PREAMBLE

This Agreement is entered into by the State of Washington, referred to as the “Employer,” and a coalition of all of the exclusive bargaining representatives described in Appendix A, “Coalition Exclusive Bargaining Representatives,” who are subject to [RCW 41.80.010](#) and represent fewer than a total of five hundred (500) employees each, referred to as the “Union.”

If a new general government bargaining unit is certified by the Public Employment Relations Commission during the term of this Agreement and that exclusive bargaining representative represents fewer than a total of five hundred (500) employees, the terms of this Agreement will apply.

If a Coalition exclusive bargaining representative exceeds five hundred (500) members during the term of this Agreement, the Agreement will remain in full force and effect for that union until the expiration of the Agreement and negotiation of a successor Agreement.

ARTICLE 1 RECOGNITION CLAUSE

- 1.1** This Agreement covers the employees in the bargaining units described in Appendix A, "Bargaining Units Represented by the Coalition Exclusive Bargaining Representatives," but it does not cover any statutorily excluded positions or any positions excluded in Appendix A. The titles of the classifications listed in Appendix A are listed for descriptive purposes only.
- 1.2** If the Public Employment Relations Commission certifies a new bargaining unit in general government during the term of this Agreement and the exclusive bargaining representative represents fewer than a total of five hundred (500) employees, the terms of this Agreement will apply. The Employer agrees to enter into negotiations regarding mandatory subjects with the newly added group to discuss any bargaining unit specific concerns which are not addressed in this Agreement. The Employer shall provide copies of any agreement reached with that group to the remaining representatives.
- 1.3** The parties recognize that PERC has the exclusive authority to determine appropriate bargaining unit composition and exclusive representation.

ARTICLE 2 NON-DISCRIMINATION

- 2.1** Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, marital status, race, color, genetic information, creed, national origin, political affiliation, military status, status as a veteran who has received an honorable discharge or been discharged with an honorable record, a disabled veteran or Vietnam era veteran, sexual orientation, any real or perceived sensory, mental or physical disability, or union activities. Bona fide occupational qualifications based on the above traits do not violate this Article.
- 2.2** Both parties agree that unlawful harassment will not be tolerated, including disparate treatment and hostile work environment on the basis of any of the categories listed in section 2.1.
- 2.3** Employees who feel they have been the subjects of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with agency policy. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, the grievance process will be immediately suspended until the internal complaint process has been completed. Following completion of the internal complaint process, the Union may request the grievance process be continued. Such request must be made within seven (7) calendar days of the employee and the Union being notified in writing of the findings of the internal complaint.
- 2.4** Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

ARTICLE 3 BID SYSTEM

3.1 Applicability

- A. This Article applies only to employees in the Master, Mates & Pilots (MM&P), Washington State Nurses Association (WSNA), Union of Physicians of Washington (UPW), Washington State Patrol Communication Manager's Association (WSPCMA), Affiliated Washington Pharmacists (AWP), International Association of Fire Fighters (IAFF), Teamsters Enforcement Sergeants ([Section 3.15](#) only), and FWOG Enforcement Officers bargaining units (Section 3.15 only).
- B. This Article does not apply to the filling of non-permanent, on-call, project or career seasonal positions.
- C. The Employer will comply with the provisions of this Article prior to filling vacancies in accordance with [Article 4](#), Filling of Vacancies.

3.2 Definitions

For purposes of this Article only, the following definitions apply:

- A. Bid Positions
Positions filled as a result of a bid.
- B. Bid System
A process allowing employees with permanent status to submit bids to other positions within their employing institution in the same job classification in which they currently hold permanent status or to a lower classification within the bargaining unit for which they have previously held status. A permanent part-time employee will be eligible to bid for full-time positions after completing one thousand and forty (1,040) hours of employment within the job classification. A permanent full-time employee will be eligible to bid to a part-time position in the same job classification in which he/she currently holds permanent status or to a lower classification within the bargaining unit for which they have previously held status. Exceptions to these parameters are noted herein.
- C. Position
A particular combination of shifts and days off.

3.3 Components of a Bid

Bids shall indicate the employee's choice of shift, days off and job classification. Employees shall be responsible for the accuracy of their bids. Each bid shall remain active for a period of twelve (12) months from the date submitted by the employee.

3.4 Submittal, Withdrawal and Denial of Bids

Any bids submitted after the date a vacancy is considered to have occurred shall not be considered for that vacancy. Employees may withdraw their bids, in writing, at any time prior to the referral. An employee's bid request may be denied if the employee has documented attendance or performance problems or if he/she has not demonstrated he/she has the skills and abilities or licensing for that position as determined by Management.

A. MM&P

Bids will be submitted to the Marine Manager and upon receipt will be dated with a copy returned to the employee and the original maintained on file in the Marine Manager's Office.

B. IAFF

Bids will be submitted to the Fire Chief and upon receipt will be dated with a copy returned to the employee and the original maintained on file in the Fire Chief's Office.

C. WSNA

WSNA members may submit a bid during the first seven (7) days of the posting period.

3.5 New Positions or Reallocated Positions

When a new position is established or a current vacant position is changed, the Employer will post the position for seven (7) calendar days if the combination of shift and days off does not currently exist.

3.6 Vacancy

For purposes of this Article, a vacancy occurs when:

A. An employee notifies management, in writing, that he/she intends to vacate his/her position; or

B. Management notifies an employee, in writing, that the employee will be removed from his/her position.

C. Masters, Mates and Pilots:

A position's assigned day(s) off change by one (1) or more days, or shift hours change by more than two (2) hours. In these cases, if the position is filled at the time of the change, the incumbent may elect to remain in the position. If the incumbent elects not to remain in the position, he/she may elect to assume a position currently occupied by an employee with less seniority than themselves within the same job classification providing they have demonstrated the skills and abilities or licensing for that position as determined by Management. This process shall continue until all bargaining unit positions are filled.

