PREAMBLE

This Agreement is entered into by the State of Washington, referred to as the “Employer,” and a coalition of all of the exclusive bargaining representatives described in Appendix A, “Coalition Exclusive Bargaining Representatives,” who are subject to [RCW 41.80.010](#) and represent fewer than a total of five hundred (500) employees each, referred to as the “Union.”

If a new general government bargaining unit is certified by the Public Employment Relations Commission (PERC) during the term of this Agreement and that exclusive bargaining representative represents fewer than a total of five hundred (500) employees, the terms of this Agreement will apply.

If a Coalition exclusive bargaining representative exceeds five hundred (500) members during the term of this Agreement, the Agreement will remain in full force and effect for that union until the expiration of the Agreement and negotiation of a successor Agreement.

ARTICLE 1

RECOGNITION CLAUSE

- 1.1** This Agreement covers the employees in the bargaining units described in Appendix A, “Bargaining Units Represented by the Coalition Exclusive Bargaining Representatives,” but it does not cover any statutorily excluded positions, or any positions excluded in Appendix A. The titles of the classifications listed in Appendix A are listed for descriptive purposes only.
- 1.2** If the Public Employment Relations Commission (PERC) certifies a new bargaining unit in general government during the term of this Agreement and the exclusive bargaining representative represents fewer than a total of five hundred (500) employees, the terms of this Agreement will apply. The Employer agrees to enter into negotiations regarding mandatory subjects with the newly added group to discuss any bargaining unit specific concerns which are not addressed in this Agreement. The Employer shall provide copies of any agreement reached with that group to the remaining representatives.
- 1.3** The parties recognize that PERC has the exclusive authority to determine appropriate bargaining unit composition and exclusive representation.

ARTICLE 2

NON-DISCRIMINATION

- 2.1** Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, marital status, race, color, genetic information, creed, national origin, political affiliation, military status, status as a veteran who has received an honorable discharge or been discharged with an honorable record, a disabled veteran or Vietnam era veteran, status as a victim of domestic violence, sexual assault or stalking, citizenship, immigration status, sexual orientation, gender expression, gender identity, any real or perceived sensory, mental or physical disability, or union activities. Bona fide occupational qualifications based on the above traits do not violate this Article.
- 2.2** Both parties agree that unlawful harassment will not be tolerated, including disparate treatment and hostile work environment on the basis of any of the categories listed in Section 2.1.
- 2.3** Employees who feel they have been the subjects of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with agency policy. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, the grievance process will be immediately suspended until the internal complaint process has been completed. Following completion of the internal complaint process, the Union may request the grievance process be continued. Such request must be made within seven (7) calendar days of the employee and the Union being notified in writing of the findings of the internal complaint.
- 2.4** Both parties agree that nothing in this Agreement will prevent the implementation of an approved affirmative action plan.

ARTICLE 3

BID SYSTEM

3.1 Applicability

- A. This Article applies only to employees in the Master, Mates & Pilots (MM&P), Washington State Nurses Association (WSNA), Union of Physicians of Washington (UPW), Washington State Patrol Communication Managers (IBT 174), Affiliated Washington Pharmacists (AWP), International Association of Fire Fighters (IAFF), and Washington Association of Fish Hatchery Professionals (WAFHP) (Sections 3.1 and 3.16 only).
- B. This Article does not apply to the filling of non-permanent, on-call, project or career seasonal positions.
- C. The Employer will comply with the provisions of this Article prior to filling vacancies in accordance with [Article 4](#), Filling of Vacancies.

3.2 Definitions

For purposes of this Article only, the following definitions apply:

- A. Bid Positions
Positions filled as a result of a bid.
- B. Bid System
A process allowing employees with permanent status to submit bids to other positions within their employing institution in the same job classification in which they currently hold permanent status or to a lower classification within the bargaining unit for which they have previously held status. A permanent part-time employee will be eligible to bid for full-time positions after completing one thousand and forty (1,040) hours of employment within the job classification. A permanent full-time employee will be eligible to bid to a part-time position in the same job classification in which the employee currently holds permanent status or to a lower classification within the bargaining unit for which they have previously held status. Exceptions to these parameters are noted herein.
- C. Position
A particular combination of shifts and days off.

3.3 Components of a Bid

Bids shall indicate the employee's choice of shift, days off and job classification. Employees shall be responsible for the accuracy of their bids. Each bid shall remain active for a period of twelve (12) months from the date submitted by the employee.

3.4 Submittal, Withdrawal and Denial of Bids

Any bids submitted after the date a vacancy is considered to have occurred shall not be considered for that vacancy, unless otherwise provided for in this Article. Employees are expected to submit bids in writing. Employees may withdraw their bids, in writing, at any

time prior to the referral. An employee's bid request may be denied if the employee has documented attendance or performance problems or if the employee has not demonstrated they have the skills and abilities or licensing for that position as determined by Management.

A. MM&P

Bids will be submitted to the Marine Manager and upon receipt will be dated with a copy returned to the employee and the original maintained on file in the Marine Manager's Office.

B. IAFF

Overtime eligible employees who work twenty-four (24) hour shifts will bid annually for shifts. Bidding order shall be based on seniority. Bidding shall be completed by November 15 of each year and the awarded bid shifts schedule shall start on the first day of the 27-day FLSA cycle after the beginning of the following calendar year.

Bids will be submitted to the Fire Chief and upon receipt will be dated with a copy returned to the employee and the original maintained on file in the Fire Chief's Office.

C. WSNA

WSNA members may submit a bid during the first seven (7) days of the posting period. DVA will announce the posting by sending an email to WSNA on the first day of the posting.

3.5 New Positions or Reallocated Positions

When a new position is established or a current vacant position is changed, the Employer will post the position for seven (7) calendar days if the combination of shift and days off does not currently exist.

3.6 Vacancy

For purposes of this Article, a vacancy occurs when:

A. An employee notifies management, in writing, that the employee intends to vacate their position; or

B. Management notifies an employee, in writing, that the employee will be removed from their position.

C. MM&P:

A position's assigned day(s) off change by one (1) or more days, or shift hours change by more than two (2) hours. In these cases, if the position is filled at the time of the change, the incumbent may elect to remain in the position. If the incumbent elects not to remain in the position, they may elect to assume a position currently occupied by an employee with less seniority than themselves within the same job classification providing they have demonstrated the skills and abilities or

licensing for that position as determined by Management. This process shall continue until all bargaining unit positions are filled.

3.7 Awarding a Bid for WSNA

When a permanent vacancy occurs, the Employer shall determine if any employee has submitted a bid request for the shift and days off. Seniority shall prevail provided the employee has the skills and abilities necessary to perform the duties of the position.

3.8 Awarding a Bid for MM&P

When a permanent vacancy occurs, the Employer shall determine if any employee has submitted a bid request for the shift and days off. Seniority within the Marine Department shall prevail provided the employee has the skills and abilities necessary to perform the duties of the position.

3.9 Awarding a Bid for UPW

When notice of a permanent vacancy occurs, physicians will be allowed to submit a bid within the first five (5) work days of the notice. Management shall consider all bids according to seniority provided the physician has the skills and abilities necessary to perform the duties of the opening. Each senior physician considered, but not appointed, shall be notified in writing of the reasons why they were not appointed. No UPW vacancies will be filled with classifications outside of the bargaining unit without first providing notice and an opportunity for a physician to submit a bid to fill the position, or through physician(s) extra duty coverage sufficient to fill the assigned hours for the position. A vacancy is defined as any position which has been funded for or traditionally filled by a bargaining unit member.

3.10 Awarding a Bid for IBT 174

When a permanent vacancy occurs, the Employer shall determine if any Communication Officer Manager (CO 4) has submitted a transfer request for that particular position. Management shall consider all requests in order of receipt provided the employee has the skills and abilities necessary to perform the duties of the position. Each employee considered but not appointed shall be notified in writing of the reasons why they were not appointed.

3.11 Awarding a Bid for IAFF

When a permanent vacancy occurs, with the exception of position WV98 (working title Assistant Fire Chief), the Employer shall determine if any employee has submitted a bid request for the shift. Seniority within the Fire Department shall prevail.

3.12 Awarding a Bid for AWP

When a permanent vacancy occurs, the Employer shall determine if any pharmacist has submitted a bid for that particular opening. Management shall consider all bids according to seniority provided the pharmacist has the skills and abilities necessary to perform the duties of the opening. Each senior pharmacist considered but not appointed shall be notified in writing of the reasons why they were not appointed.

3.13 Commitment Following an Award or Employee Refusal of a Bid

When an employee has been awarded a bid, or refuses an awarded bid, the employee will be prohibited from requesting other bids for a minimum of six (6) months. The six (6) month period will begin on the first day the employee is assigned the new shift and/or days off. All other active bids the employee has on file will be removed from the bid system.

3.14 Reassignment From a Bid Position

Nothing in this Article shall preclude management's right to reassign an employee from the employee's bid position to another position on a different shift or to a position with different days off, provided the employee is notified in writing of the reason(s) for the reassignment. Employees may request a reassignment into a position regardless of bid eligibility status.

3.15 Department of Fish and Wildlife - WAFHP

A. Fish Program – Hatcheries Division

1. When a vacancy occurs or a new position is created, the opening will be posted via department e-mail to all hatchery facilities for a period of fourteen (14) calendar days from the date of the official written notification to Personnel of the need to open a recruitment. To bid, employees must send an e-mail outlining their qualifications for the position to the agency's personnel office during the posting period indicating the position and geographic location of the position they wish to bid on. E-mail notification by the employee must occur during the fourteen (14) day period and it is the sole responsibility of the employee to ensure the e-mail is sent and received during this time frame. Employees submitting an e-mail indicating an interest and desire to transfer to a vacancy or a new position will accept the vacancy should it be offered to them.
2. With the exception of those employees described in Subsection C of this article, employees who have the required skills and abilities of the position will be eligible to bid as long as they meet the following eligibility criteria:
 - (a) Employees must hold permanent status in the job classification of the bid position and have worked at their current location in excess of four (4) years; OR
 - (b) Employees must be career seasonal employees with permanent status in the job classification of the bid position and have held permanent status of the bid position at their current location for forty-eight (48) months.
3. In accordance with Subsection (A)(1) above, when a vacancy occurs or a new position is created, the Department will award the bid on the basis of seniority as defined in [Article 34](#), except as provided for in Subsection B and C below. Seniority will prevail provided the employee has, as determined by the Employer, the skills and abilities necessary to perform the duties of the position and the employee does not have any documented

attendance or performance problems within the calendar year immediately preceding the bid transfer request.

B. Hardship Transfers

For purposes of this Article, a “hardship” transfer is defined as a military deployment a medical or safety-threatening situation causing specific loss or suffering to an employee or the employee’s spouse, state registered domestic partner as defined by [RCW 26.60.020](#) and [26.60.030](#), children, parents, or spouse’s parents. This provision includes stepchildren and stepparents. Employees who have a hardship may request a hardship transfer to a vacant or new position. To maintain confidentiality of private and/or medical information, requests for hardship will be submitted to the WAFHP legal counsel. Those supported by the WAFHP legal counsel will be forwarded with a written record of support, including the original employee request and all supporting documentation, to the Appointing Authority for consideration.

WAFHP

Another condition that would prioritize a bid candidate as a hardship is a hatchery employee who accepted a relocation layoff option and is requesting to return to the location worked immediately preceding that layoff. This type of bid for hardship transfer will only be available for three (3) years from the date of the original layoff.

The Appointing Authority’s decision on the request for a hardship transfer will be final and is not subject to the grievance procedure.

- C. For Fish Hatchery Technicians and Fish Hatchery Specialists 1, 2, 3, and 4 impacted by a layoff/bump who accepted a relocation to a different facility to remain employed, the time spent at the facility immediately prior to the layoff/bump will, for the purposes of determining eligibility to bid, count toward the calculation of having worked at one (1) facility for three (3) years.

The Agency will pay moving expenses of five hundred dollars (\$500) per move for those who have spent at least four (4) years in their current facility. The Agency will pay three hundred seventy-five dollars (\$375) for those who have spent three (3) years in their current facility. The Agency may authorize additional moving expenses under special circumstances.

ARTICLE 4

FILLING OF VACANCIES

- 4.1 The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification that is being filled. If the Employer intends to convert a position which results in it no longer being in the bargaining unit, the Employer will fulfill its obligation to bargain. Only those candidates who have the position-specific skills and abilities required to perform the duties of the vacant position will be referred for further consideration by the employing agency.

