel they should receive the Charge Nurse Pay may submit a request to their  
16 immediate supervisor that their responsibilities be reviewed to determine whether they should receive  
17 the Charge Nurse designation. If the designation is not made following the review and the nurse  
18 continues to believe their responsibilities warrant a Charge Nurse designation, the nurse may access  
19 the grievance procedure through Step 4.

20 **Section 6.14. Report Pay.** Any nurse who reports for their scheduled shift and is sent home  
21 without completing their shift shall be paid a minimum of four (4) hours report pay. Report Pay  
22 shall be included in the calculation of the nurse's FLSA regular rate for purposes of payment for  
23 hours which qualify as overtime under the FLSA.

24 **Section 6.15. Return to Employment.** Nurses who retire or separate in good standing and  
25 subsequently return to their previous or new classification on a part-time, temporary, term-limited  
26 basis, or career service basis may be hired at any step of the salary range upon the approval of the  
27 Department Director and/or designee, based on the nurses' previous relevant nursing experience. A  
28

1 nurse who returns to the classification held at the time of separation shall be paid at no less than the  
2 rate they received at the time of separation.

3 **Section 6.16 Part-time and temporary employees.** If a part-time or temporary employee  
4 (not necessarily the same person) has worked for 1,044 hours in a period of twelve (12) or fewer  
5 months, the Association may request a meeting with the County to review the feasibility of posting a  
6 position at that site to fill the hours which have been filled by a Part-time and temporary employee.  
7 If such a need is jointly determined, the Department Director shall make a position request to the  
8 Budget Office.

9 Upon request, the Department will provide annual reports to the Association on the use of  
10 part-time and temporary employees employed during the year. The report shall include the names of  
11 part-time and temporary employees by work site, classification and the number of hours worked by  
12 each part-time and temporary employee.

13 **6.16.1** Part-time and temporary employees shall be eligible for standby pay, callback pay,  
14 shift differentials, weekend premium and jail premium pay.

15 **6.16.2** Part-time and temporary nurses are not entitled to holidays, bereavement leave or  
16 other paid leaves. If required by state law, sick leave will be provided by applicable provisions in  
17 Article 15.

18 **6.16.3** In accordance with King County Code (3.12.040), part-time and temporary employees,  
19 other than probationary, provisional and term-limited employees, who exceed the calendar year  
20 working hours threshold shall receive compensation in lieu of leave benefits at the rate of 15% of gross  
21 pay for all hours worked, paid retroactive to the first hour of employment and for each hour worked  
22 thereafter. The employee will also receive a one-time only payment in an amount equal to the direct  
23 cost of three months of insured benefits, as determined by the director, and, in lieu of insured benefits,  
24 an amount prorated to an hourly equivalent based on the employee's normal work week for each hour  
25 worked thereafter. Such additional compensation shall continue until termination of employment or  
26 hire into a full-time regular, part-time regular or term-limited position. Further, employees receiving  
27 pay in lieu of insured benefits may elect to receive the medical component of the insured benefit plan,  
28 with the cost to be deducted from their gross pay; provided, that an employee who so elects shall

1 remain in the selected plan until termination of employment, hire into a full-time regular, part-time  
2 regular, or term-limited position, or service of an appropriate notice of change or cancellation during  
3 the employee benefits annual open-enrollment.

4 **6.17 Deferred Compensation.** Beginning with the Effective Date of this Agreement new employees  
5 will be automatically enrolled in the Deferred Compensation Program according to the following terms: three  
6 percent (3%) of gross wages, inclusive of add-to-pays and overtime, will be withdrawn from each paycheck on  
7 a pre-tax basis with an option to also enroll in annual auto increases every January 1st. While the open  
8 enrollment process will default to the auto-enrollment for deferred compensation, employees have the option  
9 to “opt out” at any time during open enrollment. They may also opt out of the program at any other time after  
10 they have enrolled.

## 11 **ARTICLE 7: HEALTH AND INSURANCE BENEFITS**

12 **Section 7.1. Health Benefits.** King County presently participates in insured medical, dental,  
13 vision, long term disability, accidental death and dismemberment, and life insurance programs. The  
14 plan designs and plan features for the insured benefits are negotiated in the Joint Labor Management  
15 Insurance Committee (JLMIC) comprised of representatives of the County and labor organizations,  
16 including the Association. The JLMIC has negotiated the benefits agreement for 2023 and 2024. The  
17 Association further agrees and adopts all terms and conditions of any successor JLMIC Agreement(s)  
18 through the duration of this Agreement or the term of the next successor JLMIC Agreement,  
19 whichever has a later expiration.

20 **Section 7.2. Workers’ Compensation Benefits.** Employees covered by this Agreement  
21 shall be covered by the County Industrial Insurance Plan and any supplement thereto as provided by  
22 County ordinance.

23 **Section 7.3. Professional Liability Insurance.** Employees covered by this Agreement are  
24 covered by the liability protection as provided in the King County Code for acts committed in good  
25 faith and within the scope of their official County duties.

## 26 **ARTICLE 8: LICENSURE AND COMPLIANCE REQUIREMENTS**

27 **Section 8.1. Licensing/Certification Requirements - Condition of Employment.** All  
28 nurses must meet licensing and certification requirements as a condition of hire and continued

1 employment. Nurse Practitioners must obtain Advanced Registered Nurse Practitioner (ARNP)  
2 status and prescriptive authority prior to their date of hire. Nurse Practitioners must maintain  
3 Advanced Registered Nurse Practitioner (ARNP) status and prescriptive authority during their  
4 employment with the Department. Nurses failing to maintain necessary licenses or certifications will  
5 be demoted from their current position or terminated from employment. Nurses employed in  
6 positions at the detention facilities (KCCF, MRJC, and JDC) must obtain and maintain security  
7 clearance.

8 **Section 8.2 License Fees.** The County shall pay for the cost of the following license fees for  
9 career service employees, and for term-limited temporary employees that have been employed by the  
10 County for at least (1) year.

- 11 ➤ Renewal for Registered Nurse License;
- 12 ➤ Renewal for Licensed Practical Nurse License
- 13 ➤ Renewal for ARNP license; and,
- 14 ➤ Application and renewal fees of state authorized prescriptive authority.

15 **Section 8.3. Jurisdiction of Nursing Care Quality Assurance Commission.** The County  
16 recognizes that each Registered Nurse and each Licensed Practical Nurse in the bargaining unit is  
17 licensed to practice by the State of Washington pursuant to RCW Chapter 18.79 and must practice in  
18 conformity with the rules and regulations promulgated by the Washington State Nursing Care Quality  
19 Assurance Commission which is solely empowered by law to promulgate and interpret such rules and  
20 regulations. It is recognized that Advanced Registered Nurse Practitioners (ARNPs) must also  
21 practice in conformity with the rules and regulations promulgated by the Washington State Board of  
22 Pharmacy. It is understood by the parties that a Registered Nurse or Licensed Practical Nurse must  
23 notify the Nursing office when action is taken by the Board of Nursing affecting their license. All  
24 nurses working in positions at the detention facilities (e.g., KCCF, MRJC, JDC) must obtain and  
25 maintain security clearance to those facilities.

26 **Section 8.4. ARNP Credential Verification Fee.** ARNP's, as a condition of employment  
27 (and at the time of the offer of employment), must undergo initial verification of their professional  
28 credentials. Newly hired ARNPs may opt to have the direct fees for such verification of credentials

1 deducted from their first paychecks.

2 **ARTICLE 9: MILEAGE AND PARKING**

3 **Section 9.1. Mileage Reimbursement.** An employee who is required or authorized by the  
4 Department to provide a personal automobile for use in Department business shall be reimbursed for  
5 such use at the rate established by the Internal Revenue Service, excluding commutes from home to  
6 the assigned worksite.

7 **Section 9.2. Parking.**

8  
9 **9.2.1.** For those jail nurses who are normally assigned to work downtown but are  
10 required to use their automobile for their work for the Department, parking shall continue to be  
11 provided downtown at the Department’s expense during the term of the contract.

12 Parking expenses incurred by employees while using personal or Department vehicles in the  
13 course of their duties shall be reimbursed by the Department. Claims shall be made on a monthly  
14 basis on a form prescribed by the Department to include any required proof of payment as defined by  
15 the Department.

16 Nurses working the evening shift in the jail who desire parking in the Goat Hill Garage must  
17 pay for the cost of parking as set by County ordinance. Nurses working the night shift in the jail will  
18 be eligible to receive reimbursement for parking in the Goat Hill Garage. Parking options otherwise  
19 shall be available for all other jail staff in the same manner as provided all other County employees  
20 by ordinance of the King County Council.

21 Due to extreme recruiting and retention challenges facing Jail Health Services, nurses  
22 working the day shift in the jail will be eligible to park in the Goat Hill Garage and shall pay the  
23 “After-Hours” rate. This benefit shall sunset on December 31, 2024, but may be extended by  
24 agreement of the parties into the next contract term if severe recruiting and retention challenges  
25 remain.

26 Current practices relating to employee parking at the CCFJC will continue through the term of  
27 this Agreement.

28 **ARTICLE 10: HOURS OF WORK AND OVERTIME**

1           **Section 10.1. Workday.** Eight (8) hours shall constitute a normal day’s work and five (5)  
2 consecutive days a normal week’s work. Per Section 10.8, other work schedules than eight (8) hours  
3 per day and five (5) consecutive days per week may be established.

4           **Section 10.2. Work Week.** The current FLSA work week shall begin at 12:00 a.m.  
5 Saturday and end at 11:59 p.m. Friday, except employees in Jail Health Services (“JHS”) shall have  
6 an FLSA workweek that begins at 12:00 a.m. Sunday and ends at 11:59 p.m. Saturday. Other seven-  
7 day work week beginning and ending times may be designated to accommodate unusual schedules  
8 (such as the 9/8 alternative schedule). Upon request, copies of schedules and alternative work week  
9 designations shall be provided to the Association and to the Office of Labor Relations.

10           **Section 10.3. Change to FLSA Workweek.** The parties agree that the next time there is  
11 occasion to conduct a widescale re-bid at either Jail Health Services site (KCCF or MRJC), the re-bid  
12 may include at the discretion of the County a change to the FLSA workweek upon new pattern work  
13 schedules taking effect. If this option is exercised, the FLSA workweek for JHS employees will  
14 change from a Sunday-through-Saturday workweek to a workweek that begins Saturday at 12:00 a.m.  
15 and ends Friday at 11:59 a.m. Nurses will not incur a loss of pay as result of the transition period.

16           **Section 10.4. Flex Schedule.** This shall mean that on a day-to-day basis the employee may  
17 request or agree to a revision in the schedule of work hours, working more hours than scheduled on  
18 one day and less on another day during the same work week. Upon mutual agreement between the  
19 employee and the supervisor, the schedule may be flexed provided that overtime will be due for hours  
20 worked in excess of forty (40) in a work week.

21           **Section 10.5. Hours Worked In Excess of Forty In a Workweek (“FLSA Overtime”).** All  
22 work performed over forty (40) hours in any one (1) FLSA workweek shall be paid at the rate of one  
23 and one-half times the nurse’s FLSA base rate of pay, plus applicable premiums and differentials, in  
24 accordance with the FLSA (i.e., by multiplying the straight time rate of pay by all overtime hours  
25 worked, plus one-half the employee’s hourly regular rate of pay times all overtime hours worked).

26           **Section 10.6. Hours Worked In Excess of Regularly Scheduled Day (“Daily Overtime”).**

27           **10.6.1.** All nurses in the bargaining unit are eligible for contractual daily overtime  
28

1 (“Daily Overtime”) if they perform actual work hours in excess of their 8, 9, 10, or 12 hour shift  
2 consecutively worked (excluding rest and meal period breaks) immediately before or after the  
3 employee’s regular schedule or approved flex schedule, and provided further that such work is  
4 authorized by the employee’s supervisor. For employees in temporary status (e.g., STT) that do not  
5 have a regular schedule, consecutive hours worked in excess of an employee’s scheduled shift of at  
6 least (8) hours in a workday shall be paid at the Daily Overtime rate. Paid leave hours shall not count  
7 toward satisfying an employee’s regularly scheduled hours in a workday for purposes of Daily  
8 Overtime eligibility.

9 **10.6.2. Daily Overtime Pay Rate Calculation.** Daily Overtime, shall be paid at the  
10 rate of one and one-half (1-1/2) times the nurse’s applicable base rate of pay (listed in Addendum A),  
11 and one and one-half (1-1/2) times the following premiums and differentials, where applicable:  
12 longevity pay, weekend pay, shift differential, charge nurse pay, JHS assignment rate (per Section  
13 6.6), and out-of-class pay, provided that such work is authorized by the employee’s supervisor. The  
14 Department will make a good faith effort to minimize the use of overtime.

15 **10.6.3.** In addition, the Department will follow RCW 49.28.140, Mandatory Overtime  
16 Prohibited, with respect to Jail Health Services overtime. The County and Department of Labor and  
17 Industries have also entered into a compliance agreement unique to King County signed May 31,  
18 2018, concerning RCW 49.28.140. Employee complaints may be filed with the appropriate state  
19 agency.

20 **Section 10.7. Compensatory Time.** Overtime may be compensated by compensatory time  
21 off at the rate of one and one-half (1-1/2) times the overtime hours worked, provided the employee  
22 requests compensatory time accrual in advance and the supervisor approves. Employees may not  
23 have a balance of more than forty (40) hours of compensatory time. All compensatory time not used  
24 by the end of a calendar year will be paid in cash. Exception: if use was not feasible due to work  
25 demands of the position, the employee may request, and the Division Manager may approve the  
26 carryover of up to forty (40) hours of accrued compensatory time. Use of compensatory time off  
27 must be approved in advance as for vacation leave.

28 **Section 10.8. Non-Jail Employee Work Schedules.** The establishment of employee work

1 schedules is within the purview of management. When the County deems it necessary, work  
2 schedules other than a Monday through Friday and work hours other than eight (8) hours per day and  
3 (40) hours per week may be established. Both parties acknowledge that a change of duties or an  
4 overtime assignment does not constitute a schedule change. The Department recognizes the need to  
5 give employees timely notice of schedules and schedule changes and avoid frequent schedule  
6 changes. Work schedule changes may be required to effectively meet operational needs (e.g., client  
7 service accessibility, expanded service hours, staffing changes, program changes). To that end, the  
8 Department shall make reasonable efforts to ensure the final schedule is provided at least ten (10)  
9 calendar days before the schedule takes effect, and in accordance with the schedule change terms  
10 described below.

11 Prior to changing an employee's schedule, the supervisor shall first contact the employee to  
12 discuss said change. Voluntary work schedule changes should be made whenever possible and can be  
13 made by a supervisor and the employee based upon mutual agreement, including effective date.

14 For non-jail work schedule changes without mutual agreement, the following work schedule  
15 change terms shall apply, as follows:

16 **10.8.1. Type 1 Schedule Change.** The County will provide (30) calendar days' advance  
17 notice for work schedule changes that result in a change of one-and-one half (1.5) hours or less in  
18 scheduled start and end times, occurring Monday through Saturday, and maintain the same number of  
19 regularly scheduled work hours per day (e.g., 8 hours per day, 10 hours per day). For example, a  
20 nurse scheduled M-F 8am-5pm could have their start and end times changed to M-F 9:30am to  
21 6:30pm provided thirty (30) calendar days' advance notice is given prior to the effective date of the  
22 new work schedule. If an employee has particular concerns about a proposed work schedule, the  
23 employee should immediately raise the concerns with their supervisor or area manager who will take  
24 this into consideration for informational purposes.

25 **10.8.2. Type 2 Schedule Change.** The County will provide employees forty-five (45)  
26 calendar days advance notice for work schedule changes involving the following:

27  
28 **A.** Change to scheduled workdays (including changes that may require weekend

1 work);

2 **B.** Change in number of scheduled hours worked per day (e.g., 8-hour workdays  
3 changed to 10-hour workdays); and,

4 **C.** Change in work hours outside the timeframes listed in Type 1 Schedule Change.

5 The County will also notify the Association about the change, and if requested,  
6 bargain impacts on wages, hours, and working conditions, without delaying  
7 implementation. No individual nurse will be required to work more than one out  
8 of every four Saturdays in a four-week period, except on a voluntary basis.

9  
10 **10.8.3 Type 3 Schedule Change.** In the event of County declared emergency, temporary  
11 changes to employee schedules may be implemented with as much notice as possible given the  
12 circumstances.

