COLLECTIVE BARGAINING AGREEMENT
By and Between
WHATCOM COUNTY, WASHINGTON
and
WASHINGTON STATE NURSES ASSOCIATION

PREAMBLE

This Agreement is by and between Whatcom County, hereinafter referred to as the "County," and the Washington State Nurses Association, hereinafter referred to as the "Association." The purpose of this Agreement is to facilitate the achievement of the mutual goal of providing quality community public health services, efficiently and economically, by establishing standards of wages, hours, and other conditions of employment, and to provide an orderly system of employer, employee relations.

ARTICLE 1 - RECOGNITION

1.1 Recognition. The County recognizes the Association as the sole collective bargaining agent representing all full-time and part-time employees working in the collective bargaining unit certified by the Public Employment Relations Commission in Case No. 2704-E-80-522 in those job classifications listed in Addendum A as they currently exist or as they may be amended during the life of this Agreement. Excluded from the bargaining unit are temporary full- or part-time help hired for periods of less than 1040 hours in a calendar year to meet the transient needs of the County with the understanding that employment will be terminated when the County determines the need for temporary help is over. A temporary employee may not be employed by the County for more than 1040 hours in a calendar year.

1.2 Unilateral Changes. The County agrees not to unilaterally change the working conditions, wages, or benefits of bargaining unit employees during the term of this Agreement. This section shall not be a waiver of RCW 41.56 rights. Changes made pursuant to a contractual provision shall not constitute a unilateral change.

1.3 Bargaining Unit Work. Existing bargaining unit work shall be performed by bargaining unit employees. When a new classification is created, the Association will continue to be recognized as the exclusive bargaining representative for employees performing traditional bargaining unit work, unless they are bona fide supervisory or administrative/management positions.

ARTICLE 2 - MEMBERSHIP AND UNION RIGHTS

2.1 Fair Share Membership. It shall be a condition of employment that all employees covered by this Agreement who are members of the Association in good standing on the date this Agreement is executed shall remain members in good standing and those who are not members on the date this Agreement is executed shall, on or after the thirtieth (30th) day following the date this Agreement is executed become and remain members in good standing

in the Association. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its execution date shall, on or before the thirtieth (30th) day following the beginning of such employment, become and remain members in good standing in the Association. Tender of the Association's periodic dues and initiation fees uniformly required as a condition of acquiring or obtaining such membership shall, for the purpose of this Article, be considered membership in the Association.

2.2 Religious Objections. In order to provide bargaining unit employees the right of non-association with the Association because of the employee's belief in bona fide religious tenets or teachings of a church or religious body of which such employee is a member, which has historically held conscientious objections to joining or financially supporting a labor organization shall not be required to join or financially support the Association, but in the alternative, shall be required to pay a monthly amount equal to the Association membership fee to a non-religious charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. These religious objections and decisions as to which fund will be used must be documented and declared in writing.

2.3 Dues Deduction. The County agrees to deduct Association dues from each employee's wages if the employee so desires. The County shall submit the dues to the address and name provided by the Association.

The Association and all bargaining unit employees agree to indemnify and hold harmless the County from any and all liability resulting from such deduction.

2.4 Access to Premises. The business representative authorized by the Association shall have access to the office during business hours, providing he or she does not interfere or cause employees to neglect their work.

2.5 Negotiations. Two employees of the bargaining unit shall be allowed paid time off for contract negotiation purposes. If the negotiations continue beyond the employees' regular workday, such employee shall not receive any pay beyond their regular work hours for participating in the negotiations. One additional bargaining unit employee elected to serve on the negotiating committee will, subject to operating efficiency, be released (without pay) from work to attend scheduled negotiating meetings. Such employee may use vacation or personal days to cover time spent at negotiating meetings.

2.6 Bulletin Board. The County shall provide bulletin board space for the use by the Association in areas accessible to members of the bargaining unit.

2.7 Meeting Rooms. The County shall make available to the Association, meeting space, rooms, etc., for the purpose of County-related contract administration and bargaining activities, and where such activities would not interfere with the normal work of the County, provided that bargaining unit employees who attend such meetings shall be on their own time. Upon request, the Association shall use the procedures for requesting space specified in County Policy AD118005Z.