- 4.2 An agency's internal layoff list will consist of employees who have elected to place their name on the layoff list through [Article 35](#), Layoff and Recall, of this Agreement and are confined to each individual agency.
- 4.3 The statewide layoff list will consist of employees who have elected to place their name on the statewide layoff list in accordance with [WAC 357-46-080](#).
- 4.4 A promotional candidate is defined as an employee who has completed the probationary period within a permanent appointment and has attained permanent status within the Agency.
- 4.5 A transfer candidate is defined as an employee in permanent status in the same classification as the vacancy within the Agency.
- 4.6 A voluntary demotion candidate is defined as an employee in permanent status moving to a class in a lower salary range maximum within the Agency.
- 4.7 When filling a vacant position with a permanent appointment, candidates will be certified for further consideration in the following manner:
- A. The most senior candidate on the Agency's internal layoff list with the required skills and abilities who has indicated an appropriate geographic availability will be appointed to the position.
 - B. If there are no names on the internal layoff list, the Agency will certify up to twenty (20) candidates for further consideration. Up to seventy-five percent (75%) of those candidates will be statewide layoff, agency promotional, internal transfers, and agency voluntary demotions. All candidates certified must have the position-specific skills and abilities to perform the duties of the position to be filled. If there is a tie for the last position on the certification for either promotional or other candidates, the Agency may consider up to ten (10) additional tied candidates. The Agency may supplement the certification with additional tied candidates and replace other candidates who waive consideration with like candidates from the original pool.
 - C. Employees in the General Government Transition Pool Program who have the skills and abilities to perform the duties of the vacant position may be considered along with all other candidates who have the skills and abilities to perform the duties of the position.
 - D. If the certified candidate pool does not contain at least three (3) affirmative action candidates, the Agency may add up to three (3) affirmative action candidates to the names certified for the position.
 - E. When recruiting for multiple positions, the Agency may add an additional five (5) agency candidates and five (5) other candidates to the certified list for each additional position.

ARTICLE 5

HIRING AND APPOINTMENTS

5.1 Filling Positions

The Employer will determine when a position will be filled, the recruitment process that will be utilized, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification. When recruiting for a permanent bargaining unit appointment, the recruitment announcement will be open for a minimum of seven (7) calendar days.

A. IBEW/UA

Recruitment announcements will remain open for a minimum of fourteen (14) calendar days for the following job classifications:

1. Electrical Construction Field Supervisor/Technical Specialist;
2. Electrical Construction Inspector/Electrical Construction Inspector Lead;
3. Electrical Plans Examiner;
4. Compliance Specialty Supervisor;
5. Specialty Compliance Technical Specialist;
6. Construction Compliance Inspector; and
7. Factory and Mobile Home Plans Examiner.

B. IBEW

Posted permanent positions may be filled after a minimum of three (3) qualified applicants, if available, have participated in the hiring process.

C. IAFF

When position WV98 (working title Assistant Fire Chief) becomes vacant, Fire Captains who apply will be interviewed for the opening. Each Fire Captain interviewed, but not appointed, shall be notified in writing of the reasons why they were not appointed.

D. FWLCA

When an opening occurs for a lieutenant or captain position, the agency (WDFW) may fill the vacancy by posting the employment announcement for the opening in the following order:

1. Commissioned agency employees who are holding or have held the same rank of that position within the agency can request a transfer by submitting a request letter to the Chief. The request may be accepted, or the employee may be asked to apply for the position as detailed in two (2) below;

2. Promotional opportunity for all commissioned agency employees meeting the minimum qualifications for the position;
3. If no candidates are selected through steps 1 or 2 (above), a promotional opportunity may be utilized for lateral commissioned officers from outside the agency who meet the minimum qualifications.

The position will be posted internally for ten (10) calendar days. The posting will include the minimum qualifications required for the open position. Any commissioned employee meeting the minimum qualifications for the position may submit a written request for consideration and may submit a resume through their chain of command to the Chief or designee. The intent of this Section is to bring forth names of interested employees without limiting the ability of the Chief or designee to place the most qualified person into such positions. External candidates will go through the agency hiring process.

5.2 Internal Movement – Permanent Employees

- A. Prior to certifying candidates in accordance with [Article 4](#), Filling of Vacancies, an Appointing Authority may grant an administrative transfer, promotion, voluntary demotion or elevation within an agency as long as the permanent employee has the skills and abilities required to perform the duties of the position. Employees desiring a transfer, promotion, voluntary demotion or elevation will initiate a request in writing, to the appropriate appointing authority and to the agency human resources director. Appointing authorities will consider these individuals for an opening. Candidates interviewed will be notified of the hiring decision. This Subsection does not apply to those positions that have a required bid system established in accordance with [Article 3](#), Bid System, unless the position remains vacant after the completion of the bid process.

5.3 Permanent Status

An employee will attain permanent status in a job classification upon their successful completion of a probationary, trial service or transition review period.

5.4 Types of Appointment

- A. Non-Permanent
 1. The Employer may make non-permanent appointments. A non-permanent appointee must have the skills and abilities required for the position. When the employer converts a non-permanent appointment to a permanent appointment, the employee will serve a probationary or trial service period.
 2. An employee with permanent status may accept a non-permanent appointment. At least fourteen (14) calendar days prior to accepting the appointment, the employee must notify their current Appointing Authority of the intent to accept a non-permanent appointment. Upon notification of the employee's intent, the employee's permanent agency will notify the employee, in writing, of any return rights to the Agency and the duration of those return rights. At a minimum, the Agency must provide the employee

access to the Agency's internal layoff list. After receipt of this notification the employee may elect to accept or turn down the appointment offer.

3. The Employer may convert a non-permanent appointment into a permanent appointment if the Employer used a competitive process to fill the non-permanent appointment or if the non-permanent appointment was filled using a veteran placement program. Before converting a non-permanent appointment into a permanent appointment, [Article 3](#), Bid System, and [Article 35](#), Layoff and Recall, must be followed. For a conversion, the employee will serve a probationary or trial service period.
4. The Employer may end a non-permanent appointment at any time by giving one (1) working day's notice to the employee, however if practicable, the Employer may provide more than one (1) working day's notice. Non-permanent appointments normally will not exceed twenty-four (24) consecutive months in duration.

B. On-Call Employment

The Employer may fill a position with an on-call appointment where the work is intermittent in nature, is sporadic and it does not fit a particular pattern. The Employer may end on-call employment at any time by giving one (1) day's notice to the employee.

WSNA

Registered Nurses employed as on-call employees shall be available for at least four (4) full shifts per month. The availability for these shifts must be submitted to the employer at least one month prior to the schedule being posted. This does not entitle on-call employees to work a minimum number of shifts in any given month.

C. In-Training Employment

1. The Employer may designate specific positions, groups of positions, or all positions in a job classification or series as in-training. The Employer will document the training program, including a description and length of the program.
2. A candidate who is initially hired into an in-training position must successfully complete the job requirements of the appointment. The Employer may separate from state service, any employee who has completed the probationary period for an in-training appointment but does not successfully complete the subsequent trial service periods required by the in-training program. Employees who are not successful may be separated at any time with three (3) working days' notice from the Employer.
3. An employee with permanent status who accepts an in-training appointment will serve a trial service period or periods, depending on the requirements of the in-training program. The Employer may revert an employee who does

not successfully complete the trial service period or periods at any time with three (3) working days' notice. The employee's reversion right will be to the job classification that the employee held permanent status in prior to their in-training appointment, in accordance with [Subsection 5.5](#) B of this Article.

4. A trial service period may be required for each level of the in-training appointment, or the entire in-training appointment may be designated as the trial service period. The Employer will determine the length of the trial service period or periods to be served by an employee in an in-training appointment.
5. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status upon successful completion of the training program at each level.
6. If the entire in-training program—meaning all levels within the in-training appointment—is designated as a trial service period, the employee will attain permanent status upon successful completion of the training requirements for the entire in-training program.

D. Project Employment

1. The Employer may appoint employees into project positions for which employment is contingent upon state, federal, local, grant, or other special funding of specific and of time-limited duration. The Employer will notify the employees, in writing, of the expected ending date of the project employment.
2. Employees who have entered into project employment without previously attaining permanent status will serve a probationary period. Employees will gain permanent project status upon successful completion of their probationary period.

Employees with permanent project status will serve a trial service period when they:

- a. Promote to another job classification within the project; or
 - b. Transfer or voluntarily demote within the project to another job classification in which they have not attained permanent status.
3. The Employer may consider project employees with permanent project status for transfer, voluntary demotion, or promotion to non-project positions. Employees will serve a trial service period upon transfer, voluntary demotion, or promotion to a non-project position in a job classification that the employees have not previously attained permanent status in.

4. When the Employer converts a project appointment into a permanent appointment, the employee will serve a probationary or trial service period, unless a permanent project employee has already completed the probationary period for that classification.
 5. The layoff and recall rights of project employees will be in accordance with the provisions in [Article 35](#), Layoff and Recall.
- E. Seasonal Career Employment
1. The Employer may make seasonal career appointments that are cyclical in nature, recur at the same agency at approximately the same time each year, and last for a minimum of five (5) months but are less than twelve (12) months in duration during any consecutive twelve (12) month period.
 2. Upon completion of a twelve (12) month probationary period completed in consecutive seasons at the same agency, employees in seasonal career employment will assume the rights of employees with permanent status.
 3. The layoff and recall rights of seasonal career employees will be in accordance with the provisions in [Article 35](#), Layoff and Recall.
- F. Terminations during probationary periods, non-permanent appointments, or reversions of trial service periods are not subject to the grievance procedure in [Article 31](#).

5.5 Review Periods

- A. Probationary Period
1. Every part-time and full-time employee, following their initial appointment to a permanent position, will serve a probationary period of twelve (12) consecutive months (except that AIAJ, AWP, CWA, UPW, WSNA, WSPTA and WSPSTA will serve a probationary period of six (6) consecutive months, which may be extended by the Employer for written, performance-based reasons to no more than twelve (12) consecutive months.)
 2. The Employer may separate a probationary employee at any time during the probationary period. The employer will provide the employee five (5) working days' notice prior to the effective date of the separation. The day that notification is given is considered the first day of notice. If the Employer fails to provide five (5) working days' notice, the separation will stand and the employee will be entitled to payment of salary for up to five (5) working days, which the employee would have worked had notice been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status. The separation of the probationary employee will not be subject to the grievance procedure in [Article 31](#).
 3. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) or hours rounded to equivalent days that the

employee is on leave without pay, sick leave or shared leave, except for leave taken for military service.

4. An employee who transfers or is promoted prior to completing their initial probationary period will serve a new probationary period. The length of the new probationary period may be adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than as defined in Subsection (A)(1), above.
5. If the Employer converts the status of a non-permanent appointment to a permanent appointment, the incumbent employee will serve a probationary period. However, the Employer may credit time worked in a non-permanent appointment toward completion of a probationary period within the same job classification.

B. Trial Service Period

1. Except for those employees in an in-training appointment, all other employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of six (6) consecutive months. The Employer may extend the trial service period to no more than twelve (12) consecutive months, provided the employee is given written, performance based reasons for the extension. The Employer agrees to notify the employee when it intends to extend the trial service period beyond six (6) months. The employee may choose to notify the union.
2. Any employee serving a trial service period will have their trial service period extended, on a day-for-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service.
3. An employee serving a trial service period may voluntarily revert to their former position within fifteen (15) days of the appointment, provided that the position has not been filled or an offer has not been made to an applicant. With the Appointing Authority's approval, an employee serving a trial service period may voluntarily revert at any time to a funded permanent position in the same agency that is:
 - a. Vacant or filled by a non-permanent employee and is within the employee's previously held job classification.
 - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will be determined by the Employer using the order listed above. In both (a) and (b) above, the Employer

will determine the position the employee may revert to and the employee must have the skills and abilities required for the position.

4. With a minimum three (3) days' written notice by the Employer, an employee who does not successfully complete their trial service period has the right to revert to a position, if available, in the same agency that is:
 - a. Vacant or filled by a non-permanent employee and is within the employee's previously held job classification; or
 - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

In both (a) and (b) above, the Employer will determine the position the employee may revert to and the employee must have the skills and abilities required for the position.

5. Any unsuccessful employee who has no reversion options may request that their name be placed on the Agency's internal layoff list and into the General Government Transition Pool Program for positions in job classifications where they had previously attained permanent status.
6. The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in [Article 31](#).

ARTICLE 6

PERFORMANCE EVALUATION

6.1 Objective

The performance evaluation process gives supervisors an opportunity to discuss performance goals and expectations with their employees, assess and review their performance with regard to those goals and expectations, and provide support to employees in their professional development, so that skills and abilities can be aligned with agency requirements. It is the responsibility of the supervisor to complete the employee's evaluation.

- 6.2 A. Employee work performance will be evaluated prior to the completion of their probationary and trial service periods and at least annually thereafter. Immediate supervisors will meet with employees at the start of their review period to discuss performance goals and expectations. Employees will receive copies of their performance goals and expectations as well as notification of any modifications made during the review period.
- B. The performance evaluation process will include, but not be limited to, a performance evaluation on forms used by the Employer, the employee's signature or electronic acknowledgment of the forms, and any comments by the employee. A copy of the performance evaluation will be provided to the employee at the time of

the review. If the need arises, the reviewer (typically the second line supervisor) may function as a mediator upon the request of either the supervisor or the employee. The employee has the right to submit a written rebuttal to the content of the evaluation. The completed and signed/acknowledged performance evaluation forms, including the employee's comments, will be maintained in the employee's personnel file.