13 **Section 10.9. Non-Jail Alternative Work Schedules (Employee Requested).**

14 **10.9.1** An alternative work schedule is defined as any schedule of hours of work  
15 other than the traditional five eight-hour days within a seven-day work week. The terms in  
16 this Section apply only to employee-requested alternative work schedules, not employer  
17 established alternative work schedules. Examples of alternative work schedules include but  
18 are not limited to:

19 **A.** 4 - 10-hour workdays;

20 **B.** 9/80-off work week schedule (the record keeping timesheet for this schedule must  
21 be the one which meets the FLSA standards dividing between two work weeks  
22 mid shift on the fifth day of work which is either 8 hours or a day off.)

23 **10.9.2.** Nurses, individually or in groups, may request an alternative work  
24 schedule. The request will be reviewed to see if it meets the business needs of the site. If more than  
25 one nurse requests an alternative work schedule, the nurse with the greatest bargaining unit seniority  
26 at that site/workgroup will be granted the alternative work schedule. If the request is denied, the basis  
27 for the denial (an explanation of how/why the schedule does not meet the business needs of the site)  
28 will be provided in writing to the employee. Additionally, the employee is entitled to have the

1 decision on the request reviewed by the Director or Deputy Director of Community Health Services,  
2 provided a request for such review is made in writing within ten (10) business days of receipt of the  
3 initial decision.

4 **10.9.3** In administering alternative work schedules, the following working conditions shall  
5 prevail:

6 A. Overtime shall be paid per Section 10.4 and 10.5 of this Agreement.

7 B. Vacation benefits shall be accrued and expended on an hourly basis.

8 C. Sick leave benefits shall be accrued and expended on an hourly basis.

9 D. Holidays shall be granted in accordance with Article 15 of this Agreement.

10 E. Employee participation shall be on a voluntary basis.

11 F. Every six (6) months all alternative work schedules will be reviewed by the  
12 affected nurse(s) and the immediate supervisor. The Department or the employee shall provide forty-  
13 five (45) calendar days' notice of their intent to discontinue the alternative schedule, unless the  
14 employee and the Department mutually agree to waive the forty-five (45) day requirement.

15 **Section 10.10. Children and Family Justice Center (CFJC) Work Schedules.** For work  
16 schedule changes and information applicable to employees in CFJC only, see Addendum B.

17 **Section 10.11. Adult Jail Facility Work Schedules.**

18 **10.11.1 The JHS Nurse Monthly Work Schedule (“Monthly Schedule”).** The  
19 Department recognizes the need to give employees timely notice of schedules and schedule changes.  
20 The JHS Monthly Schedule is produced and published by JHS. The Monthly Schedule applies to  
21 nurses in KCCF and MRJC and lists work schedules for the upcoming month, scheduled leaves, and  
22 identifies available shifts that are open for nurses to work in addition to their regular pattern (i.e.  
23 “shift needs”). The Monthly Schedule includes career service staffing patterns, extra shifts covered  
24 by career service nurses, and shifts covered by short-term temporary, term-limited temporary, and  
25 agency nurses. The Monthly Work Schedule is first produced and displayed as a “Draft Schedule,”  
26 and periodically updated until it takes effect as described below.

27 A. The “Draft Schedule” with vacant shift needs will be displayed by the 10th of the  
28 preceding month that it takes effect. The Draft Schedule includes short-term temporary, term-limited

1 temporary, career service staffing patterns, approved vacation, holidays, sick time, planned leaves  
2 and any extra shifts that career service nurses have requested and updates in shift needs from the JHS  
3 Scheduler. Agency nurses will only be scheduled on the “Draft Schedule” when first posted to  
4 backfill extended schedule vacancies (e.g., shift vacancies caused by FMLA, redeployment). The  
5 County values the high-quality work of our nurses and will work to minimize the use of agency staff.

6 **B.** Between when the “Draft Schedule” is first posted, and before the end of the  
7 preceding month when the schedule takes effect, career service staff, probationary, short-term  
8 temporary, term limited temporary nurses may submit a request or be contacted to cover any vacant  
9 shift on the posted “Draft Schedule” on a first come, first serve basis, subject to updates in shift needs  
10 from the JHS Scheduler.

11 **C.** A schedule update will be posted at least ten (10) days before it takes effect. In an  
12 effort to prioritize WSNA-represented staff during this ten (10) day period, bargaining unit, career  
13 service, probationary, short-term temporary, term limited temporary nurses will be notified and  
14 asked to fill vacant shifts. During this period, career service staff, probationary, short-term  
15 temporary, and term limited temporary nurses may also submit requests to cover any remaining  
16 vacant shift on the posted updated schedule if still available, on a first come, first serve basis, subject  
17 to updates in shift needs from the JHS Scheduler. Agency staff will not be notified until after 13:00  
18 hours, nine (9) days before the schedule takes effect.

19 **10.11.2. Individual Work Pattern Changes.** Prior to changing an employee’s  
20 regular scheduled pattern, the supervisor shall first contact the employee to discuss said change. The  
21 Department reserves the right to make temporary changes to the schedule to ensure the staffing of the  
22 facility in cases of emergency (i.e., immediate vacancies, medical leave coverage, unanticipated  
23 absence of a scheduled nurse). Prior to changing the schedule, the County will seek volunteers and  
24 utilize available temporary staff. Once the final schedule has been posted, any change by the  
25 Department to the employee’s schedule, shall be by mutual consent. Both parties acknowledge that a  
26 change of duties or an overtime assignment does not constitute a schedule change.

27 The County will limit required shift changes to two per month with at least fifteen (15) hours  
28 off between changes. A shift change shall be defined as a change of working hours in which a

1 majority of working time occurs in a different shift.

2                   **10.11.3. Individual Pattern Rebids due to Pattern Vacancy.** When a pattern is  
3 vacated, the pattern shall be posted for seven (7) calendar days for bidding from nurses at both sites.  
4 The nurse with the highest seniority that bids on the pattern will be given the pattern and the effective  
5 date for the new pattern. Once a bid has been awarded, a nurse is not eligible to bid until they have  
6 worked at least six (6) months in their current pattern (measured from the first day of work in the new  
7 pattern).

8                   For purposes of pattern bidding, employees transferred to a new jail site will be entitled to use  
9 only one-half (1/2) of their seniority credit for the first eighteen (18) months at the new site, unless  
10 the pattern bidding is a result of an involuntary transfer. After eighteen (18) months (or if an  
11 involuntary transfer occurs), such employees will be entitled to use their full seniority credit for such  
12 pattern bidding.

13                   **10.11.4. Wide-scale pattern changes and rebid process.** In the event of wide-scale  
14 changes in scheduling patterns at the jail, pattern rebids will occur by individual facility per the  
15 following the process below.

16                   For purposes of pattern bidding, employees transferred to a new jail site will be entitled to use  
17 only one-half (1/2) of their seniority credit for the first eighteen (18) months at the new site, unless  
18 the pattern bidding is a result of an involuntary transfer . After eighteen (18) months (or if an  
19 involuntary transfer occurs), such employees will be entitled to use their full seniority credit for such  
20 pattern bidding.

21                   **Step 1: Notice.** JHS will notify the Association and impacted nurses at the facility of  
22 intent to initiate a wide-scale pattern rebid. The notice will provide a list of impacted nurses at the  
23 facility and the time period for the upcoming rebid. JHS will also convene a Scheduling Committee  
24 to review management and employee interests prior to the new patterns being created.

25                   **Step 2: New Patterns.** JHS will create initial draft new pattern work schedules and  
26 share these with the Scheduling Committee for review and feedback. Final approval of new patterns  
27 is at the discretion of JHS. Once new final patterns are available for a facility, JHS will share a copy  
28 with the Association prior to the wide-scale pattern rebid. The new patterns may have different

1 workweek hours (i.e. FTE status) than patterns prior to the wide scale rebid, which may impact  
2 whether a nurse increases/decreases their workweek hours in their new pattern.

3 **Step 3: Pattern Bidding.** The new patterns will be posted for at least (14) calendar  
4 days for nurses to bid on. Pattern bidding selection will be based on the following terms:

5 i. **Nurse FTE status is equivalent to new pattern workweek hours:** A nurse  
6 that has an FTE status prior to the rebid that is equal to the new pattern they are bidding on will be  
7 given selection priority over any nurse that does not have an equivalent FTE status as the new  
8 pattern. If multiple nurses bid on a new pattern that is equal to their FTE status prior to the pattern  
9 rebid, the nurse with the highest seniority will be selected for the pattern.

10 ii. **Nurse FTE status not equivalent to new pattern workweek hours:** If a  
11 nurse bids on a new pattern not equivalent to their FTE status during the rebid, other (less senior)  
12 nurses with the same FTE status as the new pattern will be given priority, and the nurse among those  
13 with the highest seniority will be granted the pattern. Seniority will also be used to determine  
14 selection if there are only nurses in different FTE status bidding on the new pattern. An employee  
15 displaced from their FTE status as a result of this process shall have the right to go directly on layoff  
16 recall list (see Art. 29, Layoff) rather than accept a pattern with a different FTE status.

17 **Step 4: Remaining Patterns.** After the wide-scale pattern rebid period has concluded,  
18 and all nurses at the facility have selected their new patterns, any remaining vacant patterns will be  
19 posted for nurses to bid on for at least seven (7) calendar days. Among competing nurse bids from the  
20 other facility, JHS will select the nurse for the pattern that has the highest seniority.

21 **10.11.5. Pattern Guidelines. Consecutive Weekend Work/Shift Rotation.** The  
22 Department and the Association agree that bargaining unit employees have a legitimate interest in  
23 limiting and/or eliminating the practice of mandating the regular rotation of employee's work shifts  
24 (i.e., days to evenings and back to days, on a rotating basis). It is further recognized that bargaining  
25 unit employees have a legitimate interest in limiting the amount of consecutive weekend work  
26 required of employees.

27 **10.11.6.** If career service nurses are regularly required to work outside their specific  
28 budgeted FTE (80 hrs./2 weeks = 1.0 FTE, within .2 FTE of the position held by the impacted

1 employee), the Association may request that the position be reviewed to determine whether it is  
2 feasible to increase or decrease the position's FTE. If such change is jointly determined, the Director  
3 shall make a request to the Budget Office.

4 **10.12. Scheduling Committee(s).** The County or the Association may ask to convene a joint  
5 management and employee scheduling committee(s) on an as-needed basis to consult on alternative  
6 staffing patterns/schedules, employee self-scheduling, or shared staffing.

7 **ARTICLE 11: HIRING, TRANSFER, AND STEP PLACEMENT**

8 **Section 11.1. Position Vacancies.** Career Service vacancies created within the job  
9 classifications covered by this Agreement by virtue of separation or newly created positions shall be  
10 filled by transfer (Section 11.4 or 11.5) or posted (Section 11.3) for not less than ten (10) consecutive  
11 business days; provided, however, the Department retains the right to determine who, if anybody,  
12 shall be selected for and/or transferred to said vacancy. Term-limited temporary positions and short-  
13 term temporary positions shall be filled according to Public Health hiring practices for positions  
14 designated as temporary. The County will quarterly provide the Association a report identifying all  
15 current vacant positions in the bargaining unit. The report shall designate those vacant positions the  
16 County is actively trying to fill.

17 The Department recognizes that it is preferable to fill vacancies with qualified nurses within  
18 the Department rather than by hiring persons from outside the Department. The Department may  
19 identify special skills and abilities and recruit externally concurrently with internal recruitments for  
20 these positions in order to hire in a timely manner. If multiple positions are vacant, the County may  
21 use an applicant pool to fill multiple positions. The County retains the right to determine the scope of  
22 the recruitment (e.g., internal bargaining unit applicants only, internal and external applicants).

23 **Section 11.2. Management Option to Initiate Transfer Process.** When a career service  
24 position is vacant, the County may first decide to fill the position by initiating a lateral voluntary  
25 internal transfer process per Section 11.5 or involuntarily transfer process per Section 11.6 prior to  
26 the position being considered open for purposes of layoff recall, disability reassignment, or initiating  
27 a job recruitment.

28 **Section 11.3. Job Recruitment.** Vacant bargaining unit career service positions shall be filled

1 according to the following:

2           **11.3.1.** Announce all position vacancies with stated minimum qualifications on the  
3 applicable website(s).

4           **11.3.2.** Interview screened applicants meeting minimum qualifications from within  
5 the bargaining unit.

6           **11.3.3.** Give preference to filling any such open position to applicants from within the  
7 bargaining unit on the basis of seniority where the qualifications of the applicants are substantially  
8 equal based upon relevant criteria and the candidates have similar expertise/experience in the cultural  
9 understanding of the communities served by the position.

10           **11.3.4.** Make selections for promotional positions in accordance with appropriate  
11 personnel regulations and ordinances.

12           **Section 11.4 Lateral Voluntary Transfer.** The County may initiate an internal voluntary  
13 transfer process by posting the open position opportunity for not less than ten (10) business days to  
14 the bargaining unit as a whole. Upon notice by the County, an eligible bargaining unit employee  
15 within the scope of the process may request to voluntarily transfer if they are in the same  
16 classification or equivalent classification. The County may approve or deny transfer request(s) at its  
17 discretion. In exercising this discretion, the County will consider operational need, relevant expertise  
18 and experience for the position (inclusive of experience with communities served by the position),  
19 and the employee preferences and seniority of the candidate(s).

20           An employee who applies for and receives a lateral transfer will not be required to serve  
21 another probationary period. However, at the time of acceptance of the transfer, the nurse may  
22 request the Department to consider, or the Department may impose a trial service period of up to  
23 three (3) months (six (6) months for nurses who transfer from a general to a Jail Health Services  
24 (JHS) assignment or vice versa). A nurse who does not successfully complete the trial service period  
25 shall be moved back into the nurse's former classification into any available vacancy for which they  
26 are qualified.

27           When a transfer is approved by the hiring authority, the employee will be given a specified  
28 effective date of the transfer.

1           **Section 11.5 Involuntary Transfers.** When the Department intends to involuntarily transfer  
2 an employee, the Department will first seek a volunteer for transfer.

3           Absent volunteers or approved voluntary transfer(s), the County may fill a position by  
4 involuntary transfer, moving an employee from one position to another position within the same  
5 division and the same classification with (45) calendar days' notice. In determining who will be  
6 subject to involuntary transfer, the County will consider operational need, relevant expertise and  
7 experience for the position (inclusive of experience with communities served by the position) and the  
8 preferences and seniority of the candidates. The County will not involuntarily transfer an employee  
9 from a non-jail position to a jail position (or vice-a-versa) or from one division to a different division,  
10 nor from the north sector to the south sector (and vice versa). KCCF and MRJC are in the same sector  
11 and therefore involuntary transfers can occur between those two facilities.

12           Involuntary transfers may result in a change in regularly scheduled work hours (or pattern for  
13 JHS), work location, and working conditions consistent with the new position, but the employee shall  
14 maintain their total workweek hours consistent with their position and FTE status (e.g., status of  
15 being a 1.0 FTE = 40 hrs./week shall remain unchanged). An employee who receives an involuntary  
16 transfer notice may choose to be laid off and placed on the layoff recall list. If the employee is  
17 involuntarily transferred, the employee will not be required to serve a probationary period or trial  
18 service period.

19           An employee who is transferred involuntarily by the Department shall have, for two (2) years  
20 from date of transfer, first right of refusal to the employee's former site and position (and pattern for  
21 JHS) if it becomes available. The employee shall have five (5) business days to exercise this option.

22           **Section 11.6 Wage Step Placement Rules.**

23           **11.6.1 New Hire Wage Placement.** When a new employee is hired into the  
24 bargaining unit, the nurse may be placed by the County at up to Step 11 of the salary range for a  
25 classification based upon a nurses' prior relevant experience.

26           **11.6.2 Voluntary Transfer Wage Placement (Step-to Step).** Employees who  
27 transfer within the same job classification from a JHS to a general assignment or vice versa shall  
28 remain at the same salary step number of the applicable schedule. For example, a Registered Nurse

1 at Step 7 on the JHS schedule who transfers to a clinic shall be placed at Step 7 of the general  
2 schedule.

3 **11.6.3 Involuntary Transfer Wage Placement.** Employees involuntarily transferred  
4 will not have a decrease in their current hourly pay rate as a result of the transfer.

5 **11.6.4 Promotion within Bargaining Unit Wage Placement.** When an employee in  
6 the bargaining unit is promoted (not through reclassification) to a higher level classification also in  
7 the bargaining unit through a recruitment process per Section 11.4, the employee shall be placed at a  
8 step that is at least 5% above their current pay, but may not exceed the top step of the new range.

9 When making a promotional step placement that is at least 5% above the employee's current rate of  
10 pay, the County may consider prior relevant experience (including LPN experience), County budget,  
11 and County operational need to fill the position.

