Appointed Unit Reps

All units need at least one Unit Rep for each shift. The Unit Rep is the appointed primary point of contact between nurses in the unit, Local Unit Officers, and WSNA Staff. A Unit Rep welcomes and introduces themselves and WSNA to new nurses in their clinical area. Unit Reps are a resource to nurses in their clinic and across the bargaining unit. Unit Reps collect and distribute information so that nurses and Local Unit Officers can work together for maximum contract enforcement.

Appointed Committee Members

Committee members will work closely with the elected Local Unit Officers and WSNA Staff

Safety Committee: Five WSNA Members will participate on the Safety Committee. The purpose of this committee is to investigate safety and health issues and advise the employer on education and prevention. Members are appointed by current Local Unit Officers.

Nurse Staffing Committee: Purpose of this committee is to collaborate regarding the quality of nurse practices, patient care, and the RN role as proscribed in the Nurse Practice Act and Washington State Law, including ADO review and resolution/action. Meets every other month on paid time. Members are appointed by current Local Unit Officers.

Payroll Issues Committee : Ninety days following ratification, three nurses meet with HR Division Director to discuss concerns regarding paystubs, paycheck errors, and related payroll issues.

New Hire Orientation: Shares responsibility for welcoming new hires and educating them about the role of the union and ways to become and stay involved. May include outreach to new hires and provide opportunities for social gatherings. Attends New Hire Orientations every two weeks at FESC. Materials and training will be provided.

Delegate to Pierce County Central Labor Council: Attends monthly meetings at PCCLC and engages with community partners. Reports back to the Local Unit Officers.

Contract Enforcement Team: Nurses will receive training and tools needed to engage members in worksite actions that protect patient safety and ensure staffing needs are met.

Rapid Response Organizer: Unit nurses who agree to communicate with their unit colleagues to make sure nurses are informed and engaged in campaigns.