- C. To recognize employee accomplishments and address performance issues in a timely manner, discussions between the employee and supervisor will occur throughout the evaluation period. Performance problems will be brought to the attention of the employee to give the employee the opportunity to correct the behavior. Such discussions will be documented in the supervisor's file. Nothing in this Section is intended to limit the ability of the Employer to take corrective or disciplinary action pursuant to the terms of [Article 30](#), Discipline.
- D. The evaluation process is subject to the grievance procedure. The specific content of performance evaluations are not subject to the grievance procedure in [Article 31](#).
- E. If an employee has been exonerated of misconduct in a disciplinary grievance by the Employer or an arbitrator, or the Employer determines that allegations of misconduct are false, then references to the misconduct in the performance evaluation will be removed. If the Employer fails to remove the applicable portions of the performance evaluation, the failure to remove those references is subject to the grievance procedure.

D. UPW

Physicians are expected to work as many hours as necessary to accomplish their assignment or fulfill their core responsibilities. Full-time physicians will typically work forty (40) hours a week on a schedule established in collaboration with their supervisor. Flexibility of working hours may be needed for responding to patient and hospital needs.

If a full-time physician is approved to perform an “extra duty assignment”, the physician will receive additional pay at one and one-quarter (1 ¼) times their regular rate of pay for working these “extra duty” hours, if the assignment results in the physician working beyond their normally assigned work hours. Physicians will not be compensated for “extra duty” that is not worked.

“Extra Duty” is defined as hospital operational needs identified by the employer that require a physician to work hours that are hours over and above those necessary to accomplish the physician’s regular assignment and fulfill their core responsibility. These “extra duty” hours typically include covering hours/shifts not regularly assigned to any other physician, on-call work, covering patient loads due to vacancies or working hours that are not covered because of leave usage by the regularly assigned physician. Upon request and approval of the Chief Medical Officer, and with an agreement for working in an alternative location, extra duty

pay may be authorized for non-direct care work outside the hospital. “Extra duty” work approved in advance to be performed by a physician at another DSHS BHA 24/7 facility shall be compensated at the physician’s extra duty rate with a minimum of one-hour extra duty pay per workday.

Physicians that are interested in performing “extra duty” assignments will submit, in writing to the Chief Medical Officer their interest in performing “extra duty” assignment(s).

New opportunities for the above identified “extra duty” assignments will be offered first to physician volunteers who have submitted their written interest, by seniority, as long as the physician has the skills and abilities to perform the assignment.

When “extra duty” is available after volunteers have been selected, or when “extra duty” requires specific knowledge or skills, the Employer retains the right to assign any physician who has the appropriate skills and abilities required for the “extra duty.” When a physician does not volunteer for “extra duty” and is assigned an “extra duty” assignment, such assignment shall be assigned by the Employer on a rotating basis in inverse seniority order. The length of the involuntary extra duty assignment shall not be more than sixty (60) continuous days in duration unless the physician working the “extra duty” assignment agrees to extend the “extra duty” assignment beyond the sixty (60) day duration. Such an assignment will not occur more than twice per year without physician agreement, unless required to provide adequate patient care when alternate coverage, such as locum tenens or ARNP coverage, is not available. A rotating inverse seniority list will be maintained so that no person will be required to work involuntary extra duty until all eligible physicians have worked extra duty. A physician may be excused from involuntary extra duty upon approval by the Chief Medical Officer.

The employer also retains the right to restrict the number of “extra duty” assignments that any one (1) physician works. The Employer may deny any physician from performing “extra duty” if the physician has any documented performance or attendance issues, which are impacting the ability of the physician to perform their core duties. The Chief Medical Officer may audit the use of extra duty assignments to ensure time reporting compliance.

If no physician volunteers or is assigned to the “extra duty” assignment, then the Employer shall be allowed to use Locum Tenens physician(s), or ARNPs, or qualified medical practitioners to meet operational needs. Emergency coverage will be arranged by the Chief Medical Officer.

A state employed physician may bump a locum tenens physician or ARNP with 30 calendar days’ notice of the desire to bump a locums or ARNP or upon appointment of a state employed physician to a vacancy. At WSH and ESH employed physicians will normally continue to cover the assignment for the duration of what would have been the locums tenens physician or ARNP assignment to ensure operational efficiency and continuity of care.

E. AWP

Pharmacists are expected to work as many hours as necessary to accomplish and fulfill clinical or core responsibilities. Pharmacists assigned to perform work outside of their normal work hours or while in standby status in order to accomplish their assignments and fulfill clinical responsibilities, will receive additional straight time pay at their regular rate of pay for actual work performed. The Employer will grant exchange time in lieu of straight time pay, upon mutual agreement between the Employer and the employee.

Pharmacists performing on-call work such as responding to phone calls, monitoring for new orders and awaiting physician responses shall be compensated for the time spent completing these tasks. Time submitted and approved will be paid on a straight time basis at the employee's regular rate of pay for all AWP pharmacists: every call a pharmacist receives after 9:00 pm until 6:30 a.m. the next day, the on-call pharmacist will receive one hour of straight time in compensation for addressing the call, regardless of the length of the call. The Employer will grant exchange time in lieu of straight time, upon mutual agreement between the Employer and employee.

F. Washington State Patrol CVEO

The regular workday for CVEO4s shall consist of eight (8) or ten (10) consecutive hours worked within a twenty-four (24) hour period.

G. Washington State Patrol Communication Officer 4 (CO4)

CO4's are overtime eligible.

7.3 Overtime-Eligible Employees (excluding firefighters working 192 hours in a 27-day cycle)

A. Regular Work Schedules

The regular work schedule for overtime-eligible employees will not be more than forty (40) hours in a workweek, as defined above, with starting and ending times as determined by the requirements of the position. Part-time employees will be paid at their regular rate for all hours worked up to forty (40) hours in the workweek.

WSNA

Monthly work schedules will be posted one (1) month in advance. Changes in regular monthly work schedules and days off will be posted one (1) week in advance when possible.

In scheduling work assignments, and under normal facility operations, employees will not be required to work more than sixteen (16) hours in a twenty-four (24) hour period.

Low Census

Unanticipated declines in resident care requirements may result in the need to reduce nursing staff. Low census is defined as decline in resident volume and/or resident care requirements resulting in a temporary staff decrease. It is recognized

by the parties that the basic policy shall be to use the low census procedure to accomplish short term staff reductions.

Low Census Definitions

1. Involuntary Low Census: (ILC) Low census which is identified by management as a business need and assigned by the DVA to scheduled full-time and part-time staff. Canceling supplemental and extra shifts are not a declaration of ILC.
2. Voluntary Low Census: (VLC) When a staff member requests in writing to be placed on the low census list prior to the start of their shift, or during their shift. If the employee is unclear as to the designation of the low census (ILC or VLC), they should seek clarification at the time of the request. Employees that volunteer for low census may use vacation leave, personal leave, personal holiday or leave without pay for the time in VLC.

Implementing Involuntary Low Census

Prior to implementing involuntary low census, all traveler and agency nurses shall be released from work on the unit unless the traveler or agency nurse possesses a unique skill which is required on the unit.

If a nurse is subject to involuntary low census on one unit and is able to float to another unit and accept a full resident assignment, then traveler and agency nurses shall be released from work on that other unit to accommodate the floating nurse, unless the traveler or agency nurse possesses a unique skill which is required on the unit.

Unless the employee agrees to otherwise, a nurse subject to involuntary low census shall be low censused for the entirety of the shift or, if the employee has already begun working, for the entirety of the remainder of the shift. Nurses who agree to remain on call shall be compensated under the standby provisions of [Section 41.20](#), (Standby,) of the collective bargaining agreement.

When involuntary low census is required, it will be assigned to employees on duty in inverse order of seniority, provided the employee has the skills and abilities required of the positions. The inverse order will be re-established when the list has been exhausted, i.e., the employee with the greatest seniority has worked their required involuntary low census.

B. Alternate Work Schedules

1. Employees may request adjustments to their regular schedule and supervisors will adjust work hours during a workday or workdays during a workweek providing business and customer needs are met and there are no documented performance or attendance concerns.
2. Workweeks and work shifts of different numbers of hours may be established for overtime-eligible employees in order to meet business and

customer service needs, as long as the alternate work schedules meet federal and state laws.

3. Previously approved alternate work schedules may be permanently rescinded by the Employer if business and customer service needs are no longer being met, or if performance or attendance concerns occur. In such case, the Employer will provide notice to the employee with written confirmation to follow.

C. Temporary Schedule Changes

Employees' workweeks and/or work schedules may be temporarily changed with prior notice from the Employer. A temporary schedule change is defined as a change lasting thirty (30) calendar days or less. Overtime-eligible employees will receive three (3) calendar days' written notice of any temporary schedule change. The day that notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a temporary schedule change.

D. Permanent Schedule Changes

Employees' workweeks and work schedules may be permanently changed with prior notice from the Employer. Overtime-eligible employees will receive seven (7) calendar days' written notice of a permanent schedule change. The day notification is given is considered the first day of notice. Adjustments in the hours of work of daily work shifts during a workweek do not constitute a permanent schedule change. Changes in schedule subject to [Article 3](#), Bid System, will be subject to the terms of that Article.

E. Emergency Schedule Changes

The Employer may adjust an overtime-eligible employee's workweek and work schedule without prior notice in emergencies. The employee will be paid callback pay in accordance with [Article 41](#), Compensation, and overtime pay as applicable.

F. Employee-Requested Schedule Changes

Overtime-eligible employees' workweeks and work schedules may be changed at the employee's request and with the Employer's approval.

7.4 Overtime-Eligible Law Enforcement Work Schedules, LCB Only

A. Work Period

The work period is one hundred sixty (160) hours in a twenty-eight (28) day period. Officers who work in excess of forty (40) hours in one (1) week shall adjust their schedule in a future work week within the work block to maintain an average of forty (40) hours per week.

7.5 WAFHP

- A. Paging devices may be provided by the Employer for the purpose of providing flexibility to employees required to perform standby assignments. Any bargaining unit employee who uses a pager or other form of communication device in order

that they may return to work will receive standby compensation as defined in [Article 41](#), Compensation, for the entire time they are required to perform standby. Bargaining unit employees using these communication devices are responsible for maintaining the level of response time necessary to protect the resource entrusted to them.

- B. On a holiday, no employee will be assigned to work or will be assigned standby when there are no fish on station, unless an emergency situation dictates otherwise.
- C. An employee may volunteer to be assigned standby on a holiday. No employee will be involuntarily assigned standby on their regular day(s) off, holiday(s) (except those holidays the employee is assigned to work eight (8) hours) or on days he or she is in leave status, unless an emergency situation dictates otherwise. A requirement for an employee to return to standby duty on a scheduled day off will require the employee to conduct a facility inspection (check water flow alarms, secure building(s), etc.) and, therefore, constitutes callback status.
- D. Employees assigned to standby status may be relieved for any portion of the assignment for which they are able to find a replacement. The employee initiating the change in assignment will document the change in writing to the appropriate supervisor. The person providing relief is responsible for meeting all standby obligations.
- E. All alarms other than that of the employee on standby duty will be turned off unless the Specialist 4, with the appropriate complex manager's approval, directs an employee to leave their electronic alarm on. The requirement to turn on the electronic alarm device will constitute assigned standby.

7.6 Overtime-Eligible Unpaid Meal Periods

The Employer and the Union agree to unpaid meal periods that vary from and supersede the unpaid meal period requirements of [WAC 296-126-092](#). Unpaid meal periods for employees working more than five (5) consecutive hours, if entitled, will be a minimum of thirty (30) minutes and will be scheduled as close to the middle of the work shift as possible. When an employee's unpaid meal period is interrupted by work duties, the employee will be allowed to resume their unpaid meal period following the interruption, if possible, to complete the unpaid meal period. In the event an employee is unable to complete the unpaid meal period due to operational necessity, the employee will be entitled to compensation, which will be computed based on the actual number of minutes worked within the unpaid meal period. Meal periods may not be used for late arrival or early departure from work and meal and rest periods will not be combined.

Washington State Patrol Communication Managers (IBT 174)

The normal workday shall consist of an eight (8) or a nine (9) hour period which includes a thirty (30) minute paid lunch, as long as during the eight (8) hours employees remain at the Communication Center or conduct agency business. However, if they leave the Communication Center for lunch or if they are attending to any other Washington State

Patrol (WSP) business that involves a lunch hour, then they shall work a nine (9) or a ten (10) hour day with a one (1) hour unpaid lunch period.

Washington Liquor and Cannabis Board (Both FOP units)

Employees may elect to work through their entitled meal period or eat lunch while completing administrative work. If an employee chooses to perform work duties instead of taking a meal period, the employee will be compensated for the time spent working.

7.7 Overtime-Eligible Paid Meal Periods and Rest Periods for Straight Shift Schedules

The Employer and the Union agree to paid meal periods that vary from and supersede the paid meal period requirements of [WAC 296-126-092](#). Employees working straight shifts will be permitted to eat intermittently as time allows during their shifts while remaining on duty. Paid meal periods and rest periods for employees on straight shifts do not require relief from duty.