12 When an employee moves from a non-jail position to a jail position via Job Recruitment, the  
13 transition shall not be considered a promotion, and the employee shall be placed step-to-step like a  
14 voluntary transfer per Section 11.6.2.

15 **11.6.5 Demotion Wage Placement.** An employee who *voluntarily* demotes to a lower  
16 level classification shall be placed at a step on the new pay range which is the closest step to their  
17 current pay rate, but does not result in a pay increase and does not exceed the top step of the new  
18 range. An employee who is *involuntarily* demoted for disciplinary reasons to a lower level  
19 classification shall be placed at the same step in the lower pay range as they were prior to the  
20 demotion.

## 21 **ARTICLE 12: PROBATION, PERFORMANCE, AND DISCIPLINE**

22 **Section 12.1. Employee Probation.** Employees hired into a career service eligible position  
23 must first serve a (6) month probationary period prior to becoming career service, which may be  
24 extended for an additional (6) months by the County (12 months total). During a probationary term,  
25 employees are considered in an "at-will" employment status and may be separated without just cause.  
26 Probationary terminations are not subject to the grievance procedure or appeal.

27 If the County extends an employee's probation, the employee will receive a written notice  
28 about the extension, the reason(s) for the extension, and its duration in a timely manner. The County

1 will also provide the Association with a copy of the probation extension for informational purposes.

2 A probationary employee, regardless of what step they are placed on, will advance (1) step  
3 upon successful completion of their probationary term, not to exceed the top step of the applicable  
4 wage scale.

5 **Section 12.2 Performance Evaluations.**

6 **12.2.1.** The County shall maintain a performance evaluation system relating to  
7 employees covered by this Agreement. Employees should be evaluated at least once during their  
8 probationary period and annually thereafter. The performance evaluation system shall be used as a  
9 method in measuring an employee's performance in accomplishing, in the most efficient and  
10 effective manner, the goals and objectives of the County as they relate to employees covered by this  
11 Agreement. The performance evaluation system shall encompass performance expectations based  
12 upon the goals and objectives of the position being evaluated. The performance evaluation system to  
13 be used by the County will be presented to the Conference Committee for review and comment prior  
14 to adoption.

15 **12.2.2.** The performance evaluation system devised by the County must, among any  
16 other criteria determined by the County, encompass performance expectations based upon the goals  
17 and objectives of the County, assigned duties, County policies and procedures, County operating  
18 instructions, any written document promulgated by or adhered to by the County pertaining to  
19 employees covered by this Agreement, or any work practices pertaining to employees covered by this  
20 Agreement.

21 **12.2.3** The evaluation shall be prepared on a format devised by the County and  
22 presented by an evaluator who has been instructed in the method of evaluation used and who has  
23 been responsible for the supervision of the evaluatee's work.

24 **12.2.4.** The evaluation must be prepared prior to, and presented to the affected  
25 employee at an evaluation conference which must be conducted by the person writing the evaluation.  
26 The evaluatee has the responsibility to participate in the evaluation conference and to improve work  
27 performance in any area where performance deficiencies are found to exist. The employee's direct  
28 supervisor is responsible for providing ongoing feedback to employees. The goal of such feedback is

1 to assist the employee's efforts to improve such performance deficiencies.

2           **12.2.5.** The evaluation shall be signed and dated by both the evaluator and evaluatee to  
3 signify that the evaluation has been reviewed in conference and the evaluatee shall, upon request, be  
4 given a copy of their evaluation. The employee's signature indicates receipt of the evaluation, but  
5 does not necessarily mean agreement. In addition, the evaluatee may, during said conference, or  
6 within two (2) weeks after the conference, comment in writing relative to the substance of the  
7 evaluation either on the evaluation form or have their written comments affixed to the evaluation.

8           **Section 12.3. Performance Improvement Plan (PIP).** The County may propose a PIP in  
9 accordance with this section. A PIP is defined as a written plan of limited duration created by  
10 management for the purpose of identifying areas of improvement expected of an employee. Such  
11 plan shall contain a description of specific deficiencies in performance and specific steps the  
12 employee may take to improve performance. A PIP shall identify available assistance, such as  
13 classes or training, in achieving improvement, and shall contain a schedule of regular meetings with  
14 appropriate supervisors to monitor progress. A PIP shall have a clear and established end date. After  
15 a PIP is provided to the employee, the Association may ask to convene a meeting with the  
16 appropriate manager and the employee to discuss the PIP terms. The County shall provide a copy of a  
17 PIP to the Association upon request by the employee or the Association.

18           **Section 12.4. Personnel File.** The employees covered by this Agreement may examine their  
19 personnel files in the Department's Personnel Office in the presence of the Personnel Officer or  
20 designee. No other personnel files will be recognized by the County or the Association. Materials to  
21 be placed into any employee's personnel file relating to job performance or personal conduct or any  
22 other material that may have an adverse effect on the employee's employment shall be brought to  
23 their attention with copies provided to the employee for their signature. Employees who challenge  
24 material in their personnel files are permitted to insert material related to the challenge.

25           **12.4.1.** At the employee's request, materials relating to letters of expectation or counseling  
26 will be removed from the employee's file after a twelve (12) month period, unless a similar act or  
27 other act of misconduct has been committed during the twelve (12) month period subsequent to the  
28

1 date the letter of expectation or counseling was issued. Necessary documents will be retained outside  
2 personnel file to comply with legal document retention requirements.

3 **12.4.2.** Letter of reprimand shall not be used for progressive discipline after a period of  
4 eighteen (18) months from the date of issuance other than for purposes of showing notice; provided  
5 the employee has not been disciplined during those eighteen (18) months.

6 **Section 12.5 Progressive Discipline.** Discipline of any career service employee covered by  
7 this Agreement shall be in accordance with a just cause standard. The principal objective of any  
8 disciplinary action short of termination shall be to improve the performance and efficiency of an  
9 employee. Examples of progressively severe disciplinary actions include:

- 11 a. Oral reprimand (reduced to writing)
- 12 b. Written reprimand
- 13 c. Suspension (or Demotion if deemed appropriate by the County)
- 14 d. Termination

15  
16 The type and level of disciplinary action will be determined by the nature and severity of the  
17 behavior and/or performance deficiency leading to disciplinary action. The employee shall have the  
18 right to the attendance of a representative at disciplinary and/or investigatory meetings. The County  
19 does not consider verbal coaching and counseling, letters of expectations, performance improvement  
20 plans, and similar management interventions as progressive discipline. Therefore, these actions shall  
21 not be considered disciplinary action subject to just cause or the grievance procedure, but they may  
22 be used later in progressive discipline to demonstrate an employee was adequately on notice about  
23 the need to comply with a particular workplace rule or expectation.

24 **ARTICLE 13: WORK OUTSIDE OF CLASSIFICATION**

25 **Section 13.1.** Working-out-of-classification occurs when an employee in a regular position is  
26 temporarily assigned the duties of a higher paid classification for less than (30) consecutive calendar  
27 days. Employees working-out-of-classification may not be required to perform all of the  
28

1 responsibilities of the higher-level classification.

2           **Section 13.2.** FLSA non-exempt working-out-of-classification assignments must occur in full  
3 day/shift increments.

4           **Section 13.3.** While working-out-of-classification, the employee will receive a 5% working-  
5 out-of-classification pay premium. Any overtime earned while working-out-of-classification will  
6 include the 5% premium. Paid leave (e.g. vacation, sick, executive leave, bereavement) while  
7 working-out-of-classification shall be at the rate of the employee’s base position (without the 5%  
8 working out of classification pay premium).

9           **Section 13.4. Temporary Work in a Lower Classification.** If an employee is assigned to  
10 work temporarily in a lower paying job or position, the employee shall be paid at their regular rate of  
11 pay.  
12

13           **Section 13.5. Regular Work in a Lower Classification.** If an employee works in a lower  
14 level job classification on a regular basis, at the employee’s request or in lieu of a layoff, the  
15 employee will be paid at their same step in the salary range of the lower job class or if necessary, be  
16 frozen at their old base rate for a maximum of three (3) months. During this period of pay freezing,  
17 employees shall not be eligible for cost of living increases, longevity pay and/or any other wage  
18 adjustments.

19 **ARTICLE 14: SPECIAL DUTY**

20           **Section 14.1 Definitions**

21           ● Special Duty Assignment – When an employee in a regular position is temporarily  
22 assigned to a classification with a higher rate of pay, and the higher-level duties comprise the  
23 majority of the work performed for a minimum of 30 calendar days.

- 24           ● Temporary employees, including TLTs, are not eligible for special duty assignments.  
25           ● Base Position – The employee’s underlying position while on special duty assignment.  
26           ● Base Union – The union that represents the employee’s base position.  
27           ● Acting Union – The union that represents the special duty position or body of work.

28           **Section 14.2. Duration**

1 A. Depending on the type of special duty assignment needed, an assignment may be made for  
2 a minimum of 30 calendar days and a maximum of five years, as outlined in the following  
3 circumstances:

4 (1) 30 days to Twelve Months – Shall be approved by the Department Director or  
5 designee to provide additional staffing:

6 i. Due to work that exceeds either the volume and/or complexity of what is  
7 routine, and is for a limited duration;

8 ii. Due to unforeseen work caused by unique circumstances, which are not  
9 expected to reoccur; or

10 iii. Needed to either develop and/or implement, a new function, system, or  
11 proposal.

12 iv. To backfill for a vacant regular position.

13 (2) Up to Three Years – Shall be approved by the Director of Human Resources or  
14 designee:

15 To perform a significant or substantial body of work such as a non-routine project or related  
16 to the initiation or cessation of a county function, project or department.

17 (3) Up to Five Years - Shall be approved by the Director of Human Resources or  
18 designee:

19 i. To backfill a regular position, when:

20 a) An employee is absent because of an extended leave of absence for  
21 a medical reason;

22 b) An employee is absent because of military service; or

23 c) An employee is absent because of a special duty or other  
24 assignment.

25 ii. To staff or backfill staff on a clearly defined grant-funded, capital  
26 improvement, or information systems technology project.

27 B. FLSA-exempt special duty assignments shall be made in full-week increments, from  
28 Saturday through Friday.

1 C. An employee’s special duty assignment may be ended due to extended absences (e.g., 30  
2 calendar days or more) at the discretion of the County.

3 **Section 14.3. Recruitment.** Special duty positions shall be posted to the entire bargaining  
4 unit for no less than ten (10) business days and a selection process will be conducted for special duty  
5 assignments.

6 A. The county reserves the right to fill with a special duty position while conducting a  
7 selection process. If an employee is hired into a career service position and served in a special duty  
8 capacity in that same position within six months of that hire, the employee shall receive credit  
9 towards the employee’s probationary period for the time served in the special duty role.

10 **Section 14.4. Pay**

11 A. An employee on special duty will be placed at the first step of the special duty  
12 classification pay range or be given a flat 5% above the employee’s hourly rate of pay (inclusive of  
13 longevity if applicable), whichever is higher.

14 B. If an employee’s pay in their base position includes longevity pay the special duty  
15 assignment is calculated using the longevity pay amount while in special duty.

16 C. An employee on special duty will continue to advance through the salary steps of their  
17 base pay range while on special duty. If the employee is at the top step in the base classification, the  
18 employee will be eligible for step increases in the special duty classification.

19 D. Special duty pay shall not be considered part of an employee’s pay rate for purposes of  
20 pay rate determination as a result of promotion or reclassification, cash-out of vacation or sick leave,  
21 or vacation or sick leave donations.

22 E. If the special duty assignment is FLSA non-exempt, the employee’s special duty pay will  
23 be used for the computation of overtime and compensatory time.

24 F. When the special duty assignment is completed, the employee’s pay shall revert to the pay  
25 rate the employee would have received if the employee had not been assigned to special duty.

26 G. Compensation, hours of work, and applicable contractual working conditions shall be  
27 consistent with the acting (i.e., special duty) union’s collective bargaining agreement from the time  
28 the employee is placed in the assignment until the time the employee returns to their base position.

Contractual provisions relating to the base position (i.e., reduction in force and seniority) shall continue to apply during the special duty assignment.

**Section 14.5. Paid Leave While on Special Duty.** Paid leave (e.g. vacation, sick, executive leave, bereavement) while on a special duty assignment shall be at the employee’s special duty pay rate.

**Section 14.6. Compensatory Time While on Special Duty.** All accrued compensatory time shall be cashed out when an employee begins a Special Duty Assignment.

**Section 14.7. FLSA Status Change.** Below summarizes how compensatory time and executive leave are handled when there is an FLSA status change between the employee’s base position and the special duty assignment:

<b>FLSA Change</b>	<b>FLSA Non-Exempt Base Position to FLSA Exempt Special Duty</b>	<b>FLSA Exempt Base Position to FLSA Non-Exempt Special Duty</b>
<b>Compensatory Leave</b>	Accrued compensatory leave cannot be used when in a FLSA exempt special duty. Any accrued compensatory time will be cashed out prior to starting a special duty assignment that is FLSA exempt.	The employee is eligible to earn compensatory time in lieu of overtime pay while in the FLSA non-exempt special duty assignment.  Prior to ending the FLSA non-exempt special duty assignment, the employee must be paid for any unused compensatory time before returning to the FLSA exempt base position. Payment for the compensatory time will be paid using the special duty pay rate.
<b>Executive Leave</b>	The employee may be eligible for executive leave while in a FLSA exempt special duty assignment.	The employee must use accrued executive leave while in the special duty assignment and by December 31 of the year in which

The employee must use the executive leave by the end of the year it is awarded and before returning to the non-exempt base position. Executive leave cannot be cashed out.

it is awarded. Executive leave cannot be cashed out.

1 the calendar holiday and ending at the beginning of night shift (e.g., 10:15 p.m. at KCCF) on the day  
2 of the holiday (See also Applicable Shift Time Table in Section 6.6). A comprehensive leave eligible  
3 employee shall receive Holiday Pay Premium pursuant to Section 15.6 below if four (4) or more  
4 hours of the shift fall within the above time periods.

5 In addition, when a holiday falls on an employee’s regularly scheduled day off, the employee  
6 may choose to have the eight (8) straight time hours deposited in the employee’s vacation bank.  
7 When a holiday falls on an employee’s regularly scheduled workday, the employee may choose to  
8 work the holiday at straight time and have the eight (8) straight time hours deposited in the  
9 employee’s vacation bank. If neither of the above options is chosen by the employee, Section 15.6  
10 of the Agreement applies.

11 **Section 15.3 Non-JHS Staff assigned to seven day per week operations.** A comprehensive  
12 leave eligible employee (non-jail) assigned to work in a seven-day per week operation including but  
13 not limited to COVID isolation and quarantine sites, and future 7-day per week operations, shall only  
14 observe holidays on the actual calendar day as provided in the table above to begin at the start of  
15 night shift on the day preceding the calendar holiday (e.g., 7:00 p.m.) and ending at the beginning of  
16 night shift on the day of the holiday (e.g., 7:00 p.m.). Employees assigned to work during this  
17 timeframe are eligible for Holiday Premium Pay pursuant to Section 15.6. In no circumstances shall  
18 an employee be eligible to receive Holiday Pay Premium for hours worked in excess of a 24-hour  
19 period as defined above for work on a particular holiday.

20 In addition, when a holiday falls on an employee’s regularly scheduled day off, the employee  
21 may choose to have the eight (8) straight time hours deposited in the employee’s vacation bank.

22 **Section 15.4 Non- JHS Staff Alternative Work Week Schedules.** Employees scheduled to  
23 work an alternative work week, such as four ten-hour days, shall be granted no more than ninety-six  
24 (96) holiday hours per year. Part-time regular and full time regular employees and employees  
25 working alternative work weeks whose work sites close on a designated holiday will be allowed to  
26 use accrued but unused time off (vacation or compensatory time) or take leave without pay, or by  
27 mutual agreement with the Supervisor, the employee shall be allowed to work to make up the hours.  
28 Leave without pay will be authorized if the employee does not request a different option in advance.

1 In no event will the rescheduling of hours in this manner be allowed if the resulting hours of work  
2 will result in overtime pay. When a holiday falls on an employee's regularly scheduled day off, the  
3 employee will have the option of receiving the holiday pay at the straight-time rate in the same pay  
4 period, or of scheduling an alternate paid day off within thirty (30) days after, or one work day  
5 before, the actual holiday. To be eligible for an alternate day off, the employee must request it in  
6 advance of the holiday.

7 **Section 15.5. Qualifications for Holiday Pay.** To qualify for holiday pay, employees  
8 covered by this Agreement must have been on pay status their normal work day before or their  
9 normal work day following the holiday; provided, however, employees returning from non-pay leave  
10 starting work the day after a holiday shall not be entitled to pay for the holiday preceding their first  
11 day of work. This restriction (proviso) would not apply to a leave of absence of four (4) days or less  
12 or a leave of absence requested by the Department.