- 3.7 Awarding a Bid for Washington State Nurses Association (WSNA)**
When a permanent vacancy occurs, the Employer shall determine if any employee has submitted a bid request for the shift and days off. Seniority shall prevail provided the employee has the skills and abilities necessary to perform the duties of the position.
- 3.8 Awarding a Bid for Masters, Mates and Pilots (MM&P)**
When a permanent vacancy occurs, the Employer shall determine if any employee has submitted a bid request for the shift and days off. Seniority within the Marine Department shall prevail provided the employee has the skills and abilities necessary to perform the duties of the position.
- 3.9 Awarding a Bid for Union of Physicians of Washington (UPW)**
When a permanent vacancy occurs, the Employer shall determine if any physician has submitted a bid for that particular opening. Management shall consider all bids according to seniority provided the physician has the skills and abilities necessary to perform the duties of the opening. Each senior physician considered, but not appointed, shall be notified in writing of the reasons why he/she was not appointed.
- 3.10 Awarding a Bid for Washington State Patrol Communication Manager's Association (WSPCMA)**
When a permanent vacancy occurs, the Employer shall determine if any Communication Officer Manager (CO 4) has submitted a transfer request for that particular position. Management shall consider all requests in order of receipt provided the employee has the skills and abilities necessary to perform the duties of the position. Each employee considered, but not appointed, shall be notified in writing of the reasons why he/she was not appointed.
- 3.11 Awarding a Bid for International Association of Firefighters (IAFF)**
When a permanent vacancy occurs, with the exception of position WV98 (working title Assistant Fire Chief), the Employer shall determine if any employee has submitted a bid request for the shift. Seniority within the Fire Dept shall prevail.
- 3.12 Awarding a Bid for Affiliated Washington Pharmacists (AWP)**
When a permanent vacancy occurs, the Employer shall determine if any pharmacist has submitted a bid for that particular opening. Management shall consider all bids according to seniority provided the pharmacist has the skills and abilities necessary to perform the duties of the opening. Each senior pharmacist considered, but not appointed, shall be notified in writing of the reasons why he/she was not appointed.
- 3.13 Commitment Following an Award or Employee Refusal of a Bid**
When an employee has been awarded a bid, or refuses an awarded bid, the employee will be prohibited from requesting other bids for a minimum of six (6) months. The six (6) month period will begin on the first day the employee is

assigned the new shift and/or days off. All other active bids the employee has on file will be removed from the bid system.

3.14 Reassignment from a Bid Position

Nothing in this Article shall preclude management's right to reassign an employee from his/her bid position to another position on a different shift or to a position with different days off, provided the employee is notified, in writing, of the reason(s) for the reassignment. Employees may request a reassignment into a position regardless of bid eligibility status.

3.15 Department of Fish and Wildlife – Enforcement Division Sergeants and Officers

A. Openings will be posted via department intranet and e-mail for a period of not less than fourteen (14) calendar days. Eligible employees may bid on openings during the posting period. Eligible employees are defined as those who hold permanent status in the level of the bid position. Employees without permanent status in the level of the bid position may bid only: (a) when there are no permanent status bids, and (b) when it is deemed beneficial to the program by the Chief.

B. If a new or vacant position is to be filled, time in grade will prevail provided the employee has the basic skills and abilities necessary to perform the duties of the specific position. Time in grade includes all non-permanent, probationary, trial service and permanent time in the employee's job classification within the Department of Fisheries, Department of Game/Wildlife, and Department of Fish and Wildlife.

An employee's bid request may be turned down if the employee has had documented performance problems of an on-going nature within the past two (2) years.

C. Employees who are awarded a bid will fill the position thirty (30) calendar days following the notification of selection. Sergeants will be paid travel in accordance with [Article 22](#), Travel, with prior written approval by the Chief or designee.

D. Employees will have a ninety (90) calendar day period to establish a permanent residence after filling the bid.

Sergeants must establish a permanent residence within thirty five (35) miles of the detachment office and within their assigned detachment boundaries. In the event the Department relocates a detachment office that increases the mileage from a Sergeant's current residence, the Sergeant will not be required to relocate. In the event the Department has not established a detachment office, a Sergeant may use his/her residence as the office. The Department shall establish a clearly defined geographical area within which a Sergeant must establish a permanent residence.

Officers must establish a permanent residence within twenty (20) miles of the legal boundary of the city and within the boundaries of the detachment as designated by the Department during the bid process. The Chief or designee will select a city or town from which the mile limit will be measured. The Employer will not pay for any moving expenses related to employee requested moves.

E. Permanent residence is defined as where an employee physically lives or physically resides. The methods normally used to determine residency will be as follows:

1. Mailing address;
2. Utility and service bills;
3. Residence, rental or ownership agreement; and
4. Telephone number.

F. The parties agree that the permanent residence will be the official duty station.

G. Employees Assigned to Headquarters

For employees assigned to headquarters, Natural Resource Building, 1111 Washington Street SE, Olympia, WA, commute time will not be considered work time unless the time is part of a response to an enforcement action taken diving to or from headquarters.

H. Hardship Transfers

For purposes of this Article, a hardship transfer is defined as a medical or safety-threatening situation causing specific loss or suffering to an employee or the employee's spouse, children, parents, or spouse's parents. This provision includes stepchildren and stepparents. Employees who have a hardship may request a hardship transfer to a vacant or new position. Requests for hardship will be submitted to the Union. Those supported by the Union will be forwarded with a written record of support, including the original employee request and all supporting documentation, to the Appointing Authority/Chief for consideration. The Appointing Authority/Chief's decision on the request for a hardship transfer will be final and is not subject to the grievance procedure.

I. Measuring Distance for Residency Compliance

The employee's reversion right will be to the job classification that the employee held permanent status in prior to

his/her in-training appointment, in accordance with [Subsection 5.5 B](#) of this Article.

4. A trial service period may be required for each level of the in-training appointment, or the entire in-training appointment may be designated as the trial service period. The Employer will determine the length of the trial service period or periods to be served by an employee in an in-training appointment.

Employees will serve a trial service period upon transfer, voluntary demotion, or promotion to a non-project position in a job classification that the employees have not previously attained permanent status in.
 4. When the Employer converts a project appointment into a permanent appointment, the employee will serve a probationary or

2. The Employer may separate a probationary employee at any time during the probationary period. The employer will provide the employee five (5) working days' notice prior to the effective date of the separation. The day that notification is given is considered the first day of notice. If the Employer fails to provide five (5) working days' notice, the separation will stand and the employee will be entitled to payment of salary for up to five (5) working days, which the employee would have worked had notice been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status. The separation of the probationary employee will not be subject to the grievance procedure in Article 31.

3. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) or hours rounded to equivalent days that the employee is on leave without pay, sick leave or shared leave, except for leave taken for military service.

The length of the new probationary period may be adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than as defined in Subsection A.1, above.
5. If the Employer converts the status of a non-permanent appointment to a permanent appointment, the incumbent employee will serve a probationary period. However, the Employer may credit time worked in a non-permanent appointment toward completion of a probationary period within the same job classification.

B. Trial Service Period

1. Except for those employees in an in-training appointment, all other employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of six (6) consecutive months. The Employer may extend the trial service period to no more than twelve (12) consecutive months, provided the employee is given written, performance based reasons for the extension. 2. Any employee serving a trial service period will have his/her trial service period extended, on a day-for-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service.
3. An employee serving a trial service period may voluntarily revert to his/her former position within fifteen (15) days of the appointment, provided that the position has not been filled or an offer has not been made to an applicant. With the Appointing Authority's approval, an employee serving a trial service period may voluntarily revert at any time to a funded permanent position in the same agency that is:
 - a. Vacant or filled by a non-permanent employee and is within the employee's previously held job classification.