7.8 Overtime-Eligible Rest Periods

The Employer and the Union agree to rest periods that vary from and supersede the rest periods required by [WAC 296-126-092](#). Employees will be allowed rest periods of fifteen (15) minutes for each one-half (1/2) shift of four (4) or more hours worked at or near the middle of each one-half (1/2) shift of four (4) or more hours. Rest periods do not require relief from duty. Rest periods may not be used for late arrival or early departure from work and rest and meal periods will not be combined.

7.9 Time Reporting

The Employer may require employees to accurately report time worked in accordance with a positive time reporting process as determined by the Agency.

7.10 Overtime-Exempt Employees

The Employer's policy for all overtime-exempt employees is as follows:

- A. The Employer determines the products, services, and standards, which must be met by overtime-exempt employees.
- B. Overtime-exempt employees are expected to work as many hours as necessary to accomplish their assignments or fulfill their responsibilities. Full-time overtime-exempt employees are expected to work a minimum of forty (40) hours in a workweek and part-time overtime-exempt employees are expected to work proportionate hours. Overtime-exempt employees may be required to work specific hours to provide services, when deemed necessary by the Employer. The Employer may allow overtime exempt employees to work flexible hours, or modified shifts so long as agency business needs are met with the schedule.
- C. The salary paid to overtime-exempt employees is full compensation for all hours worked, except:
 - 1. All overtime-exempt employees will receive pay when required by the employer to work on a holiday, as identified in [Article 11](#), Holidays, at an

additional rate of one and one-half (1-1/2) times the employee's salary for the time worked.

2. UPW

Compensation for physicians working "Extra Duty" as defined in [Section 7.2](#) D will be given on an hour for hour basis at one and one-quarter (1 ¼) times their regular rate of pay for the time they are assigned to the extra duty. The physician may request exchange time in lieu of payment as compensation for the extra duty hours worked.

3. AWP

Work performed in accordance with [Section 7.2](#) E will be compensated on an hour for hour straight time basis. The Employer will grant exchange time in lieu of straight time, upon mutual agreement between the Employer and the employee.

- D. With approval of the Appointing Authority, overtime-exempt employees will accrue exchange time for hours worked in excess of the normal forty (40) hour workweek. Exchange time may be accrued at straight time to a maximum of eighty (80) hours. Exchange time has no cash value and cannot be transferred between agencies.
- E. Exchange time will be used and scheduled in the same manner as vacation leave, as in [Article 12](#), Vacation Leave. The Employer may schedule an employee to use their exchange time with seven (7) calendar day's notice.
- F. If they give notification and receive prior approval from the Employer, overtime-exempt employees may adjust their work hours. Employees are responsible for keeping management apprised of their schedules and their whereabouts.
- G. Prior approval from the Employer for the use of paid or unpaid leave for absences of two (2) or more hours is required, except for unanticipated sick leave.

A request will normally be made at least one (1) month in advance of the date of the course, unless a shorter time period is authorized. Travel to Alaska, Hawaii, or internationally, is subject to Governor approval and may impact the time period for authorization. 11.2 Holiday Rules

The following rules apply to all holidays except the personal holiday:

- A. Employees will be paid at a straight-time rate even though they do not work.
- B. In addition to Subsection A above, employees will be paid for the hours actually worked on a holiday at the overtime rate, in accordance with [Article 8](#), Overtime.
- C. For full-time or part-time employees with a Monday-through-Friday work schedule:
 - 1. When a holiday falls on a Saturday, the Friday before will be the holiday.
 - 2. When a holiday falls on a Sunday, the following Monday will be the holiday.
- D. For full-time or part-time employees who do not have a Monday-through-Friday work schedule:
 - 1. When a holiday falls on the employee's scheduled workday, that day will be considered the holiday.
 - 2. When a holiday falls on the employee's scheduled day off, the Agency will treat the employee's workday before or after as the holiday. An employee

may request an alternate day off as their holiday as long as the requested day off falls within the same pay period as the holiday. The Employer may approve or disapprove the request.

E. The holiday for night shift employees whose work schedule begins on one calendar day and ends on the next will be determined by the Agency. It will start either at:

1. The beginning of the scheduled night shift that begins on the holiday; or
2. The beginning of the shift that precedes the holiday.

The decision will be the same for all employees in a facility unless there is agreement to do otherwise between the Agency and one (1) or more affected employees, or with the Union, which will constitute agreement of the employees.

3. UPW staff working as extra-duty OD coverage will receive holiday pay for any and all hours worked on the actual calendar holiday. UPW staff performing OD coverage on a non-extra-duty basis will receive holiday pay if their scheduled shift begins on the calendar holiday.

F. Part-time employees who begin employment before and remain employed after the holiday will be compensated in cash or compensatory time for the holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.

G. A full-time employee who would otherwise be entitled to a holiday but is on leave without pay will receive compensation for the holiday provided he/she has been in pay status for eighty (80) non-overtime or non-standby hours during the month, not counting the holiday. Compensation for holidays for other than full-time employees during leave without pay will be proportionate to the time in pay status required for full-time employment. All employees must be employed before and after the holiday and for a period of at least twelve (12) calendar days during the month in addition to the holiday.

H. IAFF members working twenty-four (24) hour shifts will have the option to work their designated holiday or take the designated holiday off. Only one (1) shift will be designated for each holiday. Employees shall only be deemed as working on the Holiday if the employee work hours constitute a majority of that Holiday. An employee who works less than a majority of their shift on the holiday will have their designated holiday determined by Subsection 11.2 D of this Article.

For example, if an employee is scheduled to start work at 8:00 a.m. on the holiday and scheduled to finish their shift at 8:00 a.m. the following day, they will be treated as working on the holiday. - A. An employee who is scheduled to work less than six (6) continuous months over a period covering two (2) calendar years will receive only one (1) personal holiday during this period.
- B. The Employer will release the employee from work on the day selected as the personal holiday provided:
 - 1. The employee has given at least fourteen (14) calendar days' written notice to the supervisor. However, the employee and supervisor may agree upon less notice, and
 - 2. The number of employees selecting a particular day off does not prevent the Agency from providing continued public service.
- C. Personal holidays must be taken during the calendar year or the entitlement to the day will lapse, except that the entitlement will carry over to the following year when an otherwise qualified employee has requested a personal holiday and the request has been denied.
- D. Agencies may establish qualifying policies for determining which of the requests for a particular date will or will not be granted when the number of requests for a personal holiday would impair operational necessity. Failure to do so cannot be used as the basis for denial of time off.
- E. Part-time employees who are employed during the month in which the personal holiday is taken will be compensated for the personal holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.
- F. A personal holiday for full-time employees will be equivalent to their work shift on the day selected for personal holiday absence.
- G. Part or all of a personal holiday may be donated as shared leave in accordance with [Article 14](#), Shared Leave. Any portion of a personal holiday that remains will be taken by the employee in one (1) absence, not to exceed the work shift on the day of the absence, subject to the request and approval as described in Subsections B, C and D above.

12.6 Vacation Scheduling for Masters, Mates and Pilots

- A. This Section applies to all leave that has been requested and approved in advance of the planned absence.
- B. A chart will be posted on November 15 of each calendar year that indicates the number of employees within each job classification who may be approved scheduled leave for a given period of time. This chart will be posted in a readily accessible area by classification and shall remain posted until January 1st.
- C. Vacations will be scheduled within the limitations of the available relief allocated for each shift. Beginning January 2 of each calendar year, employees who desire to take their vacation at a specific period of time shall be scheduled a time, based on the longest period of time in grade in the Masters, Mates and Pilots bargaining unit, to request and may be awarded up to three (3) segments of vacations during the time period of April 1 through March 31.

A “segment” is one (1) day or more contiguous days of vacation leave. Off-shift times to select a vacation shall not be considered as “time worked” for purposes of computing callback or overtime. If an employee is unable to be present during their scheduled time, they may make their choice by telephone or another individual with written documentation of designation may select a vacation segment(s) for the employee.

If an employee fails to select their vacation during their assigned time, Management may proceed with scheduling. The employee will be provided an opportunity to select their segment(s) from the remaining available dates at a later date when he/she is available. Management will not approve a vacation leave segment when

it is known the employee will not have accrued sufficient vacation leave for the segment of time. Local Management will publish the vacation schedule by March 1.

- D. Nothing in the above paragraphs shall preclude the right of an employee to request vacation leave at any time. Management shall consider said request in relation to program needs and the existing published vacation schedule, both of which take precedence. Any conflicts between two (2) or more employees' vacation requests, other than those on the above referenced vacation schedule, shall be resolved on a first come, first served basis.
- E. No employee on approved vacation leave shall be required to return to their place of employment until the scheduled leave has ended, except in an emergency situation.
- F. Management acknowledges that canceling an employee's approved vacation segment is an extraordinary action and will not do so if other qualified staff within the same job classification are available, on an overtime basis or otherwise. Each employee will be granted vacation for the time stipulated on the vacation schedule, except that Management with reasonable notice, may cancel or otherwise adjust vacation periods when it is determined the program of the Agency will be adversely impacted by the employee being absent from duty. Employees, whose leave has been cancelled or adjusted, shall be allowed to request alternative leave dates pursuant to this Section.
- G. Accrued vacation time, not to exceed two (2) shifts in any calendar year, shall be granted to an employee with thirty (30) calendar days' written notification by the employee. Such time off must normally be granted provided:

In the event that two (2) or more employees request the same vacation period and the supervisor must limit the number of people who may take vacation leave at one time due to business needs and work requirements, preference will be determined by seniority. A “segment” is three (3) or more contiguous days of vacation leave.
- C. Employees may request additional vacation leave at any time on a first come, first served basis; however, the posted vacation schedule shall take precedence. The Employer will respond to all such requests within fourteen (14) days of the request, absent extraordinary circumstances.

For part-time employees the use of a personal holiday for sick leave purposes will be calculated in accordance with [Section 11.3 E](#).

13.4 Restoration of Vacation Leave

In the event an employee is injured or becomes ill while on vacation leave, the employee may submit a written request to use sick leave and have the equivalent amount of vacation leave restored. The supervisor may require a written medical certificate.

13.5 Sick Leave Reporting, Certification and Verification

An employee must promptly notify their supervisor on the first day of sick leave, prior their work shift, and each day after, unless there is mutual agreement to do otherwise. If the employee is in a position where a relief replacement is necessary, the employee will notify their supervisor at least two (2) hours prior to their scheduled time to report to work (excluding leave taken in accordance with the Domestic Violence Leave Law [RCW 49.76](#)). If the Employer suspects abuse, the Employer may require a written medical verification for that sick leave absence. For absences exceeding three (3) days, the verification procedures of RCW 49.46.210(g) apply, and an employer may require verification that an employee's use of paid sick leave is for an authorized purpose. An employee returning to work after any sick leave absence may be required to provide written verification from their health care provider that the employee is able to return to work and perform the essential functions of the job with or without reasonable accommodation.

Medical certification or verification required for employees in overtime-eligible positions shall be in accordance with [RCW 49.46.210](#) and [WAC 296-128](#).

13.6 Sick Leave Annual Cash Out

Each January, employees are eligible to receive cash on a one (1) hour for four (4) hours basis for ninety-six (96) hours or less of their accrued sick leave, if:

- A. Their sick leave balance at the end of the previous calendar year exceeds four hundred and eighty (480) hours;
- B. The converted sick leave hours do not reduce their previous calendar year sick leave balance below four hundred and eighty (480) hours; and
- C. They notify their payroll office by January 31st that they would like to convert their sick leave hours earned during the previous calendar year, minus any sick leave hours used during the previous year, to cash.

All converted hours will be deducted from the employee's sick leave balance.

13.7 Carry Forward and Transfer

Employees will be allowed to carry forward, from year to year of service, any unused sick leave allowed under this provision, and will retain and carry forward any unused sick leave accumulated prior to the effective date of this Agreement. When an employee moves from one state agency to another, regardless of status, the employee's accrued sick leave will be transferred to the new agency for the employee's use.

13.8 Sick Leave Separation Cash Out

At the time of retirement from state service or at death, an eligible employee or the employee's estate will receive cash for their total sick leave balance on a one (1) hour for four (4) hours basis. For the purposes of this Section, retirement will not include "vested out of service" employees who leave funds on deposit with the retirement system. In accordance with state and federal law, agencies and employees in bargaining units may agree to form Voluntary Employee Beneficiary Associations (tax-free medical spending accounts) funded by the retiree sick leave cash out described above. Voluntary Employees' Beneficiary Association will be implemented only by written agreement with the Union.

13.9 Reemployment

Former state employees who are re-employed within five (5) years of leaving state service will be granted all unused sick leave credits they had at separation.