13 **Section 15.6. Holiday Premium Pay.** Comprehensive leave-eligible employees who work  
14 on a holiday shall be paid for the holiday at their regular rate of pay and, in addition, they shall  
15 receive either one and one half (1-1/2) times their regular rate of pay for the hours worked or one and  
16 one-half (1-1/2) times the hours worked (compensatory time) to be taken off at another date.  
17 Compensatory time earned via holiday premium per this section shall be issued as vacation except for  
18 nurses employed by DAJD who will continue to accrue compensatory time in lieu of holiday pay.  
19 Part-time and temporary employees will be paid at the rate of time and one-half (1-1/2) times their  
20 straight rate of pay for work on the holidays listed in Article 9, Section 1. Such pay shall be included  
21 in the calculation of the nurse's FLSA regular rate for purposes of payment for hours which qualify  
22 as overtime under the FLSA. Compensation in the form of compensatory time must be agreeable to  
23 both the affected employee and the Department Director or the Director's designee.

24 Holiday Premium pay shall not be used to offset hours worked in excess of forty in one FLSA  
25 work week. Any hours worked beyond forty in any single FLSA workweek will be paid at the rate of  
26 one and one-half times the nurse's regular rate of pay per section 10.5 in addition to any hours of  
27 Holiday Pay Premium.

28 **Section 15.7. Personal Holidays.** Comprehensive leave eligible employees are granted two

1 personal holidays each year. The hours granted to less than full-time employees will be prorated to in  
2 accordance with Section 15.6. Eligible Employees who are active on the last day of the second full  
3 pay period of the year shall be granted (2) personal holidays as vacation hours each year in the  
4 second full pay period of the year, or upon hire, to be added to their vacation bank on the last day of  
5 the first pay period following their date of hire. Eligible Employees must be hired prior to November  
6 15 to receive personal holidays. Personal Holidays shall be administered through the vacation plan  
7 and can be used in the same manner as any earned vacation day.

8 **Section 15.8. Regular Part-time Employees.** Holiday time for regular part-time nurses will  
9 be provided on a pro-rated basis. The straight time hours compensated in the pay period preceding  
10 the pay period of the holiday shall be compared to the compensated hours in the period for a full-time  
11 position. The resulting factor shall be multiplied by eight (8) hours to determine the amount of  
12 holiday time off due to the part-time employee.

13 **Section 15.9. Unpaid Religious Holidays.** Employees may request up to two (2) unpaid  
14 holidays for a reason of faith or conscience or an organized activity conducted under the auspices of a  
15 religious denomination, church, or religious organization consistent with King County policy (#2014-  
16 003) and the work unit’s usual leave without pay request process.

17 **ARTICLE 16: VACATION LEAVE**

18 **Section 16.1 Vacation Leave (Accrual Eligibility).** Comprehensive leave eligible  
19 employees (“Eligible Employees”) shall accrue vacation leave time. Employees in short-term  
20 temporary employment status are ineligible for vacation leave accrual.

21 **Section 16.2 Vacation Leave (Accrual Rate).** Eligible Employees shall accrue vacation  
22 leave time at the applicable hourly rate depending on their months of service for each hour in pay  
23 status excluding overtime hours.

**Section 16.3. Vacation Requests.** All vacation time shall be subject to preapproval by the County. A good faith effort will be made to provide the approval (or denial) in a timely manner.

**Section 16.4. Use of Vacation.** Eligible Employees may use vacation leave hours in the pay period after they are accrued. Employees who leave County employment prior to successfully completing their first six months of County service shall forfeit their vacation leave hours and are excluded from the vacation payoff provision (see also Section 16.5). In addition, no employee shall work for compensation for the County in any capacity during the time that the employee is on vacation leave.

**Section 16.5. Maximum Vacation Accrual.** Eligible Employees shall accrue vacation leave from their date of hire in a benefit eligible position. The maximum vacation accrual is 480 hours for employees hired on or before December 31, 2020. For Eligible Employees hired on or after January 1, 2021, the maximum vacation accrual shall be 320 hours. Failure to use vacation leave beyond the maximum accrual amount by December 31 will result in forfeiture of excess vacation leave, unless

1 the County has approved a carryover of the vacation leave because of cyclical workloads, work  
2 assignment or other reasons as may be in the best interest of the County.

3 **Section 16.6. Vacation Payoff upon Separation.** Eligible Employees shall be paid for  
4 accrued vacation leave to their date of separation up to the vacation accrual cap, if they have  
5 successfully completed their first six months of County service. Payment shall be the accrued  
6 vacation leave multiplied by the employee’s hourly rate of pay (plus longevity if applicable) that is in  
7 effect upon the date of leaving County employment, less mandatory withholdings, and if applicable  
8 subject to any VEBA plan election by the bargaining unit.

9 **16.6.1.** In the case of separation from County employment by death of an employee  
10 with accrued vacation leave that has also successfully completed their first six (6) months of County  
11 service, payment of unused vacation leave up to the maximum accrual amount shall be made to the  
12 employee’s estate, or, in applicable cases, as provided for by state law, RCW Title 11.

13 **Section 16.7. Accrual Upon Return to King County Employment.** If an employee resigns  
14 from a full-time regular or part-time regular position or is laid off and subsequently returns to County  
15 employment within (2) years from such resignation or layoff, as applicable, the employee’s prior  
16 County service shall be counted in determining the vacation leave accrual rate.

17 **ARTICLE 17: SICK LEAVE**

18 **Section 17.1 Sick Leave (Accrual Eligibility).** All employees shall accrue sick leave from  
19 their date of hire, but comprehensive leave eligible (“Eligible Employees”) shall accrue sick leave at  
20 a different rate than employees in short-term temporary employment status (“STT”).

21 **Section 17.2 Comprehensive Leave Eligible Employee (Accrual Rate).** Eligible  
22 Employees will accrue sick leave at the rate of 0.04616 hours for each hour in paid status, excluding  
23 FLSA overtime hours if applicable, and except as specified below. While this accrual rate is more  
24 generous than what is required under state law in almost all circumstances, in the rare event where a  
25 non-exempt employee works 148 hours or more in a (14) calendar day biweekly pay period, state law  
26 (as amended) will require additional sick leave accrual (e.g. 0.025 multiplied by total hours worked in  
27 the pay period). To ensure non-exempt employees earn the correct amount of leave, payroll staff will  
28 multiply the number of hours an employee worked by 0.025 at the end of each pay period. That

1 number is then compared to what the employee accrued at the rate of .04616 hours. The higher  
2 amount of sick leave is awarded to the non-exempt employee. Any additional sick leave is awarded  
3 in the following pay period.

4 **Section 17.3 STT Sick Leave (Accrual Rate).** Employees that are in STT employment status  
5 shall accrue sick leave at the rate of 0.025 hours for each hour in pay status.

6 **Section 17.4 Maximum Sick Leave Accrual.** For Eligible Employees, there shall be no limit  
7 to the number of sick leave hours that an employee may accrue and carry over from year-to-year. For  
8 STT employees, a limit of 40 hours of unused sick leave may be carried over to the following  
9 calendar year. On January 1 of each calendar year, all accrued sick leave over 40 hours will be  
10 forfeited for STT employees.

11 **Section 17.5 Sick Leave Use.** An employee is entitled to use sick leave after it appears on the  
12 employee's pay advice for the following reasons:

- 13 1. For self-care or to care for a family member:
  - 14 a. Due to a mental or physical illness, injury or health condition;
  - 15 b. To obtain medical diagnosis, care or treatment of mental or physical  
16 illnesses, injuries, or health conditions; or
  - 17 c. To receive preventative care;
- 18 2. For absences that qualify for leave under the Domestic Violence Leave Act, RCW  
19 49.76;
- 20 3. In the event the King County facility the employee works in is closed by a public  
21 official for any health-related reason, or when an employee's child's school or place  
22 of care is closed by a public official for a health-related reason;
- 23 4. To increase the employee's or a family member's safety, when the employee or the  
24 employee's family member has been a victim of trafficking under RCW 9A.40.100;  
25 or
- 26 5. For family and medical leave available under federal law, state law or King County  
27 ordinance.

27 **Section 17.6** For purposes of paid sick leave, a "family member" is:

- 28 1. A child, including a biological, adopted or foster child, a stepchild, or a child to whom

- 1 the employee stands in loco parentis, is a legal guardian or is a de factor parent,  
2 regardless of age or dependency status, or the child of the employee’s domestic partner;
- 3 2. The parent of an employee, employee’s spouse or employee’s domestic partner. Parent  
4 includes:  
5 a. A biological parent;  
6 b. An adoptive parent;  
7 c. A de facto parent;  
8 d. A foster parent;  
9 e. A stepparent;  
10 f. A legal guardian; or  
11 g. A person who stood or stands in loco parentis to the employee, employee’s  
12 spouse or employee’s domestic partner;
- 13 3. A spouse;  
14 4. A domestic partner;  
15 5. A grandparent;  
16 6. A grandchild; or  
17 7. A sibling.

18 **Section 17.7** An employee injured on the job may not simultaneously collect sick leave and  
19 workers’ compensation payments in a total amount greater than the regular pay of the employee, though  
20 an employee who chooses not to augment the employee’s workers’ compensation time loss pay through  
21 the use of sick leave shall be deemed on unpaid leave status.

22 **17.7.1.** An employee who chooses to augment workers’ compensation payments with  
23 the use of accrued sick leave shall notify the workers’ compensation office in writing at the beginning  
24 of the leave; and

25 **17.7.2.** An employee may not collect sick leave and workers’ compensation wage  
26 replacement pay for physical incapacity due to any injury or occupational illness that is directly  
27 traceable to employment other than with the County.

28 **Section 17.8** An employee must use all of their sick leave before taking unpaid leave for the  
employee’s own health reasons, unless the employee has been approved to receive Washington paid  
family medical leave and is currently on PFML If the injury or illness is compensable under the  
County’s workers compensation program, then the employee has the option to augment or not augment

1 wage replacement payments with the use of accrued sick leave.

2 **Section 17.9.** When sick leave is taken to care for a family member the employee shall choose  
3 at the start of the leave whether the particular leave will be paid or unpaid, unless the employee has  
4 been approved to receive, and is currently on PFML. While taking leave for family reasons, if covered  
5 under the WSFCA, the employee may also choose the type of paid leave used available to them (e.g.,  
6 sick leave, vacation).

7 **Section 17.10.** Verification of sick leave use is pursuant to RCW 49.46.210 and County policy,  
8 procedures and guidelines. Failure to return to work by the expiration date of a leave of absence without  
9 a request for the leave to be extended, or abuse of sick leave may be cause for progressive discipline.

10 **Section 17.11.** An employee who has exhausted all of the employee's sick leave may use  
11 accrued vacation leave before going on a leave of absence without pay. If caring for a family member,  
12 such use is at the employee's option and is not subject to approval of the appointing authority.

13 **Section 17.12. Non-retirement Separation: Sick Leave Forfeiture.** If an employee separates  
14 from King County employment for any reason other than retirement, all sick leave accrued shall be  
15 forfeited as of the date of separation or termination. There is no retirement exception for short-term  
16 temporary employees. However, if an employee returns to County employment within two years of  
17 the separation, the employee's previously forfeited sick leave shall be restored.

18 **Section 17.13. Retirement Separation: Sick Leave Payoff.** Eligible Employees who have  
19 successfully completed at least five years of County service and who retire as a result of length of  
20 service or who terminate by reason of death shall be paid, or their estates shall be paid as provided for  
21 by RCW Title 11, as applicable, an amount equal to 35% of their unused, accumulated sick leave  
22 multiplied by the employee's hourly rate of pay, plus longevity pay if applicable, in effect upon the  
23 date of leaving County employment, less mandatory withholdings and subject to any VEBA plan  
24 election by the bargaining unit. Retirement as a result of length of service means an employee is  
25 eligible, applies for and begins drawing a pension from PERS, PSERS or the City of Seattle  
26 Retirement Plan immediately upon terminating County employment. If a retiree who cashes out their  
27 sick leave is rehired within (12) months of separation, that employee is entitled to have-the remaining  
28 65% of their sick leave (or, for VEBA participants, the percentage of sick leave not transferred to  
their VEBA account) restored. Said employee will not be eligible for an additional sick leave cash out  
upon leaving County employment.

**ARTICLE 18: FAMILY AND MEDICAL LEAVE**

1           **Section 18.1. Federal Family and Medical Leave Act.**

2           **18.1.2.** As provided for in the Federal Family and Medical Leave Act (FMLA) of  
3 1993, an eligible employee may take up to twelve (12) weeks of paid or unpaid leave in a single  
4 twelve month period for the employee’s own qualifying serious health condition that makes the  
5 employee unable to perform their job, to care for the employee’s spouse, child, or parent who has a  
6 qualifying serious health condition, to bond with a newborn child, adoption or foster care placement  
7 (leave must be taken within one year of the child’s birth or placement), or for qualifying exigencies  
8 related to the foreign deployment of a military member who is the employee’s spouse, child or  
9 parent. An eligible employee who is a covered service member’s spouse, child, parent, or next of kin  
10 may take up to twenty-six weeks of paid or unpaid FMLA leave in a single twelve month period to  
11 care for the service member with a serious injury or illness.

12           **18.1.3.** The leave may be continuous or intermittent, when medically necessary.  
13 Intermittent and/or reduced schedule leave to care for a newborn or newly placed adopted or foster  
14 care child may only be taken when approved.

15           **18.1.4.** In order to be eligible for FMLA, an employee must have been employed by  
16 King County for at least twelve months and have worked at least 1,250 hours in the twelve month  
17 period prior to the commencement of leave.

18           **Section 18.2. King County Family and Medical Leave (Ordinance 18191).**

19           **18.2.1.** As provided by King County Code, an eligible employee may take up to  
20 eighteen (18) weeks of paid or unpaid King County Family and Medical Leave (KCFML) in a single  
21 twelve month period for the employee’s own qualifying serious health condition, to care for an  
22 eligible family member who has a qualifying serious health condition, to bond with a newborn child,  
23 adopted child or foster care placement (leave must be taken within one year of the child’s birth or  
24 placement), and for any qualifying reason under the Federal Family and Medical Leave Act,  
25 Washington State Family Leave Act, or other family and medical leaves available under federal or  
26 state law.

27           **18.2.2.** The leave may be continuous or intermittent, when medically necessary.  
28 Intermittent and/or reduced schedule leave to care for a newborn or newly placed adopted or foster

1 care child may only be taken when approved. King County Family and Medical Leave shall run  
2 concurrently with other federal, state and county leaves to the extent allowed, including but not  
3 limited to the Federal Family and Medical Leave Act, Washington State Family Leave Act, and the  
4 Washington State Family Care Act.

5 **18.2.3.** In order to be eligible for leave under this Article, an employee must have  
6 been employed by King County for at least twelve months and have worked at least 1,040 hours in  
7 the preceding twelve month period for a forty-hour week employee or 910 hours in the preceding  
8 twelve month period for a thirty-five hour week employee.

9 **18.2.4.** An employee who returns from King County Family and Medical Leave  
10 within the time provided under this Article is entitled to the same position they occupied when the  
11 leave commenced or a position with equivalent pay, benefits and conditions of employment.

12 **Section 18.3 FMLA Leave to Care for an Active Duty National Guard or Reserve**

13 **Member.** Pursuant to federal law, nurses are entitled to up to twelve (12) weeks of unpaid leave  
14 during any 12-month period because of any qualifying exigency as defined by the Department of  
15 Labor arising out of the fact that the spouse, son, daughter, or parent of the nurse is on active duty in  
16 the National Guard or Reserves in support of a contingency operation. Examples of qualifying  
17 exigencies include issues arising from a covered military member's short-notice deployment, making  
18 or updating financial and legal arrangements to address a covered military member's absence, or  
19 attending military events and related activities.

20 **Section 18.4 FMLA Leave to Care for an Injured Service Member.** Pursuant to federal

21 law, nurses are entitled to twenty-six (26) weeks of unpaid leave in a 12-month period to care for a  
22 spouse, son, daughter, parent or next of kin (nearest blood relative) of a covered service member with  
23 a serious injury or illness when the injury or illness is incurred by an active duty member of the  
24 military while in the line of duty. A covered service member is a current member of the Armed  
25 Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment,  
26 recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability  
27 retired list for a serious injury or illness. Any FMLA leave used for reasons other than to care for a  
28 qualified service member shall count toward the 26-week limit in a 12-month period.