2.8 Distribution of Agreement. The Association will provide copies of this Agreement and related materials to the County for distribution to new employees.

2.9 Rosters. The County agrees to provide the Association and the local unit chairperson with an Excel Spreadsheet attachment to an email on a monthly basis with a complete list of employees covered by this Agreement, as well as employees who have been terminated or have resigned since the last report, including termination/resignation dates. The list will include name, home address, home telephone number, employee number, title, range, step, hourly rate of pay, actual FTE, and division seniority date for each employee listed. The Union shall indemnify the County for any claims arising from the requirement to supply the foregoing information.

ARTICLE 3 - MANAGEMENT RIGHTS

The County retains all rights except as those rights are limited by the express provisions of this Agreement. Nothing anywhere in this Agreement shall be construed to impair the rights of the County to conduct all its business and all particulars except as expressly and specifically modified in this Agreement.

ARTICLE 4 - HOURS OF WORK AND OVERTIME

4.1 Work Schedule. The work schedule shall be set by the County as provided herein. The basic work week shall be forty (40) hours, Monday through Friday. The basic workday will be eight (8) hours. Special programs or unusual circumstances may necessitate work on other days; in such instances, the work week shall be five (5) days out of a seven (7) day period; provided the County shall notify employees at least one week prior to changing their work schedules. Nothing in this Article shall prevent the Health Director from changing work schedules, on a temporary basis, in the event of a bona fide public health emergency, as determined by the Director.

4.1.1 Modifications. Any change to employees' Section 4.1 work schedule shall be mutually agreed upon between the Association and the Executive or designee except in case of an emergency as provided by POL AD110010Z. Such agreed upon modifications to the workweek which result in a reduction of hours shall not be construed to be a "layoff" as provided in Article 16.

4.1.2 Work in Pt. Roberts. Employees who are required by the County to cross the border to Pt. Roberts to perform work will cooperate with their supervisor to adjust their schedule within the week to avoid the payment of overtime. Both parties recognize there may be circumstances where overtime work is unavoidable.

4.2 Overtime. All work performed in excess of the basic workday or scheduled workweek shall be compensated at time and one-half the regular straight-time hourly rate of pay. Payment for such hours worked shall be in wages or in equivalent compensatory time, in accordance with Section 4.9 below. All overtime must be approved in advance by the employee's supervisor, provided that the parties agree to continue the existing practice of allowing nurses to take flex time off at straight-time under circumstances where the employee alters the daily work schedule to accommodate operating needs.

4.3 Pyramiding. The hour requirements referred to above shall in no manner constitute

a guarantee, nor shall there be any pyramiding of overtime.

4.4 Alternative Scheduling. The County and the Association agree to continue alternative scheduling by mutual agreement (see LOU, item #6) between the Association and the Executive or designee. Such Agreement will provide for no reduction in the effective service to the public and will insure that critical service days are adequately covered by the remaining personnel. The parties will agree to a schedule that does not increase the County's compensation costs and that recognizes the impact of employee illnesses and vacations.

4.5 Flex Time. Upon employee request for a change of schedule and by mutual agreement between the employee and the department head or designee, "flex time" may be used for periodic personal employee matters, to make up doctor or dental appointments, to attend meetings or to perform work on behalf of the County. Such agreements shall provide for no reduction in service to the public and must not increase the County's compensation costs.

4.6 Emergency Callbacks. Emergency callbacks will be compensated at a minimum of two (2) hours to be compensated at time and one-half (1-1/2). When an employee is recalled to work from vacation, the employee shall be guaranteed a minimum of four (4) hours at the overtime rate and no deduction will be made from the employee's vacation balance for a day when the employee is recalled.

4.6.1 Telephonic Response. Employees authorized by their department head or designee to telephonically respond to emergencies, and who do respond between the hours of 9:00 p.m. and 6:00 a.m. shall receive one (1) hour minimum pay per incident at the rate of time and one half.