- E. The Agency Head or designee permits the leave to be shared with an eligible employee.
- F. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee's vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for annual leave balances will be prorated.
- G. Employees may not donate excess vacation leave that the donor would not be able to take due to an approaching anniversary date.
- H. The donating employee may donate any specified amount of sick leave provided the donation does not cause the employee's sick leave balance to fall below one hundred seventy-six (176) hours after the transfer. For purposes of sick leave donation, a day equals the donor's monthly sick leave accrual.
- I. The donating employee may donate all or part of a personal holiday. Any portion of a personal holiday that is not used will be returned to the donating employee.
- 14.4** The Agency Head will determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of five hundred twenty-two (522) days of shared leave during total state employment. The Employer may authorize leave in excess of five hundred twenty-two (522) days in extraordinary circumstances for

an employee qualifying for the program because they are suffering from an illness, injury, impairment or physical or mental condition which is of an extraordinary or severe nature. A non-permanent or on-call employee who is eligible to use accrued leave or personal holiday may not use shared leave beyond the termination date specified in the non-permanent or on-call employee's appointment letter.

14.5 The Agency Head or designee will require the employee to submit, prior to approval or disapproval;

- A. A medical certificate from a licensed physician or health care practitioner verifying the severe or extraordinary nature and expected duration of the condition when the employee is qualified under Section 14.3 (A)(1), (6) or (7) of this Article;

14.6 Any donated leave may only be used by the recipient for the purposes specified in this Section.

14.7 The receiving employee will be paid their regular rate of pay; therefore, one (1) hour of shared leave may cover more or less than one (1) hour of the recipient's salary. The calculation of the recipient's leave value will be in accordance with Office of Financial Management policies, regulations, and procedures. The dollar value of the leave is converted from the donor to the recipient. The leave received will be coded as shared leave and be maintained separately from all other leave balances.

- 14.8**
- A. An employee receiving industrial insurance replacement benefits may not receive greater than twenty-five percent (25%) of their base salary from the receipt of shared leave.
 - B. Shared leave may be used intermittently or on nonconsecutive days so long as the leave has not been returned under Subsection 14.9 of this Article.
 - C. For shared leave qualified under Subsection 14.3 (A)(5) of this Article, the employee is not required to deplete all of their vacation leave and sick leave and can maintain up to forty (40) hours of each of vacation and sick leave.

- 14.9** Any shared leave no longer needed or will not be needed at any future time in connection with the original injury or illness or for any other qualifying condition by the recipient, as determined by the Agency Head or designee will be returned to the donor(s).

Unused leave may not be returned until the conditions in [RCW 41.04.665](#)(10) are met.

The shared leave remaining will be divided among the donors on a prorated basis based on the original donated value and returned at its original donor value and reinstated to each donor's appropriate leave balance. The return will be prorated back based on the donor's original donation.

- 14.10** If an employee has a need to use shared leave due to the same condition listed in the previously approved request, the agency head or designee must approve a new shared leave request for the employee.
- 14.11** All donated leave must be given voluntarily. No employee will be coerced, threatened, intimidated, or financially induced into donating leave for purposes of this program.
- 14.12** The Agency will maintain records which contain sufficient information to provide for legislative review.
- 14.13** An employee who uses leave that is transferred under this Section will not be required to repay the value of the leave used.

ARTICLE 15

FAMILY AND MEDICAL LEAVE, PREGNANCY DISABILITY LEAVE, PARENTAL LEAVE AND PAID FAMILY AND MEDICAL LEAVE

- 15.1** A. Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of family medical leave in a twelve (12) month period for any one or more of the following reasons 1-4:
1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child;
 2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;
 3. Family medical leave to care for a spouse, son, daughter, or parent, who suffers from a serious health condition that requires on-site care or supervision by the employee.
 4. Family medical leave for a qualifying exigency when the employee's spouse, state registered domestic partner as defined by [RCW 26.60.020](#) and

26.60.030, child of any age, or parent is on active duty or call to active duty status of the Reserves or National Guard for deployment to a foreign country. Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

5. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- B. Entitlement to family medical leave for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
 - C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, exchange time, personal holidays, compensatory time off, or shared leave.
- 15.2 The family medical leave entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins family medical leave. Each time an employee takes family medical leave during the twelve (12) month period, the leave will be subtracted from the twelve (12) weeks of available leave.
 - 15.3 The Employer will continue the employee's existing employer-paid health insurance, life insurance and disability insurance benefits during the period of leave covered by family medical leave. The employee will be required to pay their share of health insurance, life insurance and disability insurance premiums.
 - 15.4 The Employer has the authority to designate absences that meet the criteria of the family medical leave. The use of any paid or unpaid leave (excluding leave for a work-related illness or injury covered by workers' compensation or assault benefits and compensatory time) for a family medical leave qualifying event will run concurrently with, not in addition to, the use of the family medical leave for that event. An employee has the option of using some, or all of their paid leave for a family medical leave qualifying event, but must follow

the notice and certification requirements relating to family medical leave usage in addition to any notice and certification requirements relating to the use of paid leave.

15.5 The Employer may require certification from the employee's, the family member's, or the covered service member's health care provider for the purpose of qualifying for family medical leave.

15.6 Personal medical leave, serious health condition leave or serious injury or illness leave covered by the family medical leave may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

15.7 Upon returning to work after the employee's own family medical leave-qualifying illness, the employee may be required to provide a fitness for duty certificate from a health care provider. Once the employee provides the fitness for duty certification, the agency will not delay the return to work while the agency seeks clarification and authentication from the employee's health care provider.

15.8 The employee will provide the Employer with not less than thirty (30) days' notice before the family medical leave is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.

15.9 Parental Leave

A. Parental leave will be granted to the employee for the purpose of bonding with the employee's newborn, adoptive or foster child. Parental leave may extend up to six (6) months, including time covered by the family medical leave, during the first year after the child's birth or placement. Leave beyond the period covered by family medical leave may only be denied by the Employer due to operational necessity. Such denial may be grieved beginning at the agency director step of the grievance procedure in [Article 31](#).

B. Parental leave may be a combination of the employee's accrued vacation leave, sick leave, personal holiday, compensatory time, personal leave day, exchange time, or leave without pay. Sick leave may only be used for the same time period the employee is approved and using FMLA leave for baby bonding purposes.

15.10 Pregnancy Disability Leave

A. Leave for pregnancy or childbirth related disability is in addition to any leave granted under FMLA.

B. Pregnancy disability leave will be granted for the period of time that an employee is sick or temporarily disabled because of pregnancy and/or childbirth. An employee must submit a written request for disability leave due to pregnancy and/or childbirth in accordance with agency policy. An employee may be required to submit medical certification or verification for the period of the disability. Such leave due to pregnancy and/or childbirth may be a combination of sick leave,

vacation leave, personal holiday, compensatory time, exchange time, personal leave day, and leave without pay. The combination and use of paid and unpaid leave will be the choice of the employee.

15.11 The parties recognize that the Department of Labor could further define the amendments to FMLA. The Employer and employees will comply with existing and any newly developed federal FMLA regulations, interpretations and/or definitions.

15.12 Washington State Paid Family and Medical Leave Program (PFML)

- A. The parties recognize that the Washington State Paid Family and Medical Leave (PFML) program ([RCW 50A](#)) is in effect and eligibility for and approval for leave for purposes as described under that Program shall be in accordance with [RCW 50A](#).
- B. The employee will provide the Employer with not less than thirty (30) days' notice before PFML is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- C. The employee may use sick leave, personal holiday, compensatory time, personal leave day or vacation leave as a supplemental benefit while receiving a partial wage replacement for paid family and/or medical leave under the PFML. The employer may require verification that the employee has been approved to receive benefits for paid family and/or medical leave under [Title 50A RCW](#) before approving leave as a supplemental benefit.

ARTICLE 16
SEVERE INCLEMENT WEATHER,
NATURAL DISASTER, AND EMERGENCY CLOSURE LEAVE

16.1 If the Employer decides that a state office or work location is non-operational (for WAFHP this decision will be made by the appropriate Regional Fish Program Manager) or inaccessible due to severe inclement weather or natural disaster, or other emergency resulting in closure, the following will apply:

- A. Non-emergency (or emergency, if applicable) employees may be released with no loss of pay during the disruption of services.
- B. Non-emergency (or emergency, if applicable) employees may be reassigned to similar positions at locations within a reasonable driving distance from the non-operational location during the disruption of services, or the employee may be offered the option to telework.
- C. If affected state offices or work locations are reasonably believed to be temporarily non-operational, employees will be allowed to utilize accrued leave for up to four (4) weeks. The employee's leave will be charged in the following order:

1. Any earned compensatory time, or exchange time unless this would result in the loss of their vacation leave;
 2. Any accrued vacation leave;
 3. Accrued sick leave, up to a maximum of three (3) days in any calendar year;
 4. Leave without pay.
- D. At the discretion of the Employer, if, after four (4) weeks, the state office or work location is still non-operational, non-emergency employees may be subject to a temporary reduction of work hours or temporary layoff consistent with Section 35.5 of Article 35, Layoff and Recall, of this Agreement.
- 16.2** If a work location remains fully operational but an employee is unable to travel to work, remain at work, or telework because of severe inclement weather or a natural disaster, the employee's leave will be charged in the following order:
- A. Any earned compensatory time, or exchange time unless this would result in the loss of their vacation leave;
 - B. Any accrued vacation leave;
 - C. Any accrued sick leave, up to a maximum of three (3) days in any calendar year; then
 - D. Leave without pay
Although the types of paid leave will be used in the order listed above, and each type of paid leave will be exhausted before the next is used, employees will be permitted to use leave without pay rather than vacation or sick leave at their request.
- 16.3** Employees who report to work late due to severe inclement weather or a natural disaster will be allowed up to one (1) hour of paid time (up to two (2) hours for employees who work on McNeil Island). The State may grant additional paid time if deemed reasonable under the circumstances. Section 16.2 will apply to any additional late time.

ARTICLE 17

MISCELLANEOUS LEAVE

- 17.1** Subject to the Employer's prior approval, employees will be allowed paid leave, during scheduled work time, for:
- A. Examinations or interviews for state employment;
- Each employee will be allowed paid leave during their scheduled work hours for examinations and interviews for state employment. Approval cannot be denied for up to four (4) times in a calendar year, unless it interferes with the business needs

of the agency. Any additional examinations and interviews are subject to the Employer's prior approval. The employer may approve reasonable travel time.

- B. Assessment from the Employee Assistance Program (EAP);
- C. Life-giving procedures, blood platelet and fluid donations;
- D. Jury Duty as outlined in 17.2;
- E. To appear in court or administrative hearing, as specifically provided below in Section 17.3;
- F. For bereavement leave, as specifically provided below in [Section 17.5](#).
- G. To allow an employee to take a reasonable amount of leave, up to one work shift, with pay for the employee to receive the CDC recommended vaccine(s) during a pandemic and declared state of emergency, if the vaccine is not offered at the workplace. The employer may require that the request for leave be supported by documentation, which may include proof of the vaccination.

17.2 Jury Duty

Employees will receive paid leave and be allowed to retain any compensation paid to them for their jury duty service. Employees will promptly inform the Employer when notified of the employee's jury duty summons. If selected to be on a jury, employee-requested schedule changes will be approved, to accommodate jury duty service. If employees are released from jury duty and there are more than two (2) hours remaining on their work shift, they may be required to return to work.

17.3 A subpoenaed employee will receive paid leave, during scheduled work time, to appear as a witness in a court or an administrative hearing for work-related cases, unless the employee:

- A. Is a party in the matter and is not represented by the Attorney General's Office of the state of Washington, or
- B. Has an economic interest in the matter.

Nothing in this Section will preclude an employee from receiving regular pay, travel expenses and per diem to appear in court or an administrative hearing on behalf of the Employer.

17.4 Employees will not be eligible for per diem or travel expenses under this Article.

17.5 Bereavement Leave

- A. An employee is entitled to five (5) days of paid bereavement leave if the employee's family member, or household member dies, or for the loss of a pregnancy. An employee may request less than three (3) days of bereavement leave.

1. For loss of pregnancy, a qualifying pregnancy is defined as the pregnancy of the employee, the employee's spouse or partner who would have been the parent, including through surrogacy or adoption.
- B. The Employer may require verification of the family member's, relative's, or household member's death.
- C. In addition to paid bereavement leave, the Employer may approve an employee's request to use compensatory time, sick leave, vacation leave, exchange time, the employee's personal holiday or leave without pay for purposes of bereavement and in accordance with this Agreement.
- D. In the event of the death of a relative, the Employer will approve the employee's accrued paid leave listed in (C) above for all deaths up to a total of five (5) days for each calendar year. The Employer may deny leave requested under this provision for the holidays specified in [Section 11.1](#), Paid Holidays.
- E. For purposes of this sub-article a family member is defined in [Subsection 13.2 \(K\)\(1\)](#); a household member is defined in Subsection 13.2 (K)(3); and a relative is defined in Subsection 13.2 (K)(2).