1           **Section 18.5 Washington Paid Family and Medical Leave Program.** The state program  
2 provides partial wage replacement while on leave for eligible employees who have a serious health  
3 condition. It also covers times where an employee is called upon to care for a covered family  
4 member who has a serious health condition, or leave to bond with a new child. The program covers  
5 the same military service exigencies covered by the Family and Medical Leave Act. For details  
6 about the program and eligibility, employees should contact the Washington State Employment  
7 Security Department. Should the County agree to allow supplemental benefits (i.e. employees  
8 permitted to receive PFML payments concurrent with County paid leave to receive full wage  
9 replacement) for any other non-interest arbitration eligible bargaining unit, this contract will be  
10 reopened to bargain over this article.

11 **ARTICLE 19: PARENTAL LEAVE**

12           **Section 19.1. Overview.** King County Paid Parental Leave supplements an employee’s  
13 accrued paid leaves to provide up to a total of twelve weeks of paid leave for a parent to bond with a  
14 new child.

15           **Section 19.2. Eligibility.** The benefit is available to all comprehensive leave eligible  
16 employees who have been employed with the County for at least six months of continuous service at  
17 the time of the qualifying event. If both parents work for King County, then each employee is  
18 entitled to up to 12 weeks of King County Paid Parental Leave.

19           **Section 19.3. Benefit Amount.** An employee’s supplemental parental leave benefit is  
20 calculated based on the employee’s accrued leave balances at the time of the birth, adoption, or  
21 foster-to-adopt placement (“qualifying event”). In cases of adoption or foster-to-adopt placement, the  
22 qualifying event occurs when the child is legally placed with the family. The employee will receive  
23 the equivalent of his or her full salary for up to a total of twelve weeks, when combined with the  
24 employee’s accrued leave (except for one week of sick leave and one week of vacation leave, or the  
25 equivalent for Benefit Time). The employee is permitted to use the supplemental leave first.  
26 Additionally, the employee may choose to take less than twelve weeks of leave. King County  
27 Supplemental Paid Parental Leave is not subject to cash out. An employee who does not return to  
28 work for at least 6 months of continuous service following the leave, will be required to reimburse

1 King County for the supplemental leave funds received.

2       **Section 19.4. Benefit Period.** King County Paid Parental Leave must be used within twelve  
3 months of the qualifying event. An employee may use King County Paid Parental Leave on an  
4 intermittent or part-time basis, as long as it is consistent with the department’s operational needs, and  
5 it is approved in writing by the employee’s supervisor prior to the leave.

6       **Section 19.5. Concurrency.** King County Paid Parental Leave will run concurrently with the  
7 County’s family and medical leave, as well as federal and state family and medical leave laws, to the  
8 fullest extent permitted by law.

9       **Section 19.6. Job Protection.** King County Paid Parental Leave is protected leave. Barring  
10 required budget cuts or layoffs, an employee’s job cannot be eliminated while the employee is on  
11 leave. Further, no retaliatory action may be taken against an employee for participating or planning  
12 to participate in the program.

13       **Section 19.7. Health and Leave Benefits.** The employee will continue to receive all health  
14 benefits and shall continue to accrue vacation and sick leave during the period of King County Paid  
15 Parental Leave. For purposes of overtime calculations, King County Paid Parental Leave shall be  
16 considered the equivalent of sick leave.

17       **Section 19.8. Relationship to Washington State Paid Family and Medical Leave.**  
18 Provisions of the County’s current Paid Parental Leave program are separate from the Washington  
19 State Paid Family and Medical Leave program, which may provide for paid leave benefits in addition  
20 to those provided for in this Article.

21 **ARTICLE 20: DOMESTIC VIOLENCE LEAVE**

22       Pursuant to RCW chapter 49.76, if nurses are victims of domestic violence, sexual assault or  
23 stalking, they may take reasonable leave from work, intermittent leave or leave on a reduced leave  
24 schedule to seek related legal or law enforcement assistance or seek treatment by a healthcare  
25 provider, mental health counseling or social services assistance. Nurses who are family members of a  
26 victim may also take reasonable leave to help such family member obtain similar treatment or help.  
27 This leave is unpaid unless the nurse uses any available paid time off (sick leave, vacation, etc.). The  
28 nurse must provide advance notice of their need for such leave. In the event of an emergency or

1 unforeseen circumstances precluding advance notice, the nurse or their designee must provide the  
2 County notice of the need for such a leave no later than the end of the first day that the nurse takes  
3 such leave. If the County requests, the nurse may be required to provide verification of the need for  
4 such leave and familial relationship (e.g. a birth certificate, police report, court order, or  
5 documentation from the victim’s clergy member, victim advocate, attorney or healthcare provider).  
6 For purposes of this section, “family member” includes a nurse’s child, spouse, parent, parent-in-law,  
7 grandparent, or a person with whom the nurse has a dating relationship.

8 **ARTICLE 21: DONATED LEAVE**

9 **Section 21.1.** All donations of sick leave and vacation leave made under this section are  
10 strictly voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any  
11 other compensation or benefits in exchange for donating vacation or sick leave hours.

12 **Section 21.2. Employee to Employee Donations.**

13 **A.** Any comprehensive leave eligible employee may donate a portion of their accrued  
14 sick leave or vacation leave to another comprehensive leave eligible employee consistent with this  
15 Article.

16 **B. Approval.** Donations require written approval from both the donating and  
17 receiving employees’ directors. If approved, the donated leave will be available the pay period after  
18 the donation is processed by Department of Human Resources.

19 **C. Vacation Leave hours.** An employee is limited to donating 80 hours of accrued  
20 vacation per calendar year to another employee, unless the employee’s department director approves  
21 a greater amount Donated vacation leave will be converted to sick leave and placed in the receiving  
22 employee’s donated sick leave bank provided the receiving employee meets the eligibility  
23 requirements under 21.2(F).

24 **D. Sick leave hours.** No donation shall be permitted unless the donating employee’s  
25 sick leave accrual balance immediately subsequent to the donation is one hundred (100) hours or  
26 more. No employee may donate more than twenty-five (25) hours of their accrued sick leave in a  
27 calendar year.

28 **E.** Donation limits are exclusive of donations to the Emergency Medical Leave Fund

1 under Section 21.5.

2 **F. Eligibility to receive and use donated leave hours from another employee.**

3 1. The receiving employee must have exhausted all paid leave accruals (e.g.,  
4 vacation leave, sick leave, comp-time).

5 2. The employee can only use donated leave for FMLA qualified reasons and  
6 must be FMLA eligible.

7 **G. Calculation of Donated Vacation and Sick Leave.** Sick leave and vacation  
8 hours donated shall be converted to a dollar value based on the donor’s straight time hourly rate at the  
9 time of donation. Such dollar value will then be divided by the receiving employee’s hourly rate to  
10 determine the actual number of hours received and placed in the receiving employee’s donated sick  
11 leave bank.

12 **H. No Reversion of Donated Leave.** Donated sick leave and vacation leave hours  
13 remain with the recipient and do not revert to the donor.

14 **Section 21.3 No cash out of donated leave.** Donated sick leave and vacation leave hours  
15 shall be excluded from the accrual payoff provisions contained in this Agreement, and sick  
16 leave/vacation leave restoration provisions contained in this Agreement.

17 **Section 21.4. No accruals on donated leave.** Vacation and sick leave will not accrue on  
18 donated leave as it is used.

19 **Section 21.5 Employee donations to an Emergency Medical Leave Fund – Pilot**  
20 **Program.**

21 **A.** The County will create a pilot program , whereby a comprehensive leave eligible  
22 employee may donate a portion of their accrued leave hours (I.e. vacation leave, sick leave, BT,  
23 ESL) to an “Emergency Medical Leave Fund” (Fund) that is managed by the Department of Human  
24 Resources. At the County’s discretion, the pilot program can either be continued as a regular  
25 program or ended upon 30-day written notice to the Association.

26 **B.** Donations require written approval from the donating and receiving employees’  
27 directors. If approved, the donated leave will be available the pay period after the donation is  
28 processed by DHR and Payroll.

1                   **C. Vacation hours.** An employee is limited to donating 80 hours of accrued vacation  
2 per calendar year to this Fund, unless the employee’s department director approves a greater amount.

3                   **D. Sick leave hours.** An employee can donate up to 25 hours of their accrued sick  
4 leave per year to this Fund, provided the donating employee’s sick leave balance will be 100 hours or  
5 more following the donation.

6                   **E. Process and Conditions to Receive from the Emergency Medical Leave Fund.**

7                   1. The comprehensive leave eligible employee must submit a request to DHR  
8 for hours.

9                   2. The receiving employee must have exhausted all paid leave accruals (e.g.,  
10 vacation leave, sick leave, comp-time).

11                  3. The employee can only use donated leave for FMLA qualified reasons and  
12 must be FMLA eligible.

13                  4. The leave for which the employee is requesting donations must be for a  
14 prolonged absence. A prolonged absence is considered to be 3 or more consecutive days. An  
15 employee may use donated leave intermittently after the employee’s prolonged absence if the  
16 conditions in 2 and 3 above are met.

17                  5. The maximum donation an employee can receive is up to 80 hours based on  
18 the employee’s normally scheduled hours during the biweekly pay period (e.g., 80, 74, or 70 hours or  
19 80 hours for employees on the semi-monthly payroll period who are normally scheduled for 40 hour  
20 workweeks), prorated for part-time employees.

21                  6. Hours will be distributed on a first come first serve basis and only awarded  
22 prospectively (i.e., the leave will not be awarded retroactively to cover previous time in a no-pay  
23 status).

24                  7. Hours will be distributed on a first come first serve basis and only awarded  
25 prospectively (i.e., the leave will not be awarded retroactively to cover previous time in a no-pay  
26 status).

27                  **F. Calculation of Donated Leave.** All donated hours shall be converted to a dollar  
28 value based on the donor’s straight time hourly rate at the time of the donation. The dollar value will

1 then be divided by the receiving employee’s straight time hourly rate to determine the actual number  
2 of hours received. Hours received will be placed in the employee’s donated sick leave bank.

3 **G. No guarantee that hours will be awarded.** Given there is only a finite number of  
4 dollars in the Emergency Medical Leave Fund, there is no guarantee that hours will be awarded.

5 **H. No Reversion of Donated Leave.** Donated hours not used by the donee within 60  
6 days of being awarded remain in or are returned to the Emergency Medical Leave Fund and do not  
7 revert to the donor.

8 **Section 21.6. No Cash Out of Donated Leave.** Donated leave hours are excluded from all  
9 payouts and restorations in this Agreement.

10 **Section 21.7. No accruals on donated leave.** Vacation and sick leave will not accrue on  
11 donated leave as it is used.

12 **Section 21.8 Donation of Vacation or Compensatory Hours to Nonprofit Organizations.**  
13 The Executive may implement a process providing the opportunity for comprehensive leave eligible  
14 employees to convert accrued vacation or accumulated compensatory hours, or both, into a cash  
15 donation. This process must conform to KCC 3.12.222, as amended.

16 **Section 21.9 Donation to an Account or Program to Benefit Children of Deceased**  
17 **Employee.** If an employee dies during employment, the executive may implement a process  
18 providing a one-time opportunity to allow comprehensive leave eligible employees to convert either  
19 accrued vacation or accumulated compensatory time hours, or both, to cash to benefit any children of  
20 the deceased employee who are under 23 years old at the time of the employee’s death. This process  
21 must conform to KCC 3.12.224, as amended.

22 **ARTICLE 22: BEREAVEMENT LEAVE**

23 **Section 22.1.** Comprehensive leave eligible employees (“Eligible Employees”) shall be  
24 granted up to (5) days, with a maximum (40) hours (pro-rata for part-time) bereavement leave per  
25 qualifying death of a member of the employee’s immediate family. Leave must be taken within one  
26 year from the date of the death.

27 **Section 22.2.** Immediate family shall be defined as the employee’s:

28 **A.** spouse or domestic partner; or

1 B. legal guardian, ward, or any person whom the employee has legal custody; and

2 C. the following family members of the employee, the employee's spouse, or the  
3 employee's domestic partner:

6 who stood or stands in loco parentis);

7 3. a grandparent;

8 4. a son or daughter-in-law;

9 5. a grandchild; or

10 6. a sibling.

11 **Section 22.3.** Employees who are not eligible for paid leaves may be granted leave without  
12 pay, or may be allowed to use compensatory time, if available, for bereavement leave.

13 **Section 22.4.** When a holiday or regular day off falls during the leave, it shall not be charged  
14 as bereavement leave.

15 **Section 22.5.** Any additional paid leave may be approved by mutual agreement between the  
16 County and the employee.

17 **ARTICLE 23: CONTINUING EDUCATION**

18 **Section 23.1. Continuing Education Time and Professional Meetings.** The Department  
19 and the Association agree continuous upgrading of employee skills and knowledge is beneficial to  
20 providing quality health care services to the public. Therefore, employees covered by this Agreement  
21 are encouraged to take advantage of opportunities available for continuing education. To this end,  
22 the Department will allow regular LPNs, RNs and PHNs four (4) days (32 hours) and ARNPs, and  
23 APNS employees five (5) days (40 hours) of paid leave annually for purposes of attending  
24 professional meetings, seminars and classes to earn continuing education outside of the Department  
25 subject to worksite staffing and operational needs. Continuing education requests necessary to  
26 maintain licensure will be given priority. Requests for continuing education time are subject to  
27 supervisory preapproval, and may be denied based on staffing or operational reasons. Unused or  
28 unapproved continuing education time will not be carried over to the following calendar year. For

1 purposes of this section, professional meetings shall be defined as: Short term conferences for  
2 professional growth and development of the individual nurses related to nursing, and/or meetings and  
3 committee activities of the professional association at the national, state or district level which are  
4 designed to develop and promote the programs of the professional association in improving the  
5 quality and availability of nursing service and health care or training as defined by American Medical  
6 Association standards and/or American Nursing Association standards. Conferences or portions of  
7 conferences relating solely to union business are not considered professional meetings.

8       **Section 23.2.** Public Health may determine, on a discretionary basis by division, a specified  
9 amount of funds to be granted annually for each ARNP to use for continuing education courses to  
10 maintain active ARNP licensure. Use of CE funds is subject to management preapproval. If CE funds  
11 are granted in a particular year, the funds shall only be available for use during the calendar year in  
12 which they are granted. Remaining unused funds at the end of the calendar year shall not roll over to  
13 the next calendar year. The amount of CE funds, if any, that are available each year will remain  
14 subject to management discretion and change.

15       **Section 23.3.** Other paid leave for this purpose and in-house educational programs shall be at  
16 the discretion of the Department Head. Employees who are approved to attend a continuing  
17 education seminar or class pursuant to the above referenced policy on a day off shall be compensated  
18 at their regular rates, including applicable premiums, for all time spent, and shall be entitled to an  
19 additional unpaid day off within thirty (30) days of the continuing education seminar or class. All  
20 such leave shall first be scheduled and approved by the employee’s supervisor. For this purpose,  
21 part-time employees shall be due a prorated amount.   New employees will receive a prorated amount  
22 for their first calendar year, based on the month that they begin County service and also prorated to  
23 their FTE status upon hire. For each calendar year thereafter, proration will be based on employees’  
24 FTE status as of January 1 in each year.

25 **ARTICLE 24: MILITARY LEAVE**

26       **Section 24.1 Military Leave.** Eligible Employees shall receive military leave in accordance  
27 with King County policy, state and federal law, as amended.

28       **Section 24.2. RCW 38.40.060 Military Leave for Public Employees.** Every officer and

1 employee of the state or of any county, city, or other political subdivision thereof who is a member of  
2 the Washington national guard or of the army, navy, air force, coast guard, or marine corps reserve of  
3 the United States, or of any organized reserve or armed forces of the United States shall be entitled to  
4 and shall be granted military leave of absence from such employment for a period not exceeding  
5 twenty-one (21) days during each year beginning October 1st and ending the following September  
6 30th. Such leave shall be granted in order that the person may report for required military duty,  
7 training or drills, including those persons in the National Guard. Such military leave of absence shall  
8 be in addition to any vacation or sick leave to which the officer or employee might otherwise be  
9 entitled, and shall not involve any loss of efficiency rating, privileges, or pay. During the period of  
10 military leave, the officer or employee shall receive their normal pay.

11 **Section 24.3 RCW 49.77.030 Entitlement to Leave.** During a period of military conflict a  
12 nurse who is the spouse of a member of the armed forces of the U.S., or the National Guard or  
13 Reserves, who has been notified of an impending call or order to active duty or has been deployed, is  
14 entitled to a total of fifteen (15) days of unpaid leave per deployment. Fifteen days of unpaid leave  
15 will be granted after the military spouse has been notified of an impending call or order to active duty  
16 and before deployment or when the military spouse is on leave from deployment. Any combination  
17 of leave without pay, compensatory time, vacation leave, sick leave and/or personal holiday may be  
18 used, at the nurse's discretion. Nurses must provide the County with notice, within five (5) business  
19 days of receiving official notice of an impending call or order to active duty or of a leave from  
20 deployment, of the nurse's spouse's intention to take such leave under the circumstances stated  
21 above.