- b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will be determined by the Employer using the order listed above. In both (a) and (b) above, the Employer will determine the position the employee may revert to and the employee must have the skills and abilities required for the position.

- 4. With a minimum three (3) days written notice by the Employer, an employee who does not successfully complete his/her trial service period has the right to revert to a position, if available, in the same agency that is:

If the need arises, the reviewer (typically the second line supervisor) may function as a mediator upon the request of either the supervisor or the employee. The employee has the right to submit a written rebuttal to the content of the evaluation. The completed and signed/acknowledged performance evaluation forms, including the employee's comments, will be maintained in the employee's personnel file.
- C. To recognize employee accomplishments and address performance issues in a timely manner, discussions between the employee and supervisor will occur throughout the evaluation period. Performance problems will be brought to the attention of the employee to give the employee the opportunity to correct the behavior. Such discussions will be documented in the supervisor's file. Nothing in this section is intended to limit the ability of the Employer to take corrective or disciplinary action pursuant to the terms of Article 30 herein.

- C. Personal holidays must be taken during the calendar year or the entitlement to the day will lapse, except that the entitlement will carry over to the following year when an otherwise qualified employee has requested a personal holiday and the request has been denied.
- D. Agencies may establish qualifying policies for determining which of the requests for a particular date will or will not be granted when the number of requests for a personal holiday would impair operational necessity. Failure to do so cannot be used as the basis for denial of time off.
- E. Part-time employees who are employed during the month in which the personal holiday is taken will be compensated for the personal holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.

- F. A personal holiday for full-time employees will be equivalent to their work shift on the day selected for personal holiday absence.
- G. Part or all of a personal holiday may be donated as shared leave in accordance with [Article 14](#), Shared Leave. Any portion of a personal holiday that remains will be taken by the employee in one absence, not to exceed the work shift on the day of the absence, subject to the request and approval as described in Subsections B, C and D above.

- B. Employees may request vacation leave at any time on a first come, first served basis; however, posted vacation schedules shall take precedence.
- C. Employees will not request or be authorized to take scheduled vacation leave if they will not have accrued sufficient vacation leave credits to cover the absence at the time of the scheduled leave.

12.6 Vacation Scheduling for Masters, Mates and Pilots

- A. This Section applies to all leave that has been requested and approved in advance of the planned absence.
- B. A chart will be posted on November 15th of each calendar year that indicates the number of employees within each job classification who may be approved scheduled leave for a given period of time. This chart will be posted in a readily accessible area by classification and shall remain posted until January 1st.
- C. Vacations will be scheduled within the limitations of the available relief allocated for each shift. Beginning January 2nd of each calendar year, employees who desire to take their vacation at a specific period of time shall be scheduled a time, based on the longest period of time in grade in the Masters, Mates and Pilots bargaining unit, to request and may be awarded up to three (3) segments of vacations during the time period of April 1st through March 31st.

A “segment” is one (1) day or more contiguous days of vacation leave. Off-shift times to select a vacation shall not be considered as “time worked” for purposes of computing callback or overtime. If an employee is unable to be present during their scheduled time, they may make their choice by telephone or another individual with written documentation of designation may select a vacation segment(s) for the employee.

If an employee fails to select their vacation during his/her assigned time, Management may proceed with scheduling. The employee will be provided an opportunity to select his/her segment(s) from the remaining available dates at a later date when he/she is available. Management will not approve a vacation leave segment when it is known the employee will not have accrued sufficient vacation leave for the segment of time. Local Management will publish the vacation schedule by March 1st.

- D. Nothing in the above paragraphs shall preclude the right of an employee to request vacation leave at any time. Management shall consider said request in relation to program needs and the existing published vacation schedule, both of which take precedence. Any conflicts between two (2) or more employees’ vacation requests, other than those on the above referenced vacation schedule, shall be resolved on a first come, first served basis.
- E. No employee on approved vacation leave shall be required to return to his/her place of employment until the scheduled leave has ended, except in an emergency situation.
- F. Management acknowledges that canceling an employee’s approved vacation segment is an extraordinary action and will not do so if other qualified staff within the same job classification is available, on an

overtime basis or otherwise. Each employee will be granted vacation for the time stipulated on the vacation schedule, except that Management with reasonable notice, may cancel or otherwise adjust vacation periods when it is determined the program of the Agency will be adversely impacted by the employee being absent from duty. Employees, whose leave has been cancelled or adjusted, shall be allowed to request alternative leave dates pursuant to this Section.

- G. Accrued vacation time, not to exceed two (2) shifts in any calendar year, shall be granted to an employee with thirty (30) calendar days' written notification by the employee. Such time off must normally be granted provided:
 - 1. Such leave shall be used in increments of not less than one (1) shift.
 - 2. Supervisory denials of the use of such leave are subject to the review of the Superintendent at the employee's written request.
- H. Employee-requested cancellations of any portion of an approved segment to the annual vacation schedule must be submitted in writing no later than fifteen (15) calendar days in advance of his/her scheduled vacation except in bona fide emergencies. The request is subject to approval by Management, but will not be unreasonably withheld.

Such requests must be submitted no later than January 1st. The Employer will compile and post an approved vacation leave schedule. Employees on this schedule will have priority and will be granted vacation leave at times specified, if possible.
- B. Employees will be granted no more than four (4) segments during the annual vacation scheduling process. In the event that two (2) or more employees request the same vacation period and the supervisor must limit the number of people who may take vacation leave at one time due to business needs and work requirements, preference will be determined by seniority. A "segment" is three (3) or more contiguous days of vacation leave.
- C. Employees may request additional vacation leave at any time on a first come, first served basis; however, the posted vacation schedule shall take precedence. The Employer will normally respond to all such requests within fourteen (14) days of the request.

12.8 Vacation Scheduling for All Other Employees

- A. Employees who desire to take vacation leave at a specific period of time will submit their requests to their supervisor prior to December 15th for the following calendar year. Employees will be granted their requested period of leave by bargaining unit seniority in so far as possible. The supervisor will compile and post the schedule by January 15th. Should Management be required to cancel previously scheduled annual leave due to an emergency, employees so affected will be given top priority for rescheduling. Employees may request additional vacation leave at any time on a first come, first served basis; however, the posted vacation schedule shall take precedence. The Employer will normally respond to all such requests within fourteen (14) days of the request.
- B. An employee who is reassigned or bumped to a new position due to a layoff action will retain his/her approved vacation schedule.

- B. Employee Initiated
Employee requested cancellations of scheduled vacation leave must be submitted in writing and is subject to prior approval by the Employer.