17.6 Personal Leave

- A. An employee may choose one (1) workday as a personal leave day per fiscal year during the life of this Agreement if the employee has been continuously employed for more than six (6) months.
- B. The Employer will release the employee from work on the day selected for personal leave if:
 1. The employee has given at least fourteen (14) calendar days' written notice to their supervisor. However, the supervisor has the discretion to allow a shorter notice period.
 2. The number of employees selecting a particular day off does not prevent the agency from providing continued public service.
- C. Personal leave may not be carried over.
- D. Part-time and on-call employees who are employed during the month in which the personal leave day is taken will be compensated for the personal leave day in an amount proportionate to the time in pay status during the month to that required for full-time employment.
- E. Upon request, an employee will be approved to use part or all of their personal leave day for:
 1. The care for family members as required by the Family Care Act, [WAC 296-130](#);

2. Leave as required by the Military Family Leave Act, [RCW 49.77](#) and in accordance with [Article 18.11](#); or
3. Leave as required by the Domestic Violence Leave Act, [RCW 49.76](#).

17.7 Life-Giving Procedures, Blood Platelet and Fluid Donations

- A. When approved, employees will receive paid leave, not to exceed thirty (30) working days in a two (2) year period, for participating in life-giving procedures. Such leave shall not be charged against sick leave or annual leave, and use of leave without pay is not required. “Life-giving procedure” is defined as a medically-supervised procedure involving the testing, sampling, or donation of organs, tissues, and other human body components for the purposes of donation, without compensation, to a person or organization for medically necessary treatments. “Life giving procedure” does not include the donation of blood or plasma. Employees will provide reasonable advance notice and written proof from an accredited medical institution, physician or other medical professional that the employee participated in a life-giving procedure. Agencies may take into account program and staffing replacement requirements in the scheduling of leave for life-giving procedures.
- B. When approved, employees will receive paid leave, not to exceed five (5) working days in a two (2) year period, for the donation of blood platelets or fluids to a person or organization for medically necessary treatments. The Employer may approve additional days through the use of accrued paid leave. Employees will provide reasonable advance notice and written proof from an accredited medical institution, physician or other medical professional that the employee participated in the donation procedure. Agencies may take into account program and staffing replacement requirements in the scheduling of leave for these donations.

17.8 Wildfire Disaster Leave

24.4 Process

- A. Employees requesting to donate to or receive leave from the uniformed service shared leave pool must follow their agency policies and procedures addressing uniformed service shared leave.

Should two or more hatchery staff of the same job class request to move into a vacant house the house will be awarded to the Fish Hatchery specialist with the most seniority.

Seniority, for application to this Subsection only, is defined as: the most time working for WDFW within the Hatcheries Division without a break in service.

25.5 Teamsters 174 (CVEO 4)

The Employer will pay all applicable fees for parking Agency-issued vehicles for employees assigned to the Helen Sommers Building and/or on Capitol campus.

26.2 All Employees (excluding the Washington State Patrol and Liquor and Cannabis Board)

Employees will report all arrests and any court-imposed sanctions or conditions that would prevent or negatively affect their ability to perform assigned duties to their Appointing Authority or designee within twenty-four (24) hours or prior to their scheduled work shift or work period, whichever occurs first.

**ARTICLE 27
TELEWORK, COMMUTE TRIP REDUCTION AND PARKING**

- 27.2** Agencies may provide commute trip reduction incentives consistent with agency policies and within available resources.
- 27.3** Pursuant to Executive Order 14-02, the Employer may allow employees to work from home in order to reduce their commute by one or more days a week if the employer determines that their position and work is conducive to a work from home agreement. During the term of this Agreement, agency-administered parking rates charged to employees who work at facilities located off the Capitol Campus will not be increased from the facility parking rates in existence as of June 30, 2009.
- 27.4** The Employer will maintain a telework policy, process, and procedure regarding telework.

- 27.8 Van Pool Subsidy**
A van pool subsidy will be available in the state where a public transit vanpool provider offers a van pool service. Some rural areas may lack a provider. Lack of provider in a region does not disqualify a rider from claiming a van pool benefit. If a rider identifies a van pool that meets a transit agency’s ridership requirements, the transit agency has discretion for providing a van pool service that exceeds its traditional service area.
- All full-time, part-time, temporary, or non-permanent employees who are benefit eligible and work for an agency that has completed an agreement with WSDOT will be eligible to receive the full subsidy van pool benefit.

ARTICLE 29 DEFENSE AND INDEMNIFICATION

29.1 Employee Liability

Upon proof of purchase, Management will reimburse each Master on a quarterly basis, one hundred twenty-five dollars (\$125.00).

ARTICLE 30 DISCIPLINE

30.1 Just Cause

The Employer will not discipline any permanent employee without just cause.

For Law Enforcement Employees – The parties agree that the Department of Fish and Wildlife (DFW) is required to make certain disclosures to prosecuting attorneys pursuant to Brady v. Maryland, 373 U.S. 83 (1963). Even if the underlying facts surrounding the disclosure may give rise to discipline, the parties agree that the disclosure or subsequent prosecutorial designation will not be the sole basis for the discipline.

30.2 Employee Privacy

When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.

30.3 Forms of Discipline

Discipline includes oral and written reprimands, reduction in pay, suspension, demotion, and discharge.

30.4 Investigative Process

- A. The Employer has the authority to determine the method, develop and follow appropriate guidelines for conducting investigations and notify the Union of those guidelines.
- B. Upon written request by the Union to the Agency HR Director or designee, if an investigation lasts longer than forty-five (45) days from the date the employee was notified of the investigation, the Employer will notify the Union in writing of the current status of the investigation (for example: interviews pending, drafting of investigative report, waiting for analysis of data) and the Employer will provide an anticipated timeframe for completion. The Employer will provide its response to the Union's request for the current status of the investigation at least ten (10) days from the date of request by the Union. However, in the event the Employer does not respond to the Union's request for a status of the investigation within ten (10) days, the failure to meet this timeframe will not be a basis for challenging the disciplinary action or precluding admissibility of evidence.
- C. At the conclusion of any investigation where the Employer elects not to take disciplinary action, the employee will be provided with a notification when the investigation is completed and that no discipline will be imposed.

30.5 Investigatory Interviews

- A. For Board of Industrial Insurance Appeals (BIIA) - Unless exigent circumstances exist, the employer will notify the employee at least forty-eight (48) hours in advance of an investigatory interview. The employee may waive the forty-eight (48) hour period. The notification will include the nature of the interview.

For all other Agencies - Unless exigent circumstances exist, the employer will notify the employee at least twenty-four (24) hours in advance of an investigatory interview. The employee may waive the twenty-four (24) hour period. The notification will include the nature of the interview.

- B. Upon request, an employee has the right to a Union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a Union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. The role of the representative is to provide assistance and counsel

to the employee, rather than serve as an adversary to the investigator. The exercise of rights in this Article must not interfere with the Employer's right to conduct the investigation.

- C. Employees have a duty to fully cooperate with an Agency investigation. Employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington and this collective bargaining agreement.
- D. The Employer will allow a reasonable break for an employee participating in an investigatory interview.
- E. Nothing in the prior Subsection will prevent an employee from giving a public safety statement at the scene to preserve evidence, identify witnesses or otherwise protect officer and/or public safety. The parties agree that public safety statements are necessary to ensure public safety and scene integrity.

30.6 Alternative Assignments

An employee placed on an alternate assignment during an investigation will be informed of the reason(s) for the alternative assignment, unless it would compromise the integrity of the investigation. Such a reassignment shall not result in the loss of base salary to the employee. If an alternative assignment lasts longer than ninety (90) days from the date the employee is placed on alternate assignment, and every thirty (30) days thereafter if necessary, upon written request from the Union, the Employer will provide a written explanation to the employee and the designated Union representative of the current status of the investigation and whether to continue the alternate assignment. The employee will not be prohibited from contacting their Union representative(s) unless there is a conflict of interest, in which case the employee may contact another union representative. This does not preclude the Employer from restricting an employee's access to agency premises. Upon completion of the investigation process(es), the employee will be notified.

30.7 Pre-Disciplinary Meetings

Prior to imposing discipline, except oral or written reprimands, the Employer will offer the opportunity to schedule a pre-disciplinary meeting with the employee. Five (5) days prior to the pre-disciplinary meeting, the Employer will inform the employee and the Union of the reasons for the contemplated discipline and an explanation of the evidence and copies of written documents relied upon to take the action. Employees may request a shorter timeframe for the pre-disciplinary meeting. The employee will be provided an opportunity to respond in writing or in person.

30.8 Notice Prior to Reduction in Pay or Demotion

The Employer will provide an employee with fifteen (15) calendar days written notice prior to the effective date of the reduction in pay or demotion.

30.9 Ability to Grieve Specific Discipline

The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in [Article 31](#), Grievance Procedure, Oral Reprimands, however, may only be processed through the Agency Head step of the grievance procedure.

30.10 Copy of Disciplinary Action Provided to Union

Copies of disciplinary actions, except for oral reprimands, will be sent to the Union at the time it is given to the employee.

ARTICLE 31 GRIEVANCE PROCEDURE

31.1 The purpose of this Article is to provide for an orderly method of resolving disputes over the provisions of this Agreement. Whenever possible, disputes should be resolved informally, at the lowest level. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

31.2 Terms and Requirements

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been an act that violates this Agreement which occurred during the term of this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees.

C. Computation of Time

Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance must include the following information:

1. The nature of the grievance;

2. All pertinent facts or issues, including date of occurrence, upon which the grievance is based;
 3. The specific Article and Section of the Agreement violated;
 4. The specific remedy requested; and
 5. The name of the grievant(s) and signature, or other official acknowledgement, of the Union representative.
- F. Modifications
No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.
- G. Resolution
If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.
- H. Withdrawal
A grievance may be withdrawn at any time.
- I. Resubmission
If terminated, resolved or withdrawn, a grievance cannot be resubmitted.
- J. Pay
Grievants will not lose pay for attending grievance meetings or arbitration hearings held during their work time. Grievants will not be paid for meetings held during their off-duty time.
- K. Consolidation
The Employer may consolidate grievances arising out of the same set of facts.
- L. Bypass
Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.
- M. Discipline
Disciplinary grievances will be initiated at the level at which the disputed action was taken.

31.3 Filing and Processing

- A. Filing
A grievance must be filed within twenty-one (21) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.

The employee may first discuss the issue with the immediate supervisor in an attempt to informally resolve the issue. The employee may elect to have a union representative or union steward present.

Even when informal discussions occur, the written grievance must be filed no later than the twenty-one (21) days described above.

Grievances will be filed electronically to the employer at the Agency's Human Resource Office and/or Agency's Labor Relations Office.

B. Alternative Resolution Methods

Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

C. Processing

1. **Step 1: Responsible Supervisor, Manager or Designee:**

If the issue is not resolved informally, the Union may file a written grievance with the employee's supervisor or designee with a copy to the Human Resources Office, within the twenty-one (21) day period described above. The Employer will designate a responsible supervisor, manager or designee who will, upon agreement of the parties, meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within fifteen (15) days after the meeting. If the parties cannot agree on the meeting process, the Union may move the grievance to Step 2 of the grievance procedure. For FWO, with notice to the Chief or designee, one additional union steward with knowledge relevant to the grievance may also participate in the conference, provided that the steward does so while in an unpaid status.

Note: The Departments of Fish and Wildlife, Department of Corrections, Social and Health Services, Enterprise Services, Liquor and Cannabis Board and the Washington State Patrol will bypass Step 1.

2. **Step 2: Appointing Authority or Designee:**

If the grievance is not resolved at Step 1, the Union may move it to Step 2 by filing the written grievance, with the Appointing Authority or designee, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 1 decision.

For agencies bypassing Step 1: If the issue is not resolved informally, the Union may file a written grievance with the employee's Appointing

Authority or designee, with a copy to the Human Resources Office within the twenty-one (21) day period described in 31.3 A.

In either case, the Appointing Authority or designee will meet (or if mutually agreeable confer by telephone), with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the grievance and will respond in writing to the Union within fifteen (15) days after the meeting.

3. Step 3: Agency Head or Designee:

If the grievance is not resolved at Step 2, the Union may move it to Step 3 by filing the written grievance with the Agency Head, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 2 decision. Upon agreement of the parties, the Agency Head or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the Step 3 grievance request. Management will provide a written response to the Union within fifteen (15) days after the meeting and if the remedies are denied the response will include an explanation.

Note: If the Agency Head is the only Appointing Authority for the Agency, Step 3 will be bypassed.

4. Step 4: Mediation or Pre-Arbitration Review Meeting:

If the grievance is not resolved at Step 3, the Union may either file a request for mediation with Public Employment Relations Commission (PERC) or file a demand for a pre-arbitration review meeting with a copy of the grievance and all responses attached.

A. Request for Mediation

The Union may choose to file a request for mediation with PERC in accordance with [WAC 391-55-020](#), with a copy to OFM State Human Resources Labor Relations and Compensation Policy Section (LR&CP) at the email address labor.relations@ofm.wa.gov and the agency's Human Resources Office within fifteen (15) days of receipt of the Step 3 decision.