22 **ARTICLE 25: JURY DUTY**

23 **Section 25.1 Jury Duty.** An employee working on other than a part time or temporary basis  
24 shall suffer no monetary loss while on jury duty. The amount of any compensation derived from jury  
25 duty during the employee's normal work schedule, except for transportation allowance, shall be  
26 deducted from the gross pay due the employee for such period; provided that an employee excused  
27 by the court on any day of such duty falling within the employee's normal work schedule shall notify  
28 their supervisor and if so directed report for work for the balance of their normal shift. An employee

1 who is scheduled off work during a period when called to serve jury duty will not suffer a loss of  
2 income as a result of serving jury duty. An employee who is scheduled to work either evening or  
3 night shifts while on jury duty shall not be required to report to work on any day when jury duty,  
4 including travel time, requires three or more hours of attendance. An employee who does not work  
5 their scheduled evening or night shift due to jury duty shall not suffer a loss of income as a result of  
6 serving on jury duty. An employee shall be relieved of regular duties a minimum of sixteen (16)  
7 hours prior to reporting to serve jury duty. Similarly, there must be a minimum of sixteen (16) hours  
8 between the time the employee is dismissed from jury duty and the time the employee must report for  
9 regular duties.

10 **Section 25.2 Required Court Appearance.** An employee who is subpoenaed to appear in  
11 court on work related business shall be paid as if working for all time spent in court or in preparation  
12 for such appearance as approved by the Department, including reasonable travel time to and from the  
13 work site during the employee's work shift.

14 **ARTICLE 26: UNPAID LEAVES OF ABSENCE (short term)**

15 **Section 26.1.** An unconditional leave of absence without pay for a period not exceeding sixty  
16 (60) consecutive days may be granted by the Department Director.

17 A request for a leave of absence longer than sixty (60) days bearing the favorable  
18 recommendation of the Department Director may be granted by the Human Resources Division  
19 Manager.

20 No employee shall be given leave to take a position outside the County's service for more  
21 than sixty (60) days in any calendar year, except where it appears in the best interests of the County.

22 **ARTICLE 27: UNPAID LEAVES OF ABSENCE (long term)**

23 **Section 27.1 Leaves of Absence.**

24 Leaves of absence of more than sixty (60) days may be conditional or unconditional with any  
25 conditions set forth in writing at the time the leave is approved.

26 All requests for leaves of absence are to be requested in writing as far in advance as possible,  
27 stating the reason for the leave and the amount of time requested.

28 At the expiration of the authorized unconditional leave of absence, a member of the

1 bargaining unit shall resume their same position (work site, title and shift); however, standing and  
2 service credit shall be frozen at the commencement of the leave of absence and shall not continue to  
3 accrue until the employee returns from said leave.

4 **ARTICLE 28: SAFETY STANDARDS**

5 **Section 28.1 Safe Working Conditions.** Safe working conditions shall be provided in  
6 compliance with the Washington Industrial Safety and Health Act (WISHA).

7 **Section 28.2 WISHA Standards.** All work shall be performed in a competent manner in  
8 accordance with the Washington Industrial Safety and Health Act (WISHA).

9 **Section 28.3 Protective Clothing and Equipment.** Protective devices, protective equipment  
10 and protective clothing when required by the County, laws or regulations, will be furnished to and  
11 used by the employees.

12 **Section 28.4 Safety Meetings.** At least one designated representative from each of the three  
13 sectors in the bargaining unit will be allowed time off with pay to attend departmental safety  
14 meetings. The employee will notify their supervisor in advance of such meeting so as to minimize  
15 conflict with regularly assigned duties.

16 **Section 28.5 Employees Must Comply with Safety Rules.** It shall be the duty of every  
17 employee covered by this Agreement to comply with established safety rules, promote safety and to  
18 assist in the prevention of accidents.

19 **Section 28.6 Employee Participation in Safety Program.** All employees covered by this  
20 Agreement are expected to participate and cooperate in the County's Safety Program. At the annual  
21 OSHA/WISHA training and once per year in the Health Beat the County shall present an explanation  
22 of its Safety Program to employees.

23 **Section 28.7 Internal Resolution of Safety Concerns.** Employees shall present unresolved  
24 safety issues to the County's Safety Committee prior to presenting same to an outside agency  
25 empowered with upholding the state WISHA law.

26 **ARTICLE 29: REDUCTION IN FORCE (RIF), LAYOFF, RECALL**

27 **Section 29.1 Definitions.** The following definitions shall apply for the purposes of  
28 administering this Article:

1                   **29.1.1 Seniority.** The employee’s total uninterrupted time in the bargaining unit,  
2 measured as total compensated hours excluding overtime, and up to a cap of 2088 hours for each  
3 consecutive 12-month period. If two employees have equal seniority, seniority shall be determined  
4 by the adjusted service date reflecting the employee’s date of hire into a King County career service  
5 position. A career service employee covered by this Agreement who separates from a career service  
6 bargaining unit position in good standing, and returns to a career service bargaining unit position  
7 within two years of separation, will be credited with previously accrued bargaining unit seniority.

8                   **29.1.2. Layoff.** The involuntary separation of employment or involuntary  
9 reduction/increase of work hours due to the elimination/reduction/increase of the position or its work  
10 hours for reasons of budget, efficiency or reorganization. An involuntary increase or reduction in the  
11 regular working hours of a position shall create the same vacancy placement and bumping rights for  
12 employees whose hours are increased/reduced as are created by the terms of this Article for whose  
13 position is being eliminated, except as provided otherwise by the Part-Time Employment Program.

14                   **29.1.3 Qualified.** The employee possesses the necessary knowledge, skills and  
15 abilities to competently perform the duties of a position; including required licenses and/or  
16 certifications, and would be eligible to be appointed to the position as a new hire. The determination  
17 of whether an employee is qualified is made by the Chief Nurse Officer at the time of the Employee  
18 RIF Notice.

19                   **29.1.4. Trial Service Period (TSP).** For purpose of this Section, if an employee is  
20 required to serve a TSP pursuant to this Article, and the TSP is terminated by the employee or the  
21 County according to the TSP terms stated in Article 34.7; the employee will be placed in layoff recall  
22 for a period of (2) years consistent with this Article.

23                   **29.1.5 Layoff Divisions.** Bargaining unit employees are in positions located in  
24 multiple departments and divisions in Public Health and the Department of Adult and Juvenile  
25 Detention. Each division shall be considered a Layoff Division. All bumping shall be limited to  
26 positions in the same Layoff Division where a position is being eliminated. A bargaining unit  
27 employee can only bump other less senior bargaining unit employees within their Layoff Division,  
28 and cannot bump employees outside their Layoff Division.

1 Examples of current Layoff Divisions:

- 2 1. Nursing Office
- 3 2. Community Health Services
- 4 3. Prevention
- 5 4. Jail Health Services
- 6 5. Juvenile Detention

7 **29.1.6. Employment Sector.** Shall means the locality of the assigned work site of the  
8 employee subject to layoff.

9 (1) Jail Health Services (JHS) Sector; includes

- 10 ○ King County Correctional Facility
- 11 ○ Regional Justice Center Jail

12 (2) \*North Sector; Sites Include north of I-90, plus Columbia, sites in North Region A, and  
13 sites in North Region B.

14 (3) \*South Sector; sites includes south of I-90 plus sites in South Region A and South Region  
15

16 B

17 \*A float pool nurse has the right to bump the least senior nurse in the North or South Sector  
18 and may be bumped by a nurse from either the North or South Sector.

### 19 **RIF Process: Individual Career Service Position**

20 **Section 29.2 Introduction.** When the Department determines there is a need to eliminate a  
21 position, or reduce or increase the working hours of an individual existing position, the Department  
22 shall identify by job class and work site which position is to be eliminated or subject to involuntary  
23 increase or decrease in work hours. In the case of an involuntary increase or decrease in the work  
24 hours of a position, an affected employee shall first be given the ability to voluntarily accept the new  
25 work hours. The RIF Process outlined below shall not apply if an involuntary increase or decrease of  
26 a position's work hours occurs pursuant to the terms of the Part-Time Employment Program.

27 **Section 29.3 Employee RIF Notice.** A career service employee in a position impacted by  
28 layoff shall be notified at least (30) calendar days prior to the effective date of such layoff. The notice  
will include relevant information for the nurse to select Steps below, including notice of all available  
vacant bargaining unit positions. An informational copy of the notice will be provided to the

1 Association.

2           **Section 29.4 Employee RIF Steps.** Upon receipt of the Employee RIF Notice, the employee  
3 shall be allowed (14) calendar days to indicate their RIF Step selection. If the employee does not  
4 elect to be laid off (i.e., RIF Step 1), the employee must then elect to move into one or more available  
5 vacancies in accordance with RIF Step 2. If no vacancies are available to the employee under RIF  
6 Step 2, the employee may elect voluntarily to move into an available position under RIF Step 3 or  
7 choose to skip RIF Step 3 and proceed to RIF Step 4, and then Step 5. However, if an Exception is  
8 granted per 29.4.1 to an employee incumbent in their position, the employee shall not be subject to  
9 displacement by application of Step 4 and 5 (i.e. bumping) by a nurse with higher seniority. When an  
10 employee submits their RIF Step elections per the process below, the elections shall not be subject to  
11 further change by the employee.

12           ➤ **RIF STEP 1.** Employee can elect to be laid off and placed on the layoff recall list.

13           Employee can choose to skip Step 1 and proceed to Step 2.

14           ➤ **RIF STEP 2.** Employee must elect to move into vacant position(s) in the same job  
15 classification, same FTE, same Employment Sector, and in the same layoff division,  
16 provided the employee is qualified for the position(s). The Employee may choose to  
17 elect to move into one or more vacant positions in a different Layoff Division if they  
18 are qualified for the position. If the employee chooses to transition to a vacant position  
19 in a different Layoff Division or a different program within a Layoff Division and is  
deemed qualified, the employee must serve a trial service period.

20           If there are no vacancies the employee can fill per Step 2, the employee can choose to  
21 proceed to Step 3 or directly to Step 4.

22           ➤ **RIF STEP 3.** The employee may elect to move to a vacant bargaining unit position  
23 in a lower job class, provided the employee is qualified. Step 3 is not limited to  
24 vacancies within the applicable Layoff Division. The employee must serve a (6)  
month trial service period when moving to a position in a lower job class.

25           Employee can choose to skip Step 3 and proceed directly to Step 4.

26           ➤ **RIF STEP 4.** Employee can elect to bump (i.e., displace) the least senior employee in  
27 the same job class within the same Layoff Division, provided the employee is  
28 qualified to bump into the position, has more seniority than the incumbent employee,

1 and an exception has not been granted per 29.4.1. If the employee is unable to bump  
2 the least senior employee, the next least senior employee may be displaced from their  
3 position subject to the aforementioned bumping terms. An employee may not bump:  
4 (1) a higher senior employee; (2) a less senior employee in another Layoff Division;  
(3) bump into a position if they are not deemed qualified; or (4) bump an employee in  
a position that has been granted an Exception.

5 If there are no other employees the employee can bump via Step 4, the employee shall  
6 be able to proceed to bump consistent with Step 5.

7 ➤ **RIF STEP 5.** Employee can elect to bump the least senior employee in the bargaining  
8 unit in a lower paid classification in the same Layoff Division (e.g., PHN may bump  
9 RN), provided the employee has successfully completed a probationary period in the  
10 lower level classification. An employee may not bump: (1) a higher senior employee;  
11 (2) a less senior employee in another Layoff Division; (3) bump into a position if they  
are not deemed qualified; or (4) bump an employee that has been granted an Exception  
per 29.4.1.

12 If there are no other employees the employee can bump per Step 5, the employee shall  
13 be subject to layoff, separated from employment, and placed on the layoff recall list.

14 **29.4.1 EXCEPTION.** Modification to seniority-based bumping in (Step 4 and 5)  
15 above may be authorized by the Chief Nurse Officer in consultation with manager/designee and  
16 human resources. Notice shall be provided to the Association that bumping out of seniority order is  
17 necessary to retain essential skills and qualifications.

### 18 **RIF Process: Multiple Career Service Positions**

19 **Section 29.5. Introduction.** When the Department determines the need to eliminate or  
20 change the work hours of multiple positions, the incumbents in the positions to be affected shall be  
21 notified at least (30) calendar days prior to the effective date of the RIF (i.e., via Employee RIF  
22 Notice), and the following RIF Process shall be used.

23 **Section 29.6. Employee RIF Notice and RIF Steps.** The County shall provide all potentially  
24 impacted employees a RIF Notice at least (30) calendar days prior to the effective date of the RIF.  
25 After receipt of RIF Notice, each employee shall be allowed (14) calendar days to elect RIF Steps 1-5  
26 stated above in accordance with the aforementioned rules regarding the exercise of RIF Steps.  
27 Application of the employees' selected RIF Steps will be administered in seniority order, with the  
28 most senior affected employee administered first, and the next most senior employee administered

1 second, and so forth until all impacted employee elected RIF Steps have been processed.  
2 Administration of employee elections will be based on the elections being timely and properly  
3 submitted by the impacted employees within the 14-day election period, starting the date the layoff  
4 notice was issued. Any vacancies must be filled under Step 2 if the nurse is qualified for the position  
5 prior to the nurse having the right to displace a less senior employee by application of Step 4 or Step  
6 5. If an Exception is granted per 29.6.1 to an individual employee and their position, the employee  
7 shall not be subject to displacement through the application of Step 4 or Step 5 (i.e. bumping). When  
8 an employee submits their RIF Step elections, the elections shall not be subject to further change by  
9 the employee.

10 **29.6.1 EXCEPTION.** An exception to seniority-based bumping may be authorized by  
11 the Chief Nurse Officer, with notice to the Association, only if bumping out of order is required to  
12 retain essential skills and qualifications.

13 **Section 29.7. Appeal.** The Chief Nurse Officer shall determine which positions an employee  
14 subject to layoff is qualified to select as an option. If the employee subject to layoff is not in  
15 agreement with the decision, the employee may appeal the decision to the Division Director within  
16 (14) calendar days. If an appeal is filed, the decision by the Division Director shall be final. If no  
17 appeal is filed, the decision by the Chief Nurse Officer is final. The determination whether an  
18 employee is qualified will assume an appropriate orientation to the new position.

19 **Section 29.8. Layoff Recall List.** Employees that separate employment due to a RIF Process  
20 (or unsuccessful completion of trial service that results in layoff) shall be asked whether they would  
21 like to be placed on the layoff recall list for a period of two years commencing from the effective date  
22 of their separation. Employees that affirm their interest to be placed on the layoff recall list shall be  
23 recalled to openings for which they are qualified in the classification that they were laid off in  
24 seniority order. Employee refusal of a recall job offer that is the same work hours and classification  
25 from which the employee was laid off shall result in removal from the recall list, unless the County  
26 authorizes an exception in writing.

27 Employees who are recalled into a position shall not serve a Trial Service Period if the new  
28 position is the same job classification, same program, and same Layoff Division as the position from

1 which the employee was laid off. A recalled employee will serve a TSP if the new position is in a  
2 different job classification, or a different Layoff Division, or in a different program within a Layoff  
3 Division from the position in which they were laid off.

4 In the event the employee does not successfully complete trial service, the employee shall be  
5 placed on the layoff recall list for the remainder of the duration of the employee's initial two-year  
6 recall period (not counting time spent while employed on trial service). If an employee is  
7 unsuccessful at two consecutive trial service periods, the employee will be ineligible for a third layoff  
8 recall opportunity, and shall not be returned to the layoff recall list.

9 The County may offer additional layoff options including, but not limited to, placement in  
10 other King County positions as provided in the Workforce Management Plan or other County  
11 policies.

12 **Section 29.9** Pursuant to the provisions of R.C.W. Title 50, King County is a participating  
13 County in the regular state unemployment compensation program.

14 **ARTICLE 30: GRIEVANCE PROCEDURE**

15 **Section 30.1. Introduction.** The County and the Association recognize the importance and  
16 desirability of settling grievances promptly and fairly in the interest of continued good employee  
17 relations and morale and to this end the following procedure is outlined. To accomplish this, every  
18 effort will be made to settle grievances at the lowest possible level of supervision. The Association,  
19 employee, and the immediate supervisor are encouraged to make every attempt to appropriately  
20 resolve issues of concern between themselves in a timely manner prior to filing a formal grievance.  
21 Upon timely request by an Association representative to the County, the time period for initial filing  
22 of a grievance may be extended for a mutually agreed time in writing, to allow for efforts to resolve a  
23 potential grievance. Employees will be free from coercion, discrimination or reprisal for seeking a  
24 resolution of their grievances.