12.13 Vacation Leave Maximum

Employees may accumulate maximum vacation balances not to exceed two hundred forty (240) hours. However, there are two (2) exceptions that allow vacation leave to accumulate above the maximum:

- A. If an employee's request for vacation leave is denied by the Appointing Authority or designee, and the employee has not exceeded the vacation leave maximum two hundred forty (240) hours, the Appointing Authority may grant an exception to the maximum. If the Appointing Authority grants an exception, the employee's vacation leave maximum will be extended for each month that the Employer must defer the employee's request for vacation leave.
- B. An employee may also accumulate vacation leave days in excess of two hundred forty (240) hours as long as the employee uses the excess balance prior to his/her anniversary date. Any leave in excess of the maximum that is not deferred in advance of its accrual as described above, will be lost on the employee's anniversary date.

12.14 Separation

Any employee, who resigns with adequate notice, retires, is laid-off, or is terminated by the Employer, will be entitled to payment for vacation leave credits. In addition, the estate of a deceased employee will be entitled to payment for vacation leave credits.

An employee may be denied the ability to use compensatory time, exchange time, personal holiday, personal leave day or vacation leave for sick leave purposes if the employee has documented attendance problems. All compensatory time, exchange time, personal holiday, personal leave day or vacation leave requests for sick leave purposes will indicate that

compensatory time, exchange time, personal holiday, personal leave day or vacation leave is being requested in lieu of sick leave. For full-time employees, a personal holiday must be used in full shift increments. For part-time employees the use of a personal holiday for sick leave purposes will be calculated in accordance with section 11.3 E.

13.4 Restoration of Vacation Leave

In the event an employee is injured or becomes ill while on vacation leave, the employee may submit a written request to use sick leave and have the equivalent amount of vacation leave restored. The supervisor may require a written medical certificate.

13.5 Sick Leave Reporting and Verification

An employee must promptly notify his/her supervisor on the first day of sick leave and each day after, unless there is mutual agreement to do otherwise. If the employee is in a position where a relief replacement is necessary, the employee will notify his/her supervisor at least two (2) hours prior to his/her scheduled time to report to work (excluding leave taken in accordance with the Domestic Violence Leave). If the Employer suspects abuse, the Employer may require a written medical certificate for that sick leave absence. All converted hours will be deducted from the employee's sick leave balance.

13.7 Carry Forward and Transfer

Employees will be allowed to carry forward, from year to year of service, any unused sick leave allowed under this provision, and will retain and carry forward any unused sick leave accumulated prior to the effective date of this Agreement. When an employee moves from one state agency to another, regardless of status,

the employee's accrued sick leave will be transferred to the new agency for the employee's use.

13.8 Sick Leave Separation Cash Out

At the time of retirement from state service or at death, an eligible employee or the employee's estate will receive cash for his/her total sick leave balance on a one (1) hour for four (4) hours basis. 1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child;
 2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;

Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner in accordance with the WFLA will not be counted towards the twelve (12) weeks of FMLA.
 4. Family medical leave for a qualifying exigency when the employee's spouse, state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), child of any age, or parent is on active duty or call to active duty status of the Reserves or National Guard for deployment to a foreign country. Reasonable suspicion testing for alcohol, marijuana or controlled substances may be directed by the Employer for any employee when there is reason to suspect that alcohol, marijuana or controlled substance usage may be adversely affecting the employee's job performance or that the employee may present a danger to the physical safety of the employee or others. Specific objective grounds must be stated in writing that support the reasonable suspicion.

Referral for testing will be made on the basis of specific written objective grounds documented by a supervisor who has completed the training on detecting the signs/symptoms of being affected by controlled substances, marijuana, and/or alcohol.
- C. Testing
 - 1. When reasonable suspicion exists, employees must submit to alcohol, marijuana, and/or controlled substance testing when required by the Employer. A refusal to test is considered the same as a positive test. When an employee is referred for testing, he/she will be removed immediately from duty and transported to the collection site. The cost of reasonable suspicion testing, including the employee's salary will be paid by the Employer.

2. Testing will be conducted in such a way to ensure maximum accuracy and reliability by using the techniques, chain of custody procedures, equipment and laboratory facilities, which have been approved by the U.S. Department of Health and Human Services. This may include consideration of hazardous inclement weather, extraordinary number of hours worked, the nature of the work required, and/or other travel-related circumstances which could threaten the safety of the employee.

- 22.2** Employees shall be notified upon hire of the necessity to use their personal vehicle for state business, if such use is on a regular/frequent basis. ARTICLE 27

- 27.2 Agencies may provide commute trip reduction incentives consistent with agency policies and within available resources.
- 27.3 Pursuant to Executive Order 14-02, the Employer may allow employees to work from home in order to reduce their commute by one or more days a week if the employer determines that their position and work is conducive to a work from home agreement. Upon proof of purchase, Management will reimburse each Master on a quarterly basis, one hundred twenty-five dollars (\$125.00).

ARTICLE 30

DISCIPLINE

30.1 Just Cause

The Employer will not discipline any permanent employee without just cause.

30.2 Employee Privacy

When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.

30.3 Forms of Discipline

Discipline includes oral and written reprimands, reduction in pay, suspension, demotion, and discharge.

30.4 Investigative Process

- A. The Employer has the authority to determine the method and develop appropriate guidelines for conducting investigations and notify the Union of those guidelines.
- B. Upon written request of the Union, if an investigation lasts longer than sixty (60) days from the date the employee was notified of the investigation, the Employer will notify the Union of the current status of the investigation (for example: interviews pending, drafting of investigative report, waiting for analysis of data) and the Employer will provide an anticipated timeframe for completion. The Employer will provide its response to the Union's request for the current status of the investigation at least ten (10) days from the date of request by the union. However, in the event the Employer does not respond to the Union's request for a status of the investigation within ten (10) days, the failure to meet this timeframe will not be a basis for challenging the disciplinary action or precluding admissibility of evidence.
- C. At the conclusion of any investigation where the Employer elects not to take disciplinary action, the employee will be provided with a notification when the investigation is completed and that no discipline will be imposed.

30.5 Investigatory Interviews

- A. The Employer will notify the employee in advance of an investigatory interview and the nature of the interview.
- B. Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. The role of the representative is to provide assistance and counsel to the employee, rather than serve as an adversary to the investigator. The exercise of rights in this Article must not interfere with the Employer's right to conduct the investigation.
- C. Employees have a duty to cooperate with an Agency investigation. Employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington and this collective bargaining agreement.

D. The Employer will allow a reasonable break for an employee participating in an investigatory interview.

30.6 Alternative Assignments

An employee placed on an alternate assignment during an investigation will be informed of the general reason(s) for the alternative assignment, unless it would compromise the integrity of the investigation, and will not be prohibited from contacting his or her union representative unless there is a conflict of interest, in which case the employee may contact another union representative. This does not preclude the Employer from restricting an employee's access to agency premises. Upon completion of the investigation process(es), the employee will be notified.