4.7 Reporting Pay. An employee who reports for work at the time scheduled by the County shall be entitled to pay for the full scheduled workday, even if the County is unable to provide work on the day they report. This reporting pay guarantee does not apply if the County notifies the employee prior to the start of his/her regularly scheduled shift not to report for work through any reasonable communication, taking into consideration the method of communication and the timing of the communication, such as electronically, voicemail, email, radio or television announcements, or in person.

4.8 Absence Due to Adverse Weather. Absence from work due to an employee's inability to report for scheduled work because of severe inclement weather, conditions caused by severe inclement weather or other unusual emergency conditions shall be charged to one of the following in sequential order, unless the employee wishes to designate a specific alternative option:

- a. Compensatory time.
- b. Any accrued vacation leave.
- c. Personal Holiday.
- d. Leave without pay.

An employee has the option of taking leave without pay, instead of having the lost

time charged against accruals, provided the departmental payroll clerk is notified before the payroll cutoff date.

Employees approved for flex time under Section 4.5 may use flex time under this section.

4.9 Compensatory Time. Compensatory time may be substituted for payment of one and one-half times the regular hourly pay rate for overtime work, by mutual agreement between the employee and the County, under the following conditions:

4.9.1. Accrual. The employee must request compensatory time in lieu of overtime pay. The County may grant the request, but shall not impose compensatory time upon any employee who has not requested it. Employees requesting compensatory time shall have such request granted up to an accrual of twenty-four (24) hours per calendar year. An employee may accrue no more than 80 hours of compensatory time. Any compensatory hours which would be above the 80 hour limit will be paid. Compensatory time is accrued at the rate of one and one-half hours for each hour of overtime worked.

4.9.2 Usage. An employee will be allowed to use the compensatory time within a reasonable period of time mutually acceptable to the employee and supervisor, so long as such use does not unduly disrupt the operations of the County.

4.9.3 Cashout. By mutual agreement between the employee and County, the employee may cash out accrued compensatory time at the end of each calendar year. The payment shall be calculated on the basis of the employee's regular hourly rate at the time payment is received. Upon termination of employment, an employee shall be paid for unused accrued compensatory time at the employee's current regular hourly rate.

4.10 Breaks. Breaks include two paid fifteen (15) minute rest breaks. A thirty (30) to sixty (60) minute lunch period on the employee's time beginning no earlier than two (2) hours and no later than five (5) hours after the start of the shift or as otherwise required/permitted by law. Employees not able to take a rest or lunch break shall notify their supervisor as soon as possible. Rest and lunch breaks may, at the employee's option, be intermittent. The thirty minute lunch period must be by mutual agreement of the employee and his/her supervisor, except in the case of alternative schedules where service needs must be met. Lunch and rest breaks may not be accumulated or not taken in order to shorten the workday or workweek. Section 4.2 of this agreement shall apply when an employee is not able to take a rest break.

Employees on maternity leave not eligible for FMLA shall use their accrued sick leave and vacation leave. Unless the birth mother chooses to invoke FMLA, a birth mother's period of temporary pregnancy-related disability shall not be deducted from the FMLA leave entitlement. If additional leave is required, it shall be without pay, for a total of six (6) months, at the discretion of and with prior written approval of the Health Director and Executive or designee. Normally, there would be no extension beyond six (6) months, but under extraordinary circumstances, this period may be extended an additional six (6) months at the discretion of the County. The County may require the employee to submit a

letter from her physician stating the date she can return to work without impairing her health. The employee is entitled to return to her former or equivalent position. If leave pursuant to this provision would also qualify as leave under any federal or state statute, including the Federal Family and Medical Leave Act or any applicable Washington state statutes, the period of leave will apply toward the employee's entitlement to leave under any applicable statute.

8.4 Other Leaves of Absence. Any employee may be granted leave of absence without pay for a period of six (6) months at the discretion of and with prior written approval of the Health Director and the Executive or designee. Under special circumstances, the period may be extended an additional six (6) months at the discretion of the County. No leave of absence shall be taken unless the employee has first expended compensatory time, accumulated vacation leave, personal holiday and sick leave, if allowable; provided, this prohibition may be waived upon application to, and at the discretion of, the Executive or designee.