B. Request for Pre-Arbitration Review Meeting (PARM)

As an alternative to requesting mediation, the Union may request a PARM. The PARM shall be filed with the OFM State Human Resources Labor Relations and Compensation Policy Section (LR&CP) at the email address labor.relations@ofm.wa.gov and the Agency's Human Resource Office within fifteen (15) days of the Union's receipt of the Step 3 decision. Within fifteen (15) days of the receipt of the pre-arbitration demand, the LR&CP will either:

1. Schedule a pre-arbitration review meeting with the LR&CP Assistant Director or designee, an agency representative, and the Union's representative to review and attempt to settle the dispute. If the matter is not resolved in this pre-arbitration review, within fifteen (15) days of the meeting, the Union may file a demand to arbitrate the dispute as set out in Step 5 below, or
2. Notify the Union in writing that no pre-arbitration review meeting will be scheduled. Within fifteen (15) days of receipt of this notice, the Union may file a demand to arbitrate the matter with the AAA, or through a mutually agreed upon list of arbitrators.

5. Step 5: Arbitration:

Filing Demand to Arbitrate

If the grievance is not resolved at Step 4, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed within fifteen (15) days of the mediation session or PARM with either (1) the American Arbitration Association (AAA), or (2) the Public Employment Relations Commission (PERC). In addition, a demand to arbitrate must be filed with the OFM State Human Resources Labor Relations and Compensation Policy Section (LR&CP) at the email address labor.relations@ofm.wa.gov and the Agency's Human Resource Office and/or Agency Labor Relations Office.

A. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names from the list of arbitrators provided by the AAA or by request to the Public Employment Relations Commission (PERC) for a list of seven (7) or nine (9) arbitrators, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing.

B. Authority of the Arbitrator

1. The arbitrator will:
 - a. Have no authority to add to, subtract from, or modify any of the provisions of this Agreement;
 - b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
 - c. Not make any decision that would result in the violation of this Agreement;

2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.
3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

C. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for one-half (1/2) of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its attorneys, representatives, witnesses, travel expenses and any fees. Grievants will be paid for participation in arbitration hearings and may use leave for preparation for and travel to or from arbitration hearings.

ARTICLE 32

The Employer will provide access to the file as soon as possible but not more than fourteen (14) calendar days from the date of a request. The employee and/or

 - 3. The employee submits a written request for its removal.
- C. Records of disciplinary actions involving reductions-in-pay, suspensions or demotions, and written reprimands not removed after three (3) years, will be removed after five (5) years if:

- F. Nothing in this Section will prevent the Employer and employee from agreeing to an earlier removal date, unless to do so would violate [RCW 41.06.450](#).
- G. Any disciplinary actions removed from an Employee's personnel file may not be considered for progressive purposes.

32.5 Supervisory Files

Supervisory files will be purged of the previous year's job performance information following the completion of the annual performance evaluation, unless circumstances warrant otherwise. Employees retain a right to review their supervisory file.

33.1 Reasonable Accommodations

A. Safety Accommodations

1. An employee may request a reasonable safety accommodation if the employee or the employee's family member is a victim or perceived victim of domestic violence, sexual assault or stalking (victim). An employee may be required to show verification of the need for a safety accommodation by providing a police report showing the employee or family member was a victim, a court order protecting or separating the victim from the perpetrator of the act, or other evidence from the court or the prosecuting attorney to support the request. Documentation from an advocate for victims, an

attorney, a member of the clergy or a medical or other professional who provides services to such victims may be provided, but it shall retain its confidential or privileged nature of communication pursuant to stat law. An employee can also provide a written statement that they or a family member are a victim and in need of the safety accommodation. Verification of the familial relationship to the victim can be in the form of a statement from the employee, a birth certificate, court document, or other similar documentation.

2. A reasonable safety accommodation may include, but is not limited to:
 - a. A transfer, reassignment, modified schedule, changed work telephone number, changed work email address, changed workstation, installed lock, implemented safety procedure, or any other adjustment to a job structure, workplace facility, or work requirement in response to actual or threatened domestic violence, sexual assault, or stalking.
 - b. Leave pursuant to [Article 12](#), [Article 13](#) and [Article 18](#) may be considered a reasonable safety accommodation.
 - c. The Agency may deny a reasonable safety accommodation request based on an undue hardship, which means an action requiring significant difficulty or expense.

B. Pregnancy Accommodations

1. For purposes of this Section, “pregnancy” includes the employee’s pregnancy and pregnancy related health conditions.
2. A pregnant employee may request a reasonable accommodation, which may include any of the following:
 - a. Providing more frequent, longer, or flexible restroom breaks;
 - b. Modifying a no food or drink policy;
 - c. Job restructuring, part-time or modified work schedules, reassignment to a vacant position, or acquiring or modifying equipment, devices, or an employee’s work station;

 - e. Providing for a temporary transfer to a less strenuous or less hazardous position;
 - f. Providing assistance with manual labor and limits on lifting;

- g. Scheduling flexibility for prenatal visits; and
 - h. Any further pregnancy accommodation an employee may request, and to which an Agency must give reasonable consideration in consultation with information provided on pregnancy accommodation by the Department of Labor and Industries or the attending health care provider of the employee.
3. The Agency may deny a reasonable pregnancy related accommodation based on undue hardship if the requested accommodation requires significant difficulty or expense. An Agency may not claim undue hardship for the accommodations listed above in (2) (a), (b) and (d), or for limits on lifting over seventeen pounds, and the Agency may not request written certification for those same accommodation requests.
 4. The Agency will not require a pregnant employee to take leave if another reasonable accommodation can be provided.
 5. An Agency, except for the limitations in (3) above, can require the employee to provide written certification from their treating health care professional regarding the need for a reasonable accommodation.
 6. An Agency does not have to create a position for an employee asking for a pregnancy accommodation or transfer a less senior employee, or promote the pregnant employee as part of a reasonable accommodation.

C. Disability Accommodations:

1. The Employer and the Union will comply with all relevant federal and state laws, regulations and executive orders providing reasonable accommodations to qualified individuals with disabilities.
2. An employee who believes that he/she suffers a disability and requires a reasonable accommodation to perform the essential functions of their position may request such an accommodation by submitting a request to the Agency.
3. Employees requesting accommodation must cooperate with the Agency in discussing the need for and possible form of any accommodation. The Agency may require supporting medical documentation and may require the employee to obtain a second medical opinion at agency expense. Medical information disclosed to the Agency will be kept confidential.
4. The Agency will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided. An employee may request a status update after thirty (30) days of their request for a reasonable accommodation. The Employer will provide a response to the employee within five (5) working days of the employee's update request.

33.2 Disability Separation

- A. An employee with permanent status may be separated from service when the Agency determines that the employee is unable to perform the essential functions of the employee's position due to a mental, sensory, or physical disability, which cannot be reasonably accommodated pursuant to 33.1 (C) above. Determinations of disability may be made by the Agency based on an employee's written request for disability separation or after obtaining a written statement from a physician or licensed mental health professional. The Agency must make a disability determination within a reasonable amount of time after the submittal of this paperwork. The Agency can require an employee to obtain an independent medical examination at the Agency's expense, including paid time, from a physician or licensed mental health professional of the Agency's choice. Evidence may be requested from the physician or licensed mental health professional regarding the employee's limitations.

An employee may elect to have a second medical examination, at the employee's expense, if the employee disagrees with the results of the Agency's physician's exam. The employee must use approved leave for the second exam. Upon request, the Agency will provide a copy of the documents which were provided to the Agency's examining professional to the employee's selected examining physician. The results of this examination will be taken into consideration when making an accommodation or separation determination.

- B. The Agency may separate an employee when the Agency has medical documentation of the employee's disability and has determined that the employee cannot be reasonably accommodated in any available position, or when the employee requests separation due to disability.
- C. An employee separated due to disability, will be placed in the General Government Transition Pool Program if he/she submits a written request for reemployment and has met the reemployment requirements of [WAC 357-46-090](#) through 105. Employees participating in the transition pool program shall have no right of appeal within the program.
- D. Disability separation is not a disciplinary action. An employee who has been separated due to disability may grieve their disability separation in accordance with [Article 31](#), Grievance Procedure, unless separation was at the employee's request. Upon written request, an employee who grieves a disability separation will be provided a copy of the medical information the Agency used to make the disability separation determination.

ARTICLE 34 SENIORITY

34.1 Definition

- A. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on call employees will be based

on actual hours worked. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when leave without pay is taken for:

1. Military leave or United States Public Health Services Workers' compensation;
2. Governmental service leave and leave to enter the Peace Corps, not to exceed two (2) years and three (3) months;
3. Educational leave, contingent upon successful completion of the coursework;
4. Reducing the effects of layoff; and/or
5. Compensable work related injury or illness leave.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward to an amount equal to the duration of the leave without pay. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with Article 35, Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from state service due to layoff and are reemployed within three (3) years of their separation date will not be considered to have a break in service.

- B. For the purposes of layoffs and recall, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse, or surviving state registered domestic partners as defined by [RCW 26.60.020](#) and [26.60.030](#), as provided for in [RCW 41.06.133](#).

- A. Longest continuous time within their current job classification;
- B. Longest continuous time with the Agency;
- C. Longest continuous time with the State; and
- D. By lot.

34.3 Semi-Annual Seniority List Posting

The Employer will prepare and post a seniority list and provide a copy to the Union by April 15th and September 15th of each year. The list will be updated annually and will contain each employee's name, job classification and seniority date. The list will be arranged in descending order of seniority. For the purpose of this posting, the seniority list will not include military service credit. Employees will have thirty (30) calendar days in which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct.

- 34.4** For purposes of layoff, the Employer will, at least thirty (30) days prior to the layoff or upon request by the union, provide the Union headquarters with the seniority list adjusted for military service credit. without dates specified. The Union will provide the Employer with any known discrepancies in seniority as soon as known. The list will be arranged in descending order of seniority. The parties recognize that the list may change as new information is provided and therefore the parties agree that the list provided to the union is an unofficial document intended only to supply general information based on DD214(s) on file with the agency.

- B. Employment in a class with a lower salary range;
- C. Reduction in the work year; or
- D. Reduction in the number of work hours.

- 35.2** The Agency will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article. Thirty (30) calendar days prior to any layoff, with the exception of those resulting from Subsection 35.6 below, each affected Agency will notify its respective union of its intent to lay off bargaining unit members. This notice shall include: the anticipated position(s) to be eliminated; an electronic list of the seniority of all bargaining unit employees including employee's job class and program; and a list of all known vacancies.

35.3 Basis for Layoff

Layoffs may occur for any of the following reasons:

- A. Lack of funds;
- B. Lack of work;
- C. Good faith reorganization;
- D. Ineligibility to continue in a position that was reallocated;
- E. Termination of a project;
- F. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

35.4 Voluntary Layoff, Leave Without Pay or Reduction in Hours

Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce their hours of work in order to reduce layoffs. If it is necessary to

limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted leave without pay and/or reduction in hours based on seniority if all staffing needs are equal. Employees who volunteer to be laid off may request to participate in the General Government Transition Pool Program and/or have their names placed on the internal layoff list for the job classifications in which they held permanent status.

35.5 Permanent, Non-Permanent and Probationary Employees

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

35.6 Temporary Reduction of Work Hours or Layoff – Agency Option

- A. The Agency may temporarily reduce the work hours of an employee to no less than twenty (20) per week, up to thirty (30) calendar days, due to severe and inclement weather or natural disaster, unanticipated loss of funding, or lack of work. Employees will normally receive notice of seven (7) calendar days of a temporary reduction of work hours.

 - 1. Be paid any leave balance;
 - 2. Bump to any other position; or
 - 3. Be placed on the internal layoff list.
- D. A temporary reduction of work hours or layoff will not affect an employee's periodic increment date and the employee will continue to accrue vacation and sick leave credit at their normal rate.

35.7 Layoff Units

- A. A layoff unit is defined as the geographical entity or administrative/ organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in Appendix B, Layoff Units.

Skills and abilities are documented criteria found in license/certification requirements, federal and state requirements, position descriptions, bona fide occupational qualifications

approved by the Human Rights Commission or recruitment announcements that have been identified prior to the layoff.

For the purposes of layoff, the Agency will use the most current completed position description form(PDF), reviewed, approved and signed by the appropriate chain of command, as the primary basis for determining the skills and abilities necessary to perform the duties of the position. Agencies will ensure that position description forms (PDF) accurately reflect the job duties of the position. The Union may challenge the use of any PDF within the bargaining unit that shows a significant change in the required skills and abilities for the position within three months of the layoff notice.