30.7 Pre-Disciplinary Meetings

Prior to imposing discipline, except oral or written reprimands, the Employer will offer the opportunity to schedule a pre-disciplinary meeting with the employee. Five (5) days prior to the pre-disciplinary meeting, the Employer will inform the employee and the Union of the reasons for the contemplated discipline and an explanation of the evidence and copies of written documents relied upon to take the action. Employees may request a shorter timeframe for the pre-disciplinary meeting. The employee will be provided an opportunity to respond in writing or in person.

30.8 Notice Prior to Reduction in Pay or Demotion

The Employer will provide an employee with fifteen (15) calendar days written notice prior to the effective date of the reduction in pay or demotion.

30.9 Ability to Grieve Specific Discipline

The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in [Article 31](#). Oral reprimands, however, may only be processed through the Agency Head step of the grievance procedure.

30.10 Copy of Disciplinary Action Provided to Union

Copies of disciplinary actions, except for oral reprimands, will be sent to the Union at the time it is given to the employee.

**ARTICLE 31
GRIEVANCE PROCEDURE**

31.1 The purpose of this Article is to provide for an orderly method of resolving disputes over the provisions of this Agreement. Whenever possible, disputes should be resolved informally, at the lowest level. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

31.2 Terms and Requirements

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been an act that violates this Agreement which occurred during

the term of this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees.

C. Computation of Time

Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance must include the following information:

1. The nature of the grievance;
2. All pertinent facts or issues, including date of occurrence, upon which the grievance is based;
3. The specific article and section of the Agreement violated;
4. The specific remedy requested; and
5. The name and signature of the grievant(s) or the Union representative.

F. Modifications

No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

- I. Resubmission
If terminated, resolved or withdrawn, a grievance cannot be resubmitted.
- J. Pay
Grievants will not lose pay for attending grievance meetings or arbitration hearings held during their work time. Grievants will not be paid for meetings held during their off-duty time.
- K. Consolidation
The Employer may consolidate grievances arising out of the same set of facts.
- L. Bypass
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- M. Discipline
Disciplinary grievances will be initiated at the level at which the disputed action was taken.

31.3 Filing and Processing

- A. Filing
A grievance must be filed within fifteen (15) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.

The employee may first discuss the issue with the immediate supervisor in an attempt to informally resolve the issue. The employee may elect to have a union representative or union steward present.

Even when informal discussions occur, the written grievance must be filed no later than the fifteen (15) days described above.
- B. Alternative Resolution Methods
Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.
- C. Processing
Step 1: Responsible Supervisor, Manager or Designee:
If the issue is not resolved informally, the Union may file a written grievance with the employee's supervisor or designee with a copy to the Human Resources Office, within the fifteen (15) day period described above. The Employer will designate a responsible supervisor, manager or designee who will, upon agreement of the parties, meet or confer by telephone with a union steward and/or staff representative and the grievant

within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within fifteen (15) days after the meeting. If the parties cannot agree on the meeting process, the Union may move the grievance to Step 2 of the grievance procedure.

Note: The Departments of Fish and Wildlife, Department of Corrections, Social and Health Services, Enterprise Services, Liquor Control Board and the Washington State Patrol will bypass Step 1.

Step 2: Appointing Authority or Designee:

If the grievance is not resolved at Step 1, the Union may move it to Step 2 by filing the written grievance, with the Appointing Authority or designee, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 1 decision.

For agencies bypassing Step 1: If the issue is not resolved informally, the Union may file a written grievance with the employee's Appointing Authority or designee, with a copy to the Human Resources Office within the fifteen (15) day period described in 31.3 A.

In either case, the Appointing Authority or designee will meet (or if mutually agreeable confer by telephone), with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal and will respond in writing to the Union within fifteen (15) days after the meeting.

Step 3: Agency Head or Designee:

If the grievance is not resolved at Step 2, the Union may move it to Step 3 by filing the written grievance with the Agency Head, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 2 decision. Upon agreement of the parties, the Agency Head or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the Step 2 decision. Management will provide a written response to the Union within fifteen (15) days after the meeting and if the remedies are denied the response will include an explanation.

Note: If the Agency Head is the only Appointing Authority for the Agency, Step 3 will be bypassed.

Step 4: Mediation or Pre-Arbitration Review Meeting:

If the grievance is not resolved at Step 3, the Union may either file a request for mediation with Public Employment Relations Commission (PERC) or file a demand for arbitration with a copy of the grievance and all responses attached.

A. Request for Mediation

The Union may choose to file a request for mediation with PERC in accordance with WAC 391-55-020, with a copy to State Human Resources, Labor Relations (SHR/LR) at the email address labor.relations@ofm.wa.gov and the agency's Human Resources Office within fifteen (15) days of receipt of the Step 3 decision.

B. Request for Pre-Arbitration Review Meeting (PARM)

As an alternative to requesting mediation, the Union may request a PARM. The PARM shall be filed with the State Human Resources, Labor Relations (SHR/LR) at the email address labor.relations@ofm.wa.gov and the Agency's Human Resource Office within fifteen (15) days of the Union's receipt of the Step 3 decision. Within fifteen (15) days of the receipt of the arbitration demand, the SHR/LR will either:

1. Schedule a pre-arbitration review meeting with the SHR/LR Assistant Director or designee, an agency representative, and the Union's representative to review and attempt to settle the dispute. If the matter is not resolved in this pre-arbitration review, within fifteen (15) days of the meeting, the Union may file a demand to arbitrate the dispute with the American Arbitration Association (AAA), Federal Mediation and Conciliation Service (FMCS), or through a mutually agreed upon list of arbitrators, or
2. Notify the Union in writing that no pre-arbitration review meeting will be scheduled. Within fifteen (15) days of receipt of this notice, the Union may file a demand to arbitrate the matter with the AAA, FMCS, or through a mutually agreed upon list of arbitrators.

Step 5: Arbitration:

Filing Demand to Arbitrate

If the grievance is not resolved at Step 4, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the appropriate organization within fifteen (15) days of the mediation session or PARM.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names from the list of arbitrators, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing.

D. Authority of the Arbitrator

1. The arbitrator will:
 - a. Have no authority to add to, subtract from, or modify any of the provisions of this Agreement;
 - b. Be limited in his/her decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;

Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when leave without pay is taken for:

Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with [Article 35](#), Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff and are reemployed within three (3) years of their separation date will not be considered to have a break in service.

- B. For the purposes of layoffs and recall, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse, or surviving state registered domestic partners as defined by [RCW 26.60.020](#) and [26.60.030](#), as provided for in RCW 41.06.133.

- C. Reduction in the work year,
- D. Reduction in the number of work hours.

35.2 The Agency will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article Thirty (30) calendar days prior to any layoff, with the exception of those resulting from [subsection 35.6](#) below, each affected Agency will notify its respective union of its intent to lay off bargaining unit members. This notice shall include: the anticipated position(s) to be eliminated; an electronic list of the seniority of all bargaining unit employees including employee's job class and program; and a list of all known vacancies.