8.5 Return From Leave. Upon return from any authorized leave of absence with pay an employee shall be entitled to the former position or similar position, and there shall be no reduction in seniority, status, or pay. Seniority shall not be credited for leaves of absence without pay. An employee during a leave of absence may continue medical, dental, or life insurance benefits provided such employee makes satisfactory arrangements for payment of such premiums.

8.6 Professional Leave. The County reserves the right to determine the type and amount of professional training the nurses shall receive with pay; provided, that at least four (4) days per nurse per year with pay will be provided to allow employees to attend such professional work related conferences and training programs.

Any employee may be granted an unpaid leave of absence for up to one (1) year for educational purposes not leading to a master's degree, or up to two (2) years for programs leading to a master's degree. All educational leave will be granted only at the discretion of and with prior written approval of the County. The further education sought must be related to the profession of the employee and provide skills that can be utilized by the County. Two (2) months prior to the termination of leave, the employee must confirm in writing to the County the intention to return to work. The employee is entitled to return to her/his former or equivalent position. Seniority shall not accrue during the unpaid leave.

8.7 Domestic Violence Leave. The County provides unpaid leave to employees who are victims of, or who are family members of victims of domestic violence, sexual assault, or stalking, or consistent with the requirements of the Washington Domestic Violence Leave Law (RCW 49.76). Employees can substitute accrued paid leave for unpaid leave.

8.8 Failure to Return. Failure to return from an authorized leave of absence may be grounds for discipline up to and including discharge.

ARTICLE 9 - BEREAVEMENT LEAVE

If an employee suffers a death in the immediate family, the employee shall be allowed not more than five (5) days (up to 40 hours) off without loss in pay for bereavement in the death of a spouse, state registered domestic partner, child or parent (including step), of the employee

or spouse. Three (3) days off without loss of pay shall be allowed for other immediate family members. Other immediate family members are defined to be: brothers, sisters, grandchildren or grandparents of either the employee or the employee's spouse, including step. In the event of a funeral or other memorial occurring as a result of the death of a current, lawful brother or sister-in-law, the affected employee may have up to eight (8) hours of paid time off to attend the funeral or memorial.

For the purposes of bereavement leave only, a "day" is defined as the number of hours an employee is assigned to work for the requested days off (not to exceed forty (40) hours). Employees working less than an assigned eight (8) hour schedule shall receive bereavement leave benefits based on their current assignment, but no more than their budgeted full time equivalency. Employees desiring additional days off without pay or using accrued leave shall make a written request through his or her department head or designee for approval by the County.

ARTICLE 10 - FAMILY LEAVE

10.1 Family Leave. The County will comply with all state and federal laws and regulations, as amended, regarding family and medical leave, including military family leave entitlements and will make copies of the statutes and regulations available upon request. Employees are not required to use accrued vacation time or sick leave before commencing unpaid family leave. Beginning January 1, 2006, once an employee has used a total of twelve (12) work weeks of unpaid FMLA, while employed by Whatcom County, all available accruals must be exhausted during any future FMLA leave before taking unpaid leave.

10.2 Physician Certifications. The County may require physician certifications as permitted by law.

ARTICLE 11 - COMPENSATION AND RATES OF PAY

11.1 Salary Schedules. All bargaining unit employees shall be classified pursuant to Addendum A and paid pursuant to Addendum B, which are made a part of this Agreement by reference. Effective the first full pay period of 2017, each step in all ranges of the 2016 hourly matrix shall be increased by 2.25%

Effective the first full pay period in 2018, each step in all ranges of the 2017 hourly matrix shall be increased by 2.5%

11.2 Longevity Pay. Effective January 1, 2009, longevity was eliminated as a separate compensation item and was added to the base wage where it shall be increased automatically as future wage increases occur. The Parties agree for comparability purposes, this collective bargaining agreement provides such longevity as an element of wages.

11.3 Premiums

11.3.1 Certification or Advanced Degree. Nurses certified by a nationally recognized specialty nursing association (such as American Nurses Credentialing Center, Certification Board of Infection Control and Epidemiology, or the International Board of Certified

Lactation Consultant Examiners) and who utilize such certification because of their employment assignment with the Health Department will be designated as Public Health Nurse (Certified) and paid at the appropriate range (consistent with Section 13.4). A Master's Degree in Nursing or Public Health from an accredited college may be substituted for the certification by a nationally recognized specialty nursing association

11.3.2 Orientation. A Public Health Nurse (range 47 and 48) with relevant experience who is assigned to provide orientation and training to a newly hired nurse, or nurse who accepts a position in, or transfers to another program, shall be paid an additional one dollar (\$1.00) per hour while providing orientation or training. The length of the assignment shall be determined by the nurse's Manager.