25 **Section 30.2. Valid Grievance and Arbitrability.** A grievance subject to adjudication  
26 through this grievance procedure shall be defined as an alleged violation of one or more terms of this  
27 Agreement, and the Association shall provide the required information at each step in the grievance  
28

1 procedure. The required information that must be filed by the Association with a grievance, includes  
2 the following:

3 (1) relevant background information and statement about the act or omission which is  
4 the basis for the grievance;

5 (2) the date of such act or omission if known;

6 (3) the Article(s) and Section(s) of this Agreement the Association asserts were  
7 violated or misapplied;

8 (4) Association's formal remedy requested; and,

9 (5) Association may also provide an informal proposed settlement resolution.

10 The Association shall not advance grievances related to disputing disciplinary action or  
11 termination concerning probationary and temporary employees (i.e., term-limited temporary and  
12 short-term temporary) because such employees are considered in "at-will" employment status. The  
13 Association may pursue grievances on behalf of temporary employees related to other alleged  
14 violations of the Agreement unrelated to disciplinary action.

15 The parties agree verbal coaching and counseling, letters of expectations, performance  
16 improvement plans, and similar non-disciplinary management interventions are not considered  
17 disciplinary action subject to just cause or the grievance procedure. A Verbal Reprimand or Written  
18 Reprimand may only be pursued to Step 3 of the grievance procedure, and shall not be subject to  
19 further appeal at Step 4 Arbitration.

20 **Section 30.3 Exclusive Representative.** If employees have access to the Personnel Board for  
21 adjudicating disciplinary or reclassification grievances, selection by the employee of one procedure  
22 will preclude access to other procedures. If the employee chooses to access the Personnel Board for  
23 the adjudication of disciplinary or reclassification issues, this decision shall waive the Association's  
24 legal obligations for representation, unless mutually agreed otherwise.

25 **Section 30.4 Grievance Process.**

26 **STEP 1. Supervisor.** A grievance shall be presented in writing by the Association  
27 on behalf of the aggrieved employee within thirty (30) calendar days of the occurrence, or the date  
28

1 the employee should have known of the occurrence of such grievance to the employee’s immediate  
2 supervisor or designee. The written grievance shall include the required information in Section 30.2.

3 The immediate supervisor shall meet with the Association representative (and grievant if  
4 applicable). The immediate supervisor or designee will contact the Association representative within  
5 (15) calendar days of receipt of the written grievance to schedule the meeting. If applicable, the  
6 grievance meeting will be held during the employees regular working hours. Every effort will be  
7 made to schedule this meeting within (25) calendar days of the receipt of the written grievance by the  
8 immediate supervisor. The supervisor may issue a decision based upon the information available at  
9 the time if the Association representative is unable to attend a meeting in person within a reasonable  
10 period of time (60 calendar days), except for extraordinary circumstances (e.g., where a medically  
11 verifiable injury or illness exists). The supervisor shall notify the employee and the Association  
12 representative in writing of their decision within (15) calendar days after the meeting. If the response  
13 is sent via email, a “delivery receipt” will be added to the County email. If a grievance is not pursued  
14 to the next level within (15) calendar days of the Step 1 decision response provided to the  
15 Association, it shall be presumed resolved.

16 **STEP 2. Division Manager.** If after thorough discussion with the immediate  
17 supervisor the grievance has not been satisfactorily resolved, the Association representative shall then  
18 present the grievance to the Division Manager/designee for investigation, discussion, and written  
19 reply. The written grievance shall include the required information from [Section 30.2]. The Division  
20 Manager/designee will contact the Association representative within (15) calendar days of receipt of  
21 the written grievance to schedule the meeting. Every effort will be made to schedule this meeting  
22 within (25) calendar days of the receipt of the written grievance by the Division Manager or designee.  
23 If applicable, the grievance meeting should be held during a grievant’s regularly scheduled working  
24 hours if the Association has asked the grievant to attend. The Division Manager/designee after  
25 consulting with appropriate management stakeholders shall make a written decision available to the  
26 Association representative within (15) calendar days after the meeting. If the grievance is not  
27 pursued to the next higher level within (15) calendar days from the Association’s receipt of the  
28 Division Manager’s written decision, it shall be presumed resolved.

1                   **STEP 3. Office of Labor Relations.** If the decision at Step 2 has not satisfactorily  
2 resolved the grievance, the Association may submit the grievance in writing to the Office of Labor  
3 Relations Director and designated Labor Negotiator assigned to this Agreement. The written  
4 grievance shall include the required information in [Section 30.2]. Every effort will be made to  
5 schedule this meeting within (25) calendar days of the receipt of the written grievance by the  
6 Negotiator. If the Association invites a grievant to attend the meeting, the meeting should be held  
7 during the employee’s regular working hours. The Negotiator, after investigation and appropriate  
8 consultation with management stakeholders, shall make a written decision available to the  
9 Association representative within (15) calendar days after the Step 3 hearing. If the response is sent  
10 via email, a “delivery receipt” will be added to the County email. If the grievance is not pursued to  
11 the next higher level within sixty (60) calendar days from the Association’s receipt of the Step 3  
12 written decision or as described below, it shall be presumed resolved.

13                   **STEP 4. Mediation and/or Arbitration.** Should the decision of the Negotiator not  
14 resolve the grievance at Step 3, the parties, prior to submitting a dispute to arbitration, may agree to  
15 select a neutral third party to serve as mediator. This agreement shall be reached within (30) calendar  
16 days of receipt of the Step 3 response by the Association. If such agreement cannot be reached, the  
17 Association may request arbitration within (60) calendar days of receipt of the Step 3 decision. If  
18 mediation is undertaken and is not successful, the Association may request arbitration within (30)  
19 calendar days if either the County or the Association declares impasse at mediation. The arbitration  
20 request shall be submitted in writing to the Director of the Office of Labor Relations and the  
21 Negotiator.

22                   Should arbitration be chosen, the parties shall then select a third disinterested party to serve as  
23 an arbitrator. In the event that the parties are unable to agree upon an arbitrator, then the arbitrator  
24 shall be selected from a panel of eleven (11) arbitrators furnished by the Federal Mediation  
25 Conciliation Services. The arbitrator will be selected from the list by both the department  
26 representative and the Association, each alternately striking a name from the list until only one  
27 remains. The arbitrator shall be asked to render a decision promptly and the decision of the arbitrator  
28 shall be final and binding on both parties.

1 In connection with any arbitration proceeding held pursuant to this Agreement, it is  
2 understood as follows:

3 1. The arbitrator shall have no power to render a decision that will add to, subtract  
4 from, or alter, change, or modify the terms of this Agreement, and their power shall be limited to  
5 interpretation or application of the express terms of this Agreement, and all other matters shall be  
6 excluded from arbitration. Additionally, the arbitrator must comply and adhere to any agreed upon  
7 limitations set forth expressly in this grievance procedure, including those described in [Section  
8 30.2].

9 2. No matter may be arbitrated which the County by law, has no authority over, has  
10 no authority to change, or has been delegated to any civil service commission or personnel board, as  
11 defined in the RCW 41.56.

12 3. The cost of the arbitrator shall be borne equally by the County and the Association,  
13 and each party shall bear the cost of presenting its own case. Each party shall bear the cost of its own  
14 attorneys' fees regardless of the outcome of the arbitration.

15 The parties agree to otherwise abide by the award made in connection with any arbitrable  
16 difference. Each party shall bear the cost of any witnesses appearing on that party's behalf.

17 **Section 30.5. Time Limits.** Failure by the Association to comply with any time limitation of  
18 the procedure in this Article shall constitute withdrawal of the grievance; provided, however, any  
19 time limits stipulated in the grievance procedure may be extended for stated periods of time by the  
20 Association and County by mutual agreement in writing. Where a deadline falls on a weekend or  
21 holiday, the deadline will be extended to the next day that is not a weekend or holiday. If the  
22 Association has not received a response after a hearing at Step 1 or Step 2 or Step 3 within the  
23 timeframes listed, the Association may elevate the grievance to the next step.

24 **Section 30.6. Back Pay Awards.** Arbitration awards shall not be made retroactive beyond  
25 the date of the occurrence or non-occurrence upon which the grievance is based, that date being (15)  
26 calendar or less days prior to the initial filing of the grievance, unless the circumstances of the  
27 grievance were not and could not have been known by the grievant.

1           **Section 30.7 Association Grievances.** A grievance in the interest of two or more employees  
2 in the bargaining unit shall be reduced to writing by the Association and may be introduced at Step 2  
3 of the contract grievance procedure to the Division Manager or designee and be processed within the  
4 time limits set forth herein.

5 **ARTICLE 31: WAIVER CLAUSE**

6           **Section 31.1.** The parties acknowledge that each has had the unlimited right within the law  
7 and the opportunity to make demands and proposals with respect to any matter deemed a proper  
8 subject for collective bargaining. The results of the exercise of that right and opportunity are set forth  
9 in this Agreement. Therefore, the County and the signatory organization, for the duration of this  
10 Agreement, each agree to waive the right to oblige the other party to bargain with respect to any  
11 subject or matter not specifically referred to or covered in this Agreement.

12 **ARTICLE 32: WORK STOPPAGES**

13           **Section 32.1. No Work Stoppages.** The County and the Association agree that the public  
14 interest requires the efficient and uninterrupted performance of Department services and to this end  
15 pledge their best efforts to avoid or eliminate any conduct contrary to this objective. During the life  
16 of this Agreement, the Association or its members shall not cause or condone any work stoppage,  
17 strike, slow down or other interference with Department functions by employees under this  
18 Agreement, and should same occur, the Association agrees to take appropriate steps to end such  
19 interference. Employees covered by this Agreement who engage in any of the foregoing actions shall  
20 be subject to such disciplinary action as may be determined by the County; including but not limited  
21 to the recovery of any financial losses suffered by the County.

22           **Section 32.2. Association’s Responsibilities.** In the event, however, that there is a work  
23 stoppage or any other interference with Department functions which is not authorized by the  
24 Association, the County agrees that there shall be no liability on the part of the Association, its  
25 officers or representatives; provided that in the event of such unauthorized action they first meet the  
26 following conditions:

27                   **32.2.1.** Within not more than six (6) hours after the occurrence of any such  
28 unauthorized action, the Association shall publicly disavow the same by posting a notice on the

1 bulletin boards available in each Department work area, stating that such action is unauthorized by  
2 the Association.

3 **32.2.2.** The Association, its officers and representatives, will, in good faith, use every  
4 reasonable effort to terminate such unauthorized action.

5 **32.2.3.** The Association shall not question the unqualified right of the County to  
6 discipline or discharge employees engaging in or encouraging such action. It is understood that such  
7 action on the part of the County shall be final and binding upon the Association and its members and  
8 shall in no case be construed as a violation by the County of any provisions in this Agreement.

9 **ARTICLE 33: SAVINGS CLAUSE**

10 Should any part hereof or any provision herein contained be rendered or declared invalid by  
11 reason of any existing or subsequently enacted legislation or by any decree of a court of competent  
12 jurisdiction, such invalidation of such part or portion of this Contract shall not invalidate the  
13 remaining portions hereof; provided, however, upon such invalidation the parties agree to meet  
14 within thirty (30) calendar days and negotiate such parts or provisions affected. The remaining parts  
15 or provisions shall remain in full force and effect.

15 **ARTICLE 34: DEFINITIONS**

16 **Section 34.1 Terminology.** The terms used in this collective bargaining agreement shall have  
17 the same definitions specified in King County Code 3.12 Personnel System (KCC), and specifically  
18 3.12.010 Definitions, as amended. For illustrative purposes and to improve CBA administration, a  
19 few terms defined by KCC are excerpted below in PART A, but are not intended to modify the term  
20 definitions provided in KCC. PART B of this Article contains terms and definitions unique to this  
21 CBA.

22 ***PART A: KCC TERMS***

23 **Section 34.2 "Class" or "classification"** means a position or group of positions, established  
24 under authority of this chapter, sufficiently similar in respect to the duties, responsibilities and  
25 authority thereof, that the same descriptive title may be used to designate each position allocated to  
26 the class.

27 **Section 34.3 "Career service employee"** means a county employee appointed to a career  
28 service position as a result of the selection procedure provided for in King County Code, Chapter 3,

1 as amended, and who has completed the probationary period.

2           **Section 34.4 “Comprehensive Leave Benefit Eligible Employee”** is a new employment  
3 status term in KCC that includes full-time regular, part-time regular, provisional, probationary and  
4 term-limited temporary employees/positions. Excluded are employees in short-term temporary (STT)  
5 positions and administrative interns/positions. See KCC for specific definitions of these terms. This  
6 term was created, in part, to recognize that STTs are newly eligible to accrue sick leave in accordance  
7 with state law.

8           **Section 34.5 “Term-limited temporary employee”** means a temporary employee who is  
9 employed in a term-limited temporary position. Term-limited temporary employees are not members  
10 of the career service. Term-limited temporary employees may not be employed in term-limited  
11 temporary positions longer than three years beyond the date of hire, except that for grant-funded  
12 projects capital improvement projects and information systems technology projects the maximum  
13 period may be extended up to five years upon approval of the director. The director shall maintain a  
14 current list of all term-limited temporary employees by department.

15           **Section 34.6 “Short-term temporary employee”** means a temporary employee who in in a  
16 type of position in which a temporary employee works less than nine hundred ten hours in a calendar  
17 year in a work unit in which a thirty-five-hour work week is standard or less than one thousand forty  
18 hours in a calendar year in a work unit in which a forty-hour work week is standard. Where the  
19 standard work week falls between thirty-five and forty hours, the director, in consultation with the  
20 department, is responsible for determining what hour threshold will apply.

21 ***PART B: SPECIAL CBA TERMS***

22           **Section 34.7 Trial Service Period (“TSP”).** The County may initiate a TSP for an employee  
23 per Section 11.4 Lateral Voluntary Transfer and Article 29 Reduction in Force, Layoff, Recall.

24           The purpose of a TSP is to provide the employee with the opportunity to acquire knowledge,  
25 training and skills necessary to competently perform in a new position. The timeframe for a TSP  
26 shall be (6) months in duration, which may be waived early by the County if the employee  
27 demonstrates enough competency in the position. The County may end TSP if management  
28 objectively assesses that an employee is not demonstrating sufficient progress to be able to

1 competently perform the duties of the new position by the end of the TSP period. Likewise,  
2 employee may end the TSP if they determine the new position is not an appropriate match. Unlike  
3 probation, successful completion of a TSP does not result in a wage step increase.

4 **TSP in Layoff Recall Scenario.** If an employee is serving a TSP as a result of being recalled  
5 to a new position per Article 29.8, and County end the TSP for the reasons stated in the foregoing  
6 paragraph, the employee will be placed back in layoff recall status. In the event the employee does  
7 not complete TSP, the employee shall be placed back on the layoff recall list for the remainder of the  
8 duration of the employee’s initial two-year recall period, except all time spent in TSP status will be  
9 added to the layoff recall period. For example, assume employee is laid off January 2020. They are in  
10 layoff recall status for 6 months, and recalled June 2020, and must serve a (6) month TSP. Employee  
11 terminates TSP on August 2020 (3 months of TSP), and returns to layoff recall status. Employee will  
12 be eligible for layoff recall until March 2022 because their layoff recall period was extended by (3)  
13 months due to time spent in TSP.

14 **TSP in Voluntary Transfer Scenario.** If an employee is serving a TSP per a Lateral  
15 Voluntary Transfer (Article 11.5), and the employee or management terminate the TSP for the  
16 reasons stated above, the employee shall be moved back into their former position occupied prior to  
17 the transfer if the position is vacant and available. If their former position is not available, the  
18 employee may elect to move into any available vacancy that is in the same classification, same  
19 Division, and same program as their former position. If the employee is not qualified for any  
20 available vacancy above, the employee will be laid off and placed directly in layoff recall.

21 **ARTICLE 35: TERM OF AGREEMENT**

22 This Agreement (inclusive of all Addendums) shall become effective when enacted by  
23 Council through ordinance and shall not be retroactively applied, unless a different effective date is  
24 specified, and covers the period of January 1, 2023 through December 31, 2024. Written notice must  
25 be served by either party upon the other party of its intent to terminate or modify this Agreement not  
26 less than sixty (60) days prior to December 31, 2024.