35.3 Basis for Layoff

Layoffs may occur for any of the following reasons:

- A. Lack of funds
- B. Lack of work
- C. Good faith reorganization
- D. Ineligibility to continue in a position that was reallocated
- E. Termination of a project
- F. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

35.4 Voluntary Layoff, Leave Without Pay or Reduction in Hours

Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce his/her hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted leave without pay and/or reduction in hours based on seniority if all staffing needs are equal. Employees who volunteer to be laid off may request to participate in the General Government Transition Pool Program and/or have their names placed on the internal layoff list for the job classifications in which they held permanent status.

35.5 Permanent, Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

35.6 Temporary Reduction of Work Hours or Layoff – Agency Option

 - 1. Be paid any leave balance;
 - 2. Bump to any other position; or
 - 3. Be placed on the internal layoff list.
- D. A temporary reduction of work hours or layoff will not affect an employee's periodic increment date and the employee will continue to accrue vacation and sick leave credit at their normal rate.

35.7 Layoff Units

- A. A layoff unit is defined as the geographical entity or administrative/organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in Appendix B, Layoff Units.

35.8 Skills and Abilities

Skills and abilities are documented criteria found in license/certification requirements, federal and state requirements, position descriptions, bona fide occupational qualifications approved by the Human Rights Commission or recruitment announcements that have been identified prior to the layoff.

For the purposes of layoff, the Agency will use the most current completed position description form (reviewed, approved and signed by the appropriate chain of command) as the primary basis for determining the skills and abilities necessary to perform the duties of the position. Agencies will ensure that position

description forms accurately reflect the job duties of the position. The union may challenge the use of any PDF within the bargaining unit that shows a significant change in the required skills and abilities for the position within three months of the layoff notice.

35.9 Formal Options

- A. Employees will be laid off in accordance with seniority, as defined in [Article 34](#), Seniority, among the group of employees with the required skills and abilities as defined in [Section 35.8](#) of this Article. The Agency will determine if the employee possesses the required skills and abilities for the position. Employees being laid off will be provided an option to a comparable position in descending order within the layoff unit. Once an option as described in 1 – 3 below is available and offered, no further formal option will be provided.
1. A funded vacant position for which the employee has the skills and abilities, within his/her current job classification. If there are multiple funded vacancies within the layoff unit, the employee(s) will be afforded a choice of vacancies according to seniority and the required skills and abilities.
 2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within his/her current job classification.
 3. A funded vacant position or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as his/her current permanent position, within a job classification in which the employee has held permanent status, or, at the employee's written request, to a lower classification within his or her current job classification series even if the employee has not held permanent status in the lower job classification.
- B. For multi-employee layoffs, more than one (1) employee may be offered the same funded, vacant or filled position. In this case, the most senior employee with the skills and abilities who accepts the position will be appointed. Appointments will be made in descending order of seniority of the employees with the skills and abilities of the position(s).
- C. If a job classification in which an employee has previously held status has been abolished or revised, a cross-walk to the class series will be used to identify layoff options. The employee must have the skills and abilities of any identified positions(s).

Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions.

35.10 Informal Options

An employee being laid off may be offered a funded vacant position to job classifications he/she has not held permanent status within his/her layoff unit provided the employee meets the skills and abilities required of the position and it is at the same or lower salary range as the position in which the employee currently holds permanent status. The Agency will determine if the employee possesses the required skills and abilities for the position.

An employee may request an informal option to job classifications through the agency's Human Resources Office within five (5) calendar days of receipt of a written notice of a permanent layoff. The award or denial of an informal option is not subject to the grievance procedure.

35.11 Notification to Employees With Permanent Status

- A. Except for temporary reduction in work hours and temporary layoffs as provided in Section 31.5, employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. The notice will include the basis for the layoff and any options available to the employee. The Union/Association will be provided with a copy of the notice at the same time the employee is notified.
- B. Except for temporary reduction in work hours and temporary layoffs as provided in Section 31.5, if the agency chooses to implement a layoff action without providing fifteen (15) calendar days notice, the employee will be paid his/her salary for the days that he/she would have worked had full notice been given.
- C. Employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the agency to the employee.
- D. The day that notification is given constitutes the first day of notice.

35.12 Moving Expenses

An employee whose layoff option requires an increase of thirty-five (35) additional commute miles and who chooses to move the permanent residence to reduce the commute will be entitled to reimbursement of moving expenses as defined in OFM regulation.

35.13 Salary

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

 2. Employees who are appointed from a layoff list to a position with a lower salary range than the position from which they were laid off will be paid an amount equal to the salary they were receiving at the time they were laid off, provided it is within the salary range of the new position. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

35.14 Transition Review Period

- A. The Agency may require an employee to complete a six(6) month transition review period when the employee accepts a layoff option to a job classification in which he/she has:
1. Not held permanent status;
 2. Been appointed from the General Government Transition Pool Program;
 3. Been appointed from a layoff list.
- B. The Agency will have the authority to extend or shorten an employee's review period as long as the extension does not cause the review period to exceed twelve (12) months. In such case, the Employer will provide written notice of the extension to the union and employee of the basis for an extension. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Agency may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the layoff list. The employee will remain on the list until such time as his/her eligibility expires or he/she has been rehired, whichever occurs first. Separation during, or extension of, the transition review period will not be subject to the grievance procedure in [Article 31](#).

- A. The Agency will maintain layoff lists for each job classification that will include geographic availability. Permanent employees who are laid off will, at their request, have their name placed on the list for the job classification from which they were laid off and will indicate the geographic areas they are willing to accept employment. Additionally, employees may request to have their name placed on the layoff list for other job classifications in which they have held permanent status. An employee will remain on layoff lists for three (3) years from the effective date of his/her layoff.
- B. When a vacancy occurs within an agency and when there are names on a layoff list, the agency will fill the position in accordance with [Article 4](#), Filling of Vacancies. An employee who is offered a position two (2) times and refuses the offer each time will have his/her name removed from the layoff list. Once an employee accepts an offer, his/her name is removed from the layoff list for that classification unless returned to the list in accordance with other sections of this contract.

35.16 General Government Transition Pool Program

Employees who are notified that they are at risk of being laid off or have been laid off may request their names be placed into the General Government Transition Pool Program administered by the Department of Personnel. When a vacancy occurs within an agency, the Agency will consider employees in the General Government Transition Pool Program along with all other candidates, all of whom must have the skills and abilities to perform the duties of a position being filled.

35.17 Project Employment

- A. Project employees have layoff rights within their project. Formal options will be determined using the procedure outlined in [Section 35.9](#), above.
- B. Permanent status employees who left regular classified positions to accept project employment without a break in service have layoff rights within the agency in which they held permanent status. The employee's return rights are to the job classification they last held permanent status in prior to accepting project employment using the procedure outlined in [Section 35.9](#).
- C. Project employees who are separated from state service due to layoff and have not held permanent status in classified service may request their names be placed into the General Government Transition Pool Program.