11.4 Probation. Employees shall be on probation during their first six (6) months of employment. Probationary periods can be extended up to six (6) months with mutual agreement by the Association and the Executive or designee provided the Local Unit Chairperson or designee is notified at least ten (10) calendar days prior to the end of the probationary period.

11.5 Step Increases. Step increases are awarded per Addendum B (based on satisfactory performance) on the first day of the month in which the employee's anniversary/step date falls.

11.6 Electronic Contact. The parties agree that a public health emergent situation may be identified by the Director, or designee, as requiring a bargaining unit member with specific expertise which is otherwise not readily available to remain in electronic contact with the Department. During such periods, assigned employees shall receive \$8.70 per day. Whenever employees respond electronically pursuant to this article, they will also be compensated the amount set out in Article 4.6.1 – Telephonic response. When employees respond in person, they will also be compensated per Article 4.6 – Emergency Callbacks. To the extent reasonable and practical, employees shall respond electronically as opposed to in person.

ARTICLE 12 - NO STRIKE - NO LOCKOUT

There shall be no work stoppage, slowdown, picketing, boycott, sympathy strike, refusal to cross a picket line, or lockout concerning matters covered by the Agreement for its duration. Any action of the County in closing operations during a riot or civil commotion, for the protection of the property, shall not be deemed a lockout. Notwithstanding the foregoing, it shall not be considered grounds for discipline or discharge for employees to observe a lawful picket line, except when the Health Director has directed a member of the bargaining unit to cross the picket line to perform duties immediately and directly necessary for the protection of public health.

ARTICLE 13 - CLASSIFICATIONS

13.1 Higher Classification. When an employee works in a higher classification for five (5) or more working days, such employee shall be paid at the higher rate of pay.

13.1.1 Training. Section 13.1 shall not apply to employees being trained for the calendar month in a higher classification. During such training, employees shall not be paid above their regular rate of pay.

13.2 Lower Classification. An employee may be temporarily assigned the duties of a lower classification without suffering a reduction in pay.

13.3 New Classification. The County shall give the Association thirty (30) days notice of new classifications. The County shall place employees in a pay range that is consistent with their duties, responsibilities and job content. Disputes regarding proper pay range placement shall be subject to negotiations.

13.4 Split Classifications. Bargaining unit employees who are budgeted to work in more than one classification covered by the collective bargaining agreement shall be paid at the applicable rate for the number of hours worked in each classification. Employees will be compensated for accrual usage and cashout based on their FTE assignment in each classification.

ARTICLE 14 - HIRING AND PROMOTIONS

14.1 Job Vacancies. Whenever it is necessary to fill position vacancies, the following procedure shall be followed:

14.1.1 Job Postings. When vacancies or new jobs occur in positions covered by this Agreement, the County shall email the designated department contacts that the job is vacant and the specific details will be available on the County's internal website. The designated department contact shall electronically distribute or physically post the email notification for six (6) working days in a manner and in places conspicuous to employees in the bargaining unit. The County agrees it will continue to make job postings accessible to employees away from the job site.

14.1.2 Expedited Posting. Once all employees in the unit have expressed on a "sign-off sheet" that they are not interested in the position, the posting period is over. An expedited posting will only be for six (6) working days or less.

14.1.3 Preference Filling Vacancies. Preference in filling vacancies and new positions created during the term of this Agreement will be given regular employees having the necessary qualifications, except as restricted by the Layoff and Recall Article of this Agreement. Preference in hiring shall mean that qualified regular employees who apply for such position shall be considered first, and applications from outside the bargaining unit will be considered only if the County decides not to make a selection from employee applicants.

14.2 Promotions. Except for supervisory positions (which the County may fill in accordance with its sole judgment) promotions will be based on meeting of stated qualifications, job knowledge, past performance and seniority. Where stated qualifications, job knowledge and past performance of applicants are relatively equal, seniority will apply.