2 **ADDENDUM B**

3 **NURSES ASSIGNED TO CHILDREN FAMILY JUSTICE CENTER (CFJC)**

4 King County (hereinafter the County) and Washington State Nurses Association (hereinafter  
5 the Association) agree that the collective bargaining agreement between the parties, covering nurses  
6 represented by the Association and employed by the Department of Public Health, Seattle and King  
7 County, shall be the agreement covering nurses represented by the Association and employed in the  
8 Department of Adult and Juvenile Detention, Juvenile Division, and assigned to CFJC. All the terms  
9 and conditions of the WSNA Staff Unit agreement will apply to nurses assigned to CFJC, except  
10 where described below in this Addendum B. It is also understood and agreed that rates of pay for  
11 nurses assigned to CFJC shall be listed in Addendum A indicated by “Juvenile” (e.g., Registered  
12 Nurse – Juvenile, or Public Health Nurse - Juvenile).

13 ***APPLICABLE PROVISIONS FOR JUVENILE DIVISION NURSES***

14 The following provisions apply only to employees in the Department of Adult and Juvenile  
15 Detention, Juvenile Division, assigned to CFJC.

16 **Section J.1.** The Association and management agree that flexible scheduling designed to  
17 consider both agency and employee needs is in the best interest of both parties. Responsibility for  
18 arranging, reporting and verifying hours worked is assigned as follows:

19 **J.1.1.** Operational requirements shall receive first consideration. The Master Work  
20 Schedule is maintained by management. If operationally necessary, revisions to the Master Work  
21 Schedule may be made on an annual basis. Employees may request to switch individual  
22 slots/patterns within the Master Work Schedule upon mutual agreement between the impacted  
23 employees and approved by management.

24 Nurses will have the option to trade days/shifts with one another within the work-week by  
25 mutual agreement between the impacted employees and approved by management, and provided the  
26 request to trade days/shifts is made at least seven (7) calendar days in advance of the shifts to be  
27 traded and the following conditions are met:

- 28 **i.** The schedule change does not result in any daily or weekly overtime;

1                   ii.       The minimum number of work hours per pay cycle is met; and  
2                   The County retains the right to adjust individual employee’s slots/patterns if the changes are  
3 to make reasonable accommodations as may be required under the Americans with Disabilities Act or  
4 to provide a limited period of close supervision and additional training.

5                   **J.1.2.** Management shall be responsible to insure adequate staffing to meet  
6 operational requirements. Part-time nurses may have their scheduled third day of the week (per the  
7 DAJD Master Work Schedule), which occurs every-other week, moved to another alternated day  
8 and/or shift to cover a scheduled vacancy. The alternate day and/or shift shall be scheduled with a  
9 minimum of 21 calendar days’ notice and shall occur within the same workweek (for FLSA weekly  
10 overtime purposes) and pay period in which that third day was originally scheduled.

11                   Part-time nurses who are scheduled to work 11:00 AM – 7:00 PM may be moved to an  
12 alternate day on either day shift or swing shift. Part-time nurses who work night shift may be moved  
13 to an alternate day on night shift.

14                   A nurse may request to decline an alternate shift day in writing if notice is provided at least  
15 (5) days after being informed of the schedule adjust. Nurses may decline no more than (3) three  
16 schedule adjusted days per year.

17                   Nothing in this provision shall interfere with scheduling in accordance with the DAJD Master  
18 Work Schedule, and as provided in J.1.1 above. In case of emergency, staff may be required upon  
19 short notice to work different shifts, or hours, or days, for the period of emergency only.

20                   **J.1.3. Holiday Staffing.** One RN will be authorized to work holiday shifts (as defined  
21 in Article 15 JHS Staff). If the scheduling of overlapping RNs falls on a holiday, the two RNs may  
22 request to take the holiday or work the holiday. If both RNs want to take the holiday, or both want to  
23 work the holiday, the decision will be made in accordance with seniority.

24                   **J.1.4.** In critical staffing situations, mandatory overtime shall be the last resort and comply  
25 with RCW 49.28.140. For purposes of this section, critical staffing levels occur, but are not limited  
26 to, situations when unscheduled vacancies occur within 24 hours of the shift in question. All unfilled  
27 shifts within the Master Schedule shall be filled by utilizing the following nurses listed below which  
28 shall be contacted as quickly as possible in the interest of filling the shift:

- 1 STT Nurse
- 2 Part-Time Nurse
- 3 Voluntary Nurse (Overtime/Combination)
- 4 Agency Nurse

5

6 The shift shall be filled by any of the above Nurses that commits to working first. In a  
7 mandatory overtime situation, if no nurse listed above has committed to working the shift, the  
8 existing staff working the shift shall prepare for mandatory overtime and shall be required to stay  
9 until relieved, except when doing so will result in the RN working more than 16 continuous hours.  
10 Notwithstanding the foregoing, RNs may be required to work more than 16 continuous hours in the  
11 event of an emergency and when expressly authorized by the Division Director, or designee.

12 **Section J.2.** Employees who unavoidably suffer a loss or damage to personal property while  
13 on duty shall have same repaired or replaced at County expense. Reimbursement for nonessential  
14 personal property shall not exceed one hundred and fifty dollars (\$150.00). Such claims are to be  
15 processed by the County immediately upon receipt of the claim from the employee.

16 **Section J.3. Professional Meetings.** For purposes of this section, professional meetings  
17 shall be defined as short term conferences for professional growth and development of the individual  
18 nurses, as related to their current duties and/or meetings and committee activities of the professional  
19 association at the national, state or district level which are designed to develop and promote the  
20 programs of the professional association in improving the quality and availability of nursing service  
21 and health care or training as defined by American Medical Association standards and/or American  
22 Nursing Association standards.

23 The Director of the Department of Adult and Juvenile Detention, Juvenile Division or  
24 designee may grant up to five (5) days at the nurse’s base salary or other higher wage rate as may be  
25 required by the provisions of the Fair Labor Standards Action (FLSA), for the purpose of attending  
26 professional meetings, as defined above, for regular full-time nurses and a pro-rated number of hours  
27 to regular part-time nurses.

**ELIMINATION OF MEAL SERVICE IN JAIL FACILITIES**

The Washington State Nurses Association (the Association) and King County (the County) agree that the Department of Adult and Juvenile Detention (DAJD) (at each of its Adult and Juvenile facilities) reserves the right to end meal service at its jail facilities when employees represented by the King County Corrections Guild no longer receive meal service pursuant to an agreement with the King County Corrections Guild. When a future date is identified that meal service will end, DAJD will provide available information to the Association at least ninety (90) days before implementation about the proposed upgrades to lunchroom facilities. The County and the Association will bargain over the upgrades upon request of the Association. When and if meal services are eliminated, the County will provide suitable microwaves, refrigerators, and vending machines with healthy meals.

**ADDENDUM D**  
**10-HOUR AND 12-HOUR SHIFTS**

**Agreement Regarding Reporting Time Worked Based on Actual Hours:**

1 Nursing staff working at the MRJC and KCCF will report their time and be paid for their time  
2 based on actual hours rather than projected hours beginning January 1, 2009.

3 **Additional Provisions:**

4 1. During the duration of this Alternative Schedule Agreement, including as it may be  
5 extended or regularly adopted, employees will not be permitted to switch days off or flex schedules  
6 as provided in Article 13.2.2 of the collective bargaining agreement. All patterns will remain fixed  
7 for the duration of this Agreement, subject to re-bid of patterns pursuant to Article 13.6.2, and as  
8 follows:

9 Temporary pattern changes will be allowed with the following restrictions:

10 a. Employees may temporarily switch patterns upon written agreement and  
11 management's approval.

12 b. Pattern changes will be for a minimum of two (2) months, unless otherwise  
13 authorized by the nurse's supervisor/manager.

14 c. Either employee may revoke this agreement at any time after the two-month  
15 period. Changes will occur at either the end of the workweek or pay period so as not to incur  
16 overtime.

17 d. In the event one of the employees vacates their pattern, the remaining  
18 partner reverts to their original pattern. The remaining pattern is put up for bid.

19 2. Employees will receive 8 hours of holiday compensation for each holiday identified in the  
20 collective bargaining agreement, and all remaining hours of a shift on a holiday must be accounted  
21 for by either working the hours, taking the hours as unpaid leave, or using accrued vacation leave to  
22 cover the additional hours.

23 3. Holiday definition: Jail Health Services staff, other than those scheduled to work Mondays  
24 through Fridays, observe holidays on the actual calendar day as provided above to begin at ten  
25 o'clock in the evening (10:00 p.m.) on the day preceding the calendar holiday and ending at ten  
26 o'clock in the evening (10:00 p.m.) on the day of the holiday.

27 4. Employees will receive 24 hours per year of bereavement leave, regardless of the length of  
28 the employee's shift.

5. Employees will receive 32 hours of Continuing Education Time regardless of the length of  
the employee's shift. All remaining hours of a shift for this time must be accounted for by taking the  
hours as unpaid leave or using accrued vacation leave to cover the additional hours.

**Shared Staffing**

**Purpose:**

The Shared Staffing model concept is designed to expand and improve patient access to staff and services In Public Health Center Programs across the Community Health Services, and help address the trend of declining patient visits, and support decentralized service delivery.

**Agreement:**

**1. Scope.** The terms of the Shared Staffing Agreement (the Agreement) shall apply to staff working in the Public Health Centers, which includes the Maternity Support Services/Infant Case Management (MSS/ICM), Family Planning/Sexual and Reproductive Health, and Primary Care. The parties agree the intent of the Agreements is to develop new staff employment rules regarding program staffing, transfers, and work schedule changes intended to supersede collective bargaining agreement provisions where conflict exists. The agreement applies to all WSNA classifications working in or supporting these programs in the Public Health centers.

**2. Implementation.**

**A. Check-Ins and Updates.** CHS or WSNA may request to meet to share information or discuss concerns. The County may also present necessary updates to Table B due to organizational changes or service delivery needs. Updated versions of Table B will first be shared with WSNA prior to implementation, and subject to further discussion if requested. WSNA may also request to impact bargain changes to Table B.

**B. Site orientation.** Each site will develop/streamline the process to orient and train staff new to their site. The orientation will ensure that staff badges are operational at the sister site, and that access to network, and any necessary software (e.g. EHR software) are operational. Further orientation may include site flow/layout, site-specific processes, location of client resources for site, and a designated point person for the first day on site to address any questions that might arise. The supervisor and manager will assure this training occurs, and does not become burdensome for individual staff. Reasonable time will be dedicated to ensure adequate time for such orientation. Re-orientations will be offered upon staff request and when Transfers are infrequent.

**3. Employee Worksite Transfers/Schedule Changes.**

1           **A. Tables.** The Transfer Table (Table A) shall provide the terms for worksite transfers and  
2 schedule changes. The Shared Staffing Configuration Table (Table B) shall provide definitions of the  
3 shared staffing regional groups (i.e., Sister Sites). The term “Transfer” is intended to include both  
4 work site changes, and possibly work\_schedule changes for purposes of this Agreement.

5           **B. Exclusions:** Probationary employees are excluded from Transfers under this Agreement.

6           **C. Transfer Frequency/Duration.** Transfers will occur in full workday increments, unless  
7 mutually agreed otherwise by staff and manager. Short-Term, Long-Term, and Permanent Transfers  
8 may or may not occur on consecutive days. Transfers may be certain days per week or occasional  
9 coverage (e.g., one day every other week).

10           **D. Next Day Transfers.** Management will consider employee circumstances (e.g.,  
11 childcare), in particular when issuing Next-Day Transfers, including schedule adjustments such as  
12 approval of employee flex time and change in length of lunch period.

13           **E. Travel Time.** Transfers shall require employees to direct report, with no pay for travel or  
14 mileage, except for Same Day Transfers. Travel time for Same Day Transfers shall be paid from  
15 home site to alternative work site and return to home site, unless otherwise agreed upon by the  
16 employee. Staff transferred Same Day may utilize a county car if available, or receive mileage  
17 reimbursement if using a personal vehicle.

18           **F. Part-Time Program Participants.** Staff participating in the CHS Part-Time  
19 Employment Program will maintain their day(s) off for Same Day, Next Day, Short-Term Transfers  
20 and Long-Term Transfers. Depending on need, Permanent Transfers may require revising status  
21 and/or day(s) off.

22           **G.** Transfers initiated under this agreement shall not be subject to Article 17 of Appendix  
23 60 and Article 11 of the WSNA Staff Collective Bargaining Agreement. (*This document supersedes*  
24 *transfer/schedule language in relevant CBAs.*)

25 **4. Transfer Selection Process.**

26  
27 When site Transfers are necessary, site management teams will follow the staffing coverage process  
28 below to determine who is available and who is capable to best meet the site needs given home site

1 workloads. Once it has been determined that Shared Staffing is necessary, management will engage  
2 with employees that may Transfer to join the discussion.

3           **A. The supervisor at the home site will be the supervisor of record during the**  
4 **Transfer.** Management will assess the type of appointments/clients or other work for which  
5 coverage is needed, which will inform what classification type of staff person is needed at the sister  
6 site (clinic receiving staff). Similarly, the type of appointments/clients/personnel at the home site  
7 (clinic sending staff), may inform what type of staff can be shared, and what type of staff need to  
8 remain at the home site. The following staffing process shall be used to meet coverage needs:

- 9
- 10           1. Float (Career Service and TLT)
  - 11           2. Voluntary Transfer – based on seniority
  - 12           3. Involuntary Transfer – rotating, based on inverse seniority
  - 13           4. Alternative staffing (e.g., STT float)

14           **a. Transfer List.** Each site shall maintain a log of employee transfers.

15           **b. Rotation.** All Involuntary Transfers shall result in the employee subject to Involuntary  
16 Transfer being rotated to the bottom of the rotation at the conclusion of their Transfer. If the staff  
17 member at the top of the rotation is on vacation or sick leave, they will be skipped, but remain on top  
18 of the rotation.

19           **c. Notice.** The supervisor/manager will send confirmation of the Transfer to the employee  
20 via email as the final step in the process. (See Table A.)

21           **d. Scheduled leaves.** No previously approved vacation or sick leave will be revoked due to a  
22 proposed Transfer, unless mutually agreed. No employee will be required to take vacation to account  
23 for a work hours scheduling deficit due to the Transfer.

24           **e. Staff Concerns with Transfer to a Particular Site.** If an employee has concerns about  
25 being transferred to a particular site, the staff member should immediately raise the concern with  
26 their Supervisor or Area Manager, who will take this into consideration.

**ADDENDUM G**  
**Longevity Steps Working Committee**

**Longevity Steps - Working Committee:** during the life of the CBA the parties will convene to study this issue for the purpose to trying to align the Employer’s wage schedule with industry standard steps. The result of this work is intended to become the foundation for the parties’ next contract negotiations.

3 **ADDENDUM H**

4 **Jail Relief Nurse position for Jail Health Services - One year pilot program**

5 **Background**

6 The County and WSNA recognize the difficulty of filling unexpected openings in the JHS  
7 schedules and are looking to create additional options to maintain uninterrupted staffing in those  
8 situations. The parties both aim to reduce the County’s use or reliance upon agency-supplied nurses.

9 Given the complexities within JHS scheduling and operations, the Parties agree to implement  
10 this jail relief nurse flexible pattern on a one-year trial basis. After one year they shall evaluate the  
11 effectiveness of the position and determine whether to continue, modify or eliminate this MOU.

12 Absent agreement this MOU concludes after one year as described below.

13 To that end the Parties agree as follows:

14  
15 **A. Jail Relief Nurse.** The County will create a new nurse flexible pattern for career service  
16 nurses titled Jail Relief Nurse within JHS (MRJC and KCCF).

- 17 1. **Number of Jail Relief Nurse flexible patterns** –The County may create up to 6.0  
18 FTE’s of JRN patterns total, allocated as the County chooses between day, evening  
19 and night, provided that Relief nurses shall not rotate from day to night or night to  
20 day. Relief nurses may rotate from day to evening or evening to night, and vice versa.

21  
22 **B. Purpose of Jail Relief Nurse.** The parties have created the JRN patterns to address the  
23 challenge of filling holes that occur in the JHS nurse schedule, while not encouraging the  
24 proliferation of new patterns. A JRN is a bid flexible pattern without a set pattern schedule.  
25 Instead the JRN’s schedule each month may vary depending on operational need. JRN’s are  
26 not exempt from working holidays or weekends.  
27  
28

1       Once a relief nurse bid has been awarded, a relief pattern nurse is not eligible to bid until they  
2 have worked at least three (3 ) months in their current pattern (measured from the first day of work in  
3 the new pattern).Absent agreement by the Parties to modify or extend this MOU, it will conclude  
4 after it has been in effect for one year. The one year shall commence starting on the first day of the  
5 month with a schedule containing a JRN flexible pattern.