- B. Supplies and Equipment
The Union and its membership will not use state-purchased supplies or equipment to conduct union business or representational activities. This does not preclude the use of the telephone for representational activities if

there is no cost to the Employer, the call is brief in duration and it does not disrupt or distract from agency business.

C. E-mail, Fax Machines, the Internet, and Intranets

The Union and its members will not use state-owned or operated e-mail, fax machines, the Internet, or intranets to communicate with one another, except as provided in this agreement. Employees may use state operated e-mail to request union representation. Union stewards may utilize state owned/operated equipment to communicate with the affected employees and/or the Employer for the exclusive purpose of administration of this Agreement. Such use will:

1. Result in little or no cost to the Employer;
2. Be brief in duration and frequency;
3. Not interfere with the performance of their official duties;
4. Not distract from the conduct of state business;
5. Not disrupt other state employees and will not obligate other employees to make a personal use of state resources;
6. Not compromise the security or integrity of state information or software; and
7. Not include general communication and/or solicitation with employees.

The Union and its union stewards will not use the above-referenced state equipment for Union organizing, internal Union business, advocating for or against the Union in an election or any other purpose prohibited by the Executive Ethics Board.

38.4 Bulletin Boards

The Employer will maintain bulletin board(s) or space on existing bulletin boards currently provided to the Union for union communication. In bargaining units where no bulletin board or space on existing bulletin boards has been provided, the Employer will supply the Union with a board or space. Material posted on the bulletin board will be appropriate to the workplace, politically non-partisan, in compliance with state ethics laws, and identified as union literature. Union communications may not be posted in any other location in the Agency.

38.5 Union Training

The State agrees to release with pay all designated shop stewards and representatives for a bona fide training by the Union regarding labor relations with the State, for two (2) days per fiscal year, provided the absence does not cause a workload coverage issue. The stewards/representatives agree to provide their supervisors with fourteen (14) days' notice of the date of the training.

38.6 Contract Negotiations

Each Union may designate no more than two (2) bargaining unit members who will serve as the negotiation committee and will be allowed to attend up to ten (10) negotiation sessions, agreed upon by the union and management, without loss of pay. The Union will notify the State of those members who will be designated as the bargaining team.

38.7 New Employee Orientation

When the Employer provides a formal new employee orientation program, the Union will be given an opportunity to have a Union representative speak to their members for not more than thirty (30) minutes to provide information about the Union and Agreement.

38.8 Information Requests

The Employer agrees to provide the Union, upon written request, access to available materials and information necessary for the Union to fulfill its statutory responsibility to administer this Agreement. When the Union submits a request for information that the Employer believes is unclear or unreasonable, or which requires the creation or compilation of a report, the Employer will contact the Union representative and the parties will discuss the relevance, necessity and costs associated with the request and the amount the Union will pay for the receipt of the information.

**ARTICLE 39
DUES DEDUCTION**

39.1 Union Dues

When an employee provides written authorization to the Employer, the Employer will deduct from the employee's salary, an amount equal to the fees and dues required to be a member of the Union.

39.2 Agency Shop

All employees in the Bargaining Units identified in Appendix C covered by this Agreement will, as a condition of employment, either become members of the Union and pay membership dues or, as non-members, pay a fee as described in B, C and D below, no later than the 30th day following the effective date of this Agreement or the beginning of their employment.

- A. When the Employer hires, transfers, or promotes an employee into a classification represented by the Union, the Employer will notify the employee of his/her obligation under an agency shop provision and will notify the Union of that hire, transfer or promotion.
- B. Employees who choose not to become union members must pay to the Union, no later than the 30th day following the beginning of employment, an agency shop fee equal to the amount required to be a member in good standing of the Union.

- C. An employee who does not join the Union based on bona fide religious tenets, or teachings of a church or religious body of which they are members, will make payments to the Union that are equal to its membership dues, less monthly union insurance premiums, if any. These payments will be used for purposes within the program of the Union that are in harmony with the employee's conscience. Such employees will not be members of the Union, but are entitled to all of the representational rights of union members.
- D. The Union will establish a procedure that any employee who makes a request may pay a representation fee equal to a pro rata share of collective bargaining expenses, rather than the full membership fee.
- E. The Union will notify new employees of the above provisions. If an employee fails to meet these conditions, the Union will notify the Employer and inform the employee that his/her employment will be discharged if the employee does not comply with the requirements in this Section.

39.3 Dues Cancellation

An employee may cancel his/her payroll deduction of dues by written notice to the Employer and the Union. The cancellation will become effective on the second payroll after receipt of the notice. However, the cancellation may cause the employee to be discharged, subject to [Subsection 39.2 E](#), above.

39.4 Indemnification

The Employer will be held harmless by the Union and employees for compliance with this Article and any issues related to the deduction of dues and fees.

39.5 Employee Status Reports

- A. Every three (3) months beginning July 1, 2005, the Employer will provide to each Coalition Exclusive Bargaining Representative a list of all employees in their bargaining units. The written list shall contain the Agency, employee's name, mailing address, job classification, work unit and bargaining unit code. The Coalition Exclusive Bargaining Representative shall maintain the confidentiality of all employees' mailing addresses.
- B. Monthly, the Employer will provide each Coalition Exclusive Bargaining Representative a list of all employees who have been appointed to, separated from, or promoted in or out of their bargaining units.

ARTICLE 40 CLASSIFICATION

40.1 Classification Plan Revisions

- A. The Employer will provide to the Union, in writing, any proposed changes to the classification plan including descriptions for newly created classifications. Agency initiated requests will be provided to the Union. The parties may then meet to discuss the assignment of new bargaining unit classes or the reassignment of existing bargaining unit classes to pay ranges.
- B. The Employer will assign newly created positions to the appropriate classification within the classification plan.

40.2 Position Review

Employee Initiated Review:

An individual employee who believes that the duties of his/her position have changed, or that his/her position is improperly classified may request a review according to the following procedure:

- A. The employee and/or the employee's immediate supervisor will complete and sign the appropriate form.
- B. The supervisor will then send the completed form to the Agency's Human Resources Office. The Agency's Human Resources Office will review the completed form. A decision regarding appropriate classification will then be made by the Agency.
- C. In the event the employee disagrees with the reallocation decision of the Agency, he/she may appeal the decision to the State Human Resources Director within thirty (30) calendar days of being provided the results of a position review or the notice of reallocation. The State Human Resources Director or designee will then make a written determination which will be provided to the employee.
- D. The employee or the employer may appeal the determination of the State Human Resources Director or designee to the Washington Personnel Resources Board within thirty (30) calendar days of being provided the written decision of the State Human Resources Director or designee. The appropriate board will render a decision which will be final and binding.
- E. The effective date of a reallocation resulting from an employee request for a position review is the date the request was filed with the Agency.