14.3 Placement On Salary Schedule.

14.3.1 Promotion. In the event of a promotion an employee shall move to the closest step in the new salary range which awards at least a five percent (5%) increase (but no higher than the top step) over the original salary. The promotion date shall then become the future date for step increases. Movement to the next higher step follows twelve (12) months' service in the new range. All promotions are subject to a four (4) calendar month evaluation period (six (6) calendar months for supervisory positions).

14.3.2 Reclassification. In the event of a reclassification upward, an employee shall move to the closest step in the new salary range which awards at least a five percent (5%) increase (but no higher than the top step) over the original salary. The reclassification date shall then become the future date for step increases.

14.3.3 Position Realignment. The Union may petition the County by August 15 of any year to be effective the following January 1st, for the realignment of positions that meet the conditions defined in this Section. No position shall be realigned more than once during the term of this Agreement. "Realignment" shall mean "change in wage range with no change in duties." For positions to be reviewed the petition must demonstrate at least four (4) matches of the bargaining unit position duties, method of compensation and qualifications to the same position duties, method of compensation, and qualifications in comparable counties or health districts and have an hourly wage that is under the average hour wage of the comparable counties' or health districts positions by at least five (5) percent. Comparable counties or health districts are: Benton, Cowlitz, Kitsap, Skagit, Thurston, Yakima. All comparable counties or health districts where matches exist must be used. Comparisons will be based on the top step hourly wage. Petitions, except those using AWC salary survey data, shall include position job descriptions and wage tables for the comparison counties used in the petition. Once the County determine the data submitted supports the petition that a position requires realignment, affected employees in the position will be placed in a new higher range (one range higher but not more than the top step of the new range or the top step of the top range) in their current step. The effective date of the realignment shall become the step increase date.

14.3.3.1 Additional Considerations. In the administration of section 14.3.3 – Position Realignment, in the event the County identifies a position as one with documented local recruitment and/or retention difficulties then secondary comparables based on closed geographical and sociological issues may be considered.

14.3.4 Temporary License. For employees promoted under a temporary license, the date the employee began performing duties under the temporary license will be the date of reference for step increases, rather than the date of permanent licensure. If the employee is promoted under a temporary license, the employee will receive fifty percent (50%) of the increased rate of pay during the period the employee is working under the temporary license and receive the other fifty percent (50%) of the increased rate of pay upon permanent licensure.

14.3.4.1 Rate for Stipulated Positions. Except as indicated above, graduate ARNPs, Public Health Nurses and Registered Nurses shall be paid two point five

percent (2.5%) under the applicable Step 1 rate pending permanent licensure.

14.4 Ability to Cross Border. Employees must maintain the ability to cross the Canadian border if they are assigned to a position which may at any time require crossing the Canadian border. In the event U.S. employees are required to provide documents crossing the border where the cost to the employee would exceed \$100, the County and Association agree to meet and bargain the impact on employees.

ARTICLE 15 - EMPLOYMENT PRACTICES

15.1 Non-discrimination. The County and the Association shall comply with all applicable federal, state, and local laws prohibiting discrimination in employment, except as provided in Article 2, Union Security and applicable law as provided in RCW 41.56. Where the masculine or feminine gender is used in this Agreement, it is used solely for the purpose of illustration and shall not be construed to indicate the sex of any employee or job applicant.

15.2 Discipline and Discharge. The County shall take no adverse action against any employee including discipline, discharge or suspension without just cause, provided that a probationary employee (as defined in Section 11.4) may be summarily discharged.

15.2.1 Representation. Employees shall have the right to Association representation at any meeting regarding the discussion of possible disciplinary action affecting the employee. If the employee desires Association representation, said employee shall be provided reasonable time to arrange for Association representation. Prior to such meeting, the supervisor involved shall notify the employee of his or her right to such representation.

15.6 Electronic Funds Transfer. All regular employees shall authorize paycheck deposit by electronic funds transfer (EFT) within thirty (30) days of employment.