35.9 Formal Options

- A. Employees will be laid off in accordance with seniority, as defined in [Article 34](#), Seniority, among the group of employees with the required skills and abilities as defined in Section 35.8 of this Article. The Agency will determine if the employee possesses the required skills and abilities for the position. Employees being laid off will be provided an option to a comparable position in descending order within the layoff unit. Once an option as described in 1 – 3 below is available and offered, no further formal option will be provided.
 - 1. A funded vacant position for which the employee has the skills and abilities, within their current job classification. If there are multiple funded vacancies within the layoff unit, the employee(s) will be afforded a choice of vacancies according to seniority and the required skills and abilities.
 - 2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within their current job classification.
 - 3. A funded vacant position or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as their current permanent position, within a job classification in which the employee has held permanent status, or, at the employee's written request, to a lower classification within their current job classification series even if the employee has not held permanent status in the lower job classification.
- B. For multi-employee layoffs, more than one (1) employee may be offered the same funded, vacant or filled position. In this case, the most senior employee with the skills and abilities who accepts the position will be appointed. Appointments will be made in descending order of seniority of the employees with the skills and abilities of the position(s).
- C. If a job classification in which an employee has previously held status has been abolished or revised, a cross-walk to the class series will be used to identify layoff options. The employee must have the skills and abilities of any identified positions(s).

Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions.

35.10 Informal Options

An employee being laid off may be offered a funded vacant position to job classifications he/she has not held permanent status within their layoff unit provided the employee meets the skills and abilities required of the position and it is at the same or lower salary range as the position in which the employee currently holds permanent status. The Agency will determine if the employee possesses the required skills and abilities for the position.

An employee may request an informal option to job classifications through the agency's Human Resources Office within five (5) calendar days of receipt of a written notice of a permanent layoff. The award or denial of an informal option is not subject to the grievance procedure.

35.11 Notification to Employees With Permanent Status

Except for temporary reduction in work hours and temporary layoffs as provided in Section 35.6, employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. The notice will include the basis for the layoff and any options available to the employee. The Union/Association will be provided with a copy of the notice at the same time the employee is notified.
- B. Except for temporary reduction in work hours and temporary layoffs as provided in Section 35.6, if the agency chooses to implement a layoff action without providing fifteen (15) calendar day's notice, the employee will be paid their salary for the days that he/she would have worked had full notice been given.
- C. Employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the agency to the employee.
- D. The day that notification is given constitutes the first day of notice.

In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

35.14 Transition Review Period

- A. The Agency may require an employee to complete a six (6) month transition review period when the employee accepts a layoff option to a job classification in which he/she has:
1. Not held permanent status;
 2. Been appointed from the General Government Transition Pool Program;
 3. Been appointed from a layoff list.
- B. The Agency will have the authority to extend or shorten an employee's review period as long as the extension does not cause the review period to exceed twelve (12) months. In such case, the Employer will provide written notice of the extension to the union and employee of the basis for an extension. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Agency may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the layoff list. - C. Washington Association of Fish Hatchery Professionals (WAFHP) only: Pursuant to terms of [Article 3.15](#) B, employees who have been laid off will have the right to first refusal for positions within the classification in which they had previously held permanent status.

Board. In no instance will the employee contribution be less than two percent (2%) of the EMC per month.

- B. The point-of-service costs of the Classic Uniform Medical Plan (deductible, out-of-pocket maximums and co-insurance/co-payment) may not be changed for the purpose of shifting health care costs to plan participants, but may be changed from the 2014 plan under two (2) circumstances:

 - 2. To comply with or manage the impacts of federal mandates.
- C. Value-based benefits designs will:

- B. In accordance with IRS regulations and guidance, the Employer FSA funds will be made available for a Coalition bargaining unit employee who:

 - 2. Meets PEBB program eligibility requirements to receive the Employer contribution for PEBB medical benefits on January 1 of the plan year in which the Employer FSA funds are made available, is not enrolled in a high-deductible health plan, and does not waive enrollment in a PEBB medical plan except to be covered as a dependent on another PEBB non-high deductible health plan.

COMPENSATION APPENDIX J

SPECIAL PAY RANGES AND NOTES

These ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units. An affected class is identified by a letter designation following the basic salary range number or by a letter designation preceding a number. In the latter case, a special salary schedule will be used for such classes.

“E” RANGE: This range is used for classes having a prevailing pay range that is shorter than Washington’s standard range. An “E” range is a standard range with the first four (4) steps removed. Thus, the first step is the same as Step E of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“G” RANGE: This range is used for classes having a prevailing pay range which is shorter than Washington’s standard ranges. A “G” range is a standard range with the first six steps removed. Thus, the first step of such a range is the same as Step G of the standard range having the same range number. Periodic increases are made at the same intervals as through standard ranges.

“GS1” RANGE: This range applies to the following specific job classes: Physician 3, Physician 4, Psychiatrist. Periodic increases are made at the same intervals as through standard ranges.

“N1” RANGE: This range applies to nurses represented by the Coalition and is used for classes requiring licensure as a registered nurse and having a prevailing pay range which is longer than Washington’s standard ranges. An “N1” range is a standard range, step A through K, with ten (10) added steps, L through U. Periodic increases through step K of these ranges are made at the same intervals as through standard ranges. Thereafter, an employee receives a one-step increase based on years of experience up to the maximum step of the range.

“SP” RANGE: This range applies to the Washington State Patrol Commercial Vehicle Enforcement Officer series and Communications Officer series.

BETWEEN

WASHINGTON STATE NURSES ASSOCIATION

COALITION**

During the course of bargaining the 2023-2025 CBA, the WSNA raised concerns regarding safety, training, and use of preceptors.

In an attempt to address those issues, the parties have agreed to hold a series of quarterly meetings statewide with the following participants:

- Emergency Preparedness and Safety Manager
- Staff development coordinators
- Clinical compliance director
- Professional development manager
- Human resource representative
- Union Representative(s) as designated by the union

Safety Discussions

The meetings will offer an opportunity for management to make union representatives and WSNA members aware of the safety measures already in place and to discuss training related to a safe workplace unique to the veteran's homes. The nurses will be instrumental in providing feedback on these measures and encouraged to offer additional solutions. In addition, the parties will agree upon a course of action to ensure that all WSNA represented nurses are made aware of the many protections offered by the employer and to determine how best to keep nurses safe.

Training

Adequate training shall be a topic of discussion, including current training, the on-boarding project, and other areas of concern raised in advance by WSNA or DVA. During the on-boarding project, management will share how it intends to use preceptors and who will fill those rolls. The employer will share its timeline for the on-boarding project at the first quarterly meeting.

The meetings will commence at a mutually agreeable time and place to be set by the parties.

This MOU will go into effect on October 1, 2022.

BETWEEN
THE STATE OF WASHINGTON
AND
THE COALITION OF UNIONS**

Redeployment

In emergencies there may be mandated conditions that are outside of the Employer's control requiring immediate redeployment of the workforce. When the Office of Financial Management Director (or Designee) has determined that it is necessary, employees with the necessary skills, abilities, or licensure may request to be re-deployed outside their agency to another state agency at the request of their employer, to support staffing shortages. For the purpose of this MOU, an emergency is an event or set of circumstances which demands immediate action to preserve public health, protect life, protect public property or to provide relief to any overtaken by such occurrences; or reaches such a dimension or degree of destructiveness as to warrant the governor proclaiming a state of emergency pursuant to [RCW 43.06.010](#).

A. Designating an Emergency

- 1). Agencies will identify when emergency staffing is needed, any emergent workforce shortages and the number of employees and skills required to fill those shortages. Other agencies may identify employees who can be redeployed to help fill the identified shortages. The technical details required for effective redeployment, including training, equipment needs, work assignments, and payroll/benefit reimbursement, will be determined on a case-by-case basis between the borrowing and the lending agencies.
- 2). The lending agency will notify the Union when they are redeploying an employee to another agency. The notification to the Union will include at a minimum;
 - i) Which employees will be redeployed to an agency in need and when the employee volunteered for the redeployment;
 - ii) The employee's current job class, the type of work and scope that will be performed for the receiving agency, and the anticipated duration; and;
 - iii) Upon request, the employer will bargain with the Union over impacts of the redeployment within the scope of bargaining.

B. Redeployment to another agency

- (a) Employees who volunteer may be redeployed into a non-permanent appointment outside their agency. Non-permanent appointments will not exceed three (3) months. A non-permanent appointee must have the skills, abilities, or licensure required to perform the work. Employees who are redeployed to other agencies will remain in their current assigned positions and will not have their pay reduced

when performing duties for another agency. Employees performing the full scope of duties of a higher level classification while working for another agency will be compensated according to the compensation provisions of Article 41. The redeployed employee will comply with all safety and health practices and standards established by the receiving agency. The receiving agency will determine and provide the required safety devices, personal protective equipment and apparel needed. The receiving agency will provide employees with orientation and training to perform their jobs effectively and safely.

- (b) Employees who are redeployed into a non-permanent position will have return rights and will be notified, in writing, of their return rights to their exact same position and work schedule they previously held at the time of redeployment.
 - (c) Employees who are in a nonpermanent appointment at the time of redeployment to another state agency will have their nonpermanent appointment extended at their lending agency for the time period in which the employee was redeployed, but in accordance with the provisions of Article 5.
 - (d) Employees within a trial service period who are redeployed to another agency will have the time worked for the receiving agency applied toward their trial service. This does not preclude their lending agency from extending their trial service period for other reasons, in accordance with a collective bargaining agreement.
- A. Travel time and mileage costs incurred by the employee during their redeployment with the receiving agency will be paid by the receiving agency in accordance with the SAAM provisions.
 - B. For Employees who are redeployed when the temporary duty station at the receiving agency is located more than fifty (50) miles (most direct route) of the closer of either the Employee's official residence or official station, reimbursement for lodging expenses is allowed and the Employee will be offered local accommodations during the redeployment. For less than 50 miles, (C) above will apply. Reimbursement is allowed for lodging expenses.
 - C. Employees who are redeployed to other agencies will be notified in advance if a background check is required by the receiving agency. Employees have the right to decline the redeployment if a background check is required with no negative consequences within their current appointment.
 - D. The Union agrees that the work performed by the employee for the receiving agency is only temporary to meet the emergent business needs and will not become bargaining unit work. If a redeployed employee is assigned bargaining unit work during an emergency, that bargaining unit work remains in the bargaining unit at the receiving agency.

The provisions contained in this MOU become effective on July 1, 2025. This MOU shall expire June 30, 2027.

Retention and Recruitment Incentive

In recognition of the continuing difficulty to recruit and retain Liquor and Cannabis Board (LCB) enforcement officers, and the expectation that there will continue to be a barrier to recruitment and retention of enforcement officers for the foreseeable future, actions must be taken to recognize and maintain the experienced officers supporting state government and the services provided within the Liquor and Cannabis Board. The parties agree to the following:

A. Retention Incentive:

In order to be responsive in a highly competitive market, LCB enforcement officers employed with the Liquor and Cannabis Board will receive a one-time retention bonus of four thousand dollars (\$4,000.00) for current LCB Enforcement Officers and Lieutenants in the series to be paid as follows:

1. Once the current LCB Enforcement Officers and Lieutenants reach 24-months of continuous service; or
2. For the current LCB Enforcement Officers and Lieutenants that have already reached 24 months of continuous service and are still employed as an Enforcement Officer or Lieutenant on July 1, 2025, will receive the bonus in their July 25, 2025 pay check.

B. Recruitment Incentive:

In order to increase its appeal to applicants, the following recruitment incentives are established, up to seven thousand five hundred dollars (\$7500.00) for new LCB Enforcement officers:

- a. Recruitment incentives of two thousand dollars (\$2000.00) will be paid to enforcement officers on the first payroll date after beginning employment into a permanent appointment, as a sign-on bonus.

- b. A Recruitment and retention incentive of two thousand dollars (\$2000.00) will be paid at the successful completion of the 12-month probationary period at the LCB Enforcement Officer Recruit or Officer level, or at the 6-month trial service period at the LCB Officer level of employment in the permanent appointment, whichever is applicable.
- c. A final payment of three thousand five hundred dollars (\$3500.00) for the completion of an additional two (2) years of continuous employment in permanent appointment as an Enforcement Officer from the date of the periods identified in (b) above.
- d. Enforcement Officers who separate prior to receiving the full incentive will not be entitled to payment after the date of separation. 24/7 Facility Premium Pay

Washington State 24/7 facilities provide vital services to vulnerable individuals within our care. To strengthen recruitment and retention efforts to ensure continued delivery of services and reduce chronic absenteeism, the parties agree to implement a temporary 24/7 Facility Premium Pay as follows:

Employees who are assigned to a facility that provides direct care to residents, patients, youth, and/or clients, and whose duties are required to be performed on location will receive a five percent (5%) premium pay for all hours actually spent working on location. Agency locations that are designated as 24/7 facilities under this MOU are listed in Attachment A to this Memorandum of Understanding and the agency shall determine which positions are eligible for this premium pay. The determination of position eligibility shall not be subject to the grievance procedure.

For the purposes of this MOU holidays not worked and work hours designated as vacation leave, sick leave, compensatory time, or overtime hours and exchange time shall not be eligible for the additional 5% premium pay. Employees in positions whose duties are not required to be performed on location and who are eligible for regularly scheduled telework shall not be eligible for this premium pay unless their telework agreement specifically requires them to work on location three or more days per week.

This premium pay is added to the base salary and shall expire on **June 29, 2027**.