40.3 Effect of Reallocation

A. Reallocation to a Class with a Higher Salary Range Maximum

- 1. If the employee has performed the higher level duties for at least twelve (12) months and meets the skills and abilities required of

the position, the employee will remain in the position and retain existing appointment status.

2. If the reallocation is the result of a change in the duties of the position and the employee has not performed the higher level duties for at least twelve (12) months, the Employer must give the employee the opportunity to compete for the position if he/she possesses the required skills and abilities. If the employee is not selected for the position, or does not have the required skills and abilities, the layoff procedure specified in [Article 35](#), Layoff and Recall, of this Agreement applies. If the employee is appointed, he/she must serve a trial service period.

B. Reallocation to a Class with an Equal Salary Range Maximum

1. If the employee meets the skills and abilities requirements of the position, the employee remains in the position and retains existing appointment status.
2. If the employee does not meet the skills and abilities requirements of the position, the layoff procedure specified in [Article 35](#) of this Agreement applies.

C. Reallocation to a Class with a Lower Salary Range Maximum

1. If the employee meets the skills and abilities requirements of the position and chooses to remain in the reallocated position, the employee retains the existing appointment status and has the right to be placed on the Employer's internal layoff list for the classification occupied prior to the reallocation.
2. If the employee chooses to vacate the position or does not meet the skills and abilities requirements of the position, the layoff procedure specified in [Article 35](#) of this Agreement applies.

40.4 Salary Impact of Reallocation

An employee whose position is reallocated will have his/her salary determined as follows:

A. Reallocation to a Class with a Higher Salary Range Maximum

Upon appointment to the higher class, the employee's base salary will be increased to a step of the range for the new class that is nearest to five percent (5%) higher than the amount of the pre-promotional step. The Appointing Authority may authorize, at his/her discretion, an increase of the base salary not to exceed the top of the range.

B. Reallocation to a Class with an Equal Salary Range Maximum

The employee retains his/her previous base salary.

- C. Reallocation to a Class with a Lower Salary Range Maximum
The employee will be paid an amount equal to his/her current salary until the new salary range equals the employee's pay at the time of reallocation.

40.5 Decisions regarding appropriate classification will go through the appeal process described in this Article and are not subject to the grievance and arbitration procedure specified in this Agreement.

2. The Employer may cancel a callback notification to work extra hours at any time but cancellation will not waive the penalty cited in this Subsection.
3. These provisions will not apply to the mid-shift interval in a split shift and an employee called back while in standby status.

The projected health care premium is the weighted average across all plans, across all tiers.

B. The point-of-service costs of the Classic Uniform Medical Plan (deductible, out-of-pocket maximums and co-insurance/co-payment) may not be changed for the purpose of shifting health care costs to plan participants, but may be changed from the 2014 plan under two (2) circumstances:

**COMPENSATION APPENDIX G
ASSIGNMENT PAY**

AP is granted in recognition of assigned duties which exceed ordinary conditions. The "premium" is stated in ranges or a specific dollar amount. If stated in ranges, the number of ranges would be added to the base range of the class. The "reference number" indicates the specific conditions for which AP is to be paid.

Group A indicates those classes which have been granted assignment pay; Group B indicates those assigned duties granted AP which are not class specific; Group C applies only to Ref #29.

Class Title	Class Code	Premium	Reference #
GROUP A			
Fish & Wildlife Sergeants/Detectives	388D	4 ranges	7, 37A

REFERENCE #7: Within the Department of Fish and Wildlife only. Combines with base salary as total pay for 171-hour, 28-day work period. See 356-15-030(4)(D). (Eff. 12/85; Rev. 12/89; 12/97)

REFERENCE #32: Within the Department Corrections, for employees located on McNeil Island, who are fully trained and qualified, assignment pay will be paid when performing fuel oil transfer duties at the McNeil Island Oil Transfer Facility.

Entitlement to assignment pay under this reference shall be on an hour-for-hour basis for all hours while actually performing all relevant fuel transfer duties. These duties include: maintenance of all tanks and affiliated systems, the transfer of fuel from bulk storage tanks to oil tankers, and relevant training. Basic salary range plus four ranges. (Eff. 09/01, Rev. 11/01)

REFERENCE #37A: Within the Washington State Parks and Recreation Commission, Department of Corrections Community Corrections Officers and Specialists (excluding those assigned to the Performance unit), Liquor Enforcement Officer 4s at the Liquor Control Board and the Department of Fish and Wildlife Enforcement Program certified instructors of defensive tactics, firearms, fitness, bicycle, boating safety, EVOC, and pistol maintenance, will be compensated an additional \$10.00 (ten dollars) per hour, over and above regular salary and benefits, for every hour engaged in giving instruction to or in receiving re-certification training. Pistol maintenance instructors are eligible for this additional compensation when they are instructing in a classroom setting, providing one-on-one instruction or repairing at the firing range.

GROUP B

REFERENCE #3A: For required SCUBA diving. Basic salary range plus \$7.50 per diving hour to employees in any class.

REFERENCE #18: Employees in any position whose current, assigned job responsibilities include proficient use of written and oral English and proficiency in speaking and/or writing one or more foreign languages, American Sign Language, or Braille, provided that proficiency or formal training in such additional language is not required in the specifications for the job class. Basic salary plus two additional ranges. (Rev. 5/92)

Group C

Class Title	Class Code	Premium	Reference #
Psychiatrist 4 (ESH & WSH)	290D	6 ranges	29

REFERENCE #29: Upon review and approval from the State Human Resources Director, up to four (4) ranges payable to employees in any position located where the cost of living impacts the agency's ability to recruit and/or retain employees, which would severely impair the effective operation of the agency. In extraordinary circumstances, where more than ten percent (10%) is required, a unique AP range will be used.

COMPENSATION APPENDIX H SPECIAL PAY RANGES AND NOTES

These ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units. An affected class is identified by a letter designation following the basic salary range number or by a letter designation preceding a number. In the latter case, a special salary schedule will be used for such classes.

“E” RANGE: This range is used for classes having a prevailing pay range that is shorter than Washington’s standard range. An “E” range is a standard range with the first four (4) steps removed. Thus, the first step is the same as Step E of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“G” RANGE: This range is used for classes having a prevailing pay range which is shorter than Washington’s standard ranges. A “G” range is a standard range with the first six steps removed. Thus, the first step of such a range is the same as Step G of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“N1” RANGE: This range applies to nurses represented by the Coalition and is used for classes requiring licensure as a registered nurse and having a prevailing pay range which is longer than Washington’s standard ranges. An “N1” range is a standard range, step A through K, with ten (10) added steps, L through U. Periodic increases through step K of these ranges are made at the same intervals as through standard ranges. Thereafter, an employee receives a one-step increase based on years of experience up to the maximum step of the range.