15.6.1 Changes. Changes to a different institution or account require four (4) weeks notice and can be made no more than once per calendar quarter. The Executive or designee may grant exceptions.

15.6.2 Emergency Cessation. Employees may temporarily stop EFT in emergency situations with at least seven (7) calendar days notice before a scheduled payday. Employees must restart the EFT within three months. The Executive or designee may grant exceptions.

15.6.3 Implementation. Employees providing documentation of their inability to open a checking and/or savings account may have this requirement waived.

ARTICLE 16 - LAYOFF AND RECALL

16.1 Seniority. The County and the Association agree that seniority (defined as length of continuous service in the Department) shall govern in layoff and recall procedures (i.e., the least senior employee shall be laid off first); provided, that the remaining employees are qualified to perform the available work. This Article shall not apply to any probationary employee. Except as provided in Section 4.1.1, the above procedure shall apply in cases of reduction of hours of any job as well as layoff.

16.2 Notice. Employees shall be given written notice of their pending layoff at least fifteen (15) calendar days in advance of their layoff date. The County agrees that in the event of a layoff or reduction of hours within the bargaining unit, the County will notify the Association to discuss the procedure to be utilized.

16.3 Loss of Seniority. An employee shall lose seniority under this Agreement for the following reasons:

- a. Voluntary termination.
- b. Discharge for cause.
- c. Failure to return to work if first offer of recall to a comparable position is refused.
- d. Layoff for a period exceeding twenty-four (24) months.

16.4 New Employees. No new employees shall be hired by the County until all available employees placed on layoff who are qualified to perform the duties of the vacant position have been offered the position.

16.5 Recall. An offer of reemployment shall be in writing and sent by registered or certified mail to the employee.

16.6 Recall Rights. Employees recalled from layoff shall not forfeit previously accumulated seniority, or unpaid accrued sick leave. Vacation shall begin accruing at the same rate of accrual as at the time the layoff occurred.

ARTICLE 17 - CONFERENCE COMMITTEE

The County and the Association agree to establish a joint Conference Committee consisting of up to three (3) representatives of the unit, including the Association representative, and up to three (3) representatives of the County, including a representative from Administrative Services – Human Resources. The purpose of this Committee is to discuss matters of concern to employees or the County. The Committee shall function in an **advisory** capacity rather than a

decision-making capacity and shall be for the purpose of discussing matters of concern to employees or the County and issue resolution. When either party desires to call a meeting of the Committee, they will inform the other party (including the Association representative and Human Resources) in writing, at least one (1) week in advance, stating the subjects they wish to discuss. Discussions shall not be considered commitments on the part of either party unless confirmed as an agreement in writing and signed by the Association and the County.

ARTICLE 18 - RETIREMENT

All employees shall be covered by the Washington State Department of Retirement Systems in accordance with applicable law.

ARTICLE 19 - GRIEVANCE PROCEDURE

request for arbitration of a dispute which has been processed in accordance with the procedures set forth above, representatives of the County and the Association shall attempt to agree upon an arbitrator. In the event no agreement has been reached on the selection of an arbitrator within ten (10) working days from the receipt of the request for arbitration, the Federal Mediation and Conciliation Service shall be requested to submit a list of eleven (11) qualified arbitrators from which list the arbitrator shall be selected by alternately striking one name from the list until only one (1) name shall remain. WSNA ALTERNATIVE WORK SCHEDULE REQUEST

Employee Name: _____ **Position:** _____

% Full-Time Equivalency (FTE): _____

Please itemize below the schedule you would like to request. This schedule must be mutually agreed upon with your supervisor and have the approval of your supervisor, division manager, director or designee as well as Human Resources. Per Article 4.4 - Alternative Scheduling of the collective bargaining agreement, the requested schedule must not create a reduction in the effective hours of service to the public, critical service days must be adequately covered by the remaining personnel, and this schedule must not increase the department's compensation costs. Once a schedule is agreed upon and been approved, there will be no floating or changing of flex days unless approved by the supervisor to recognize the impact of employee illnesses and vacations. Approval of this request is not a guarantee by the County this schedule will be continued if changes need to be made in order to maintain service to the public or to meet other criteria in Article 4.4. Both parties recognize that alternative schedules are a benefit and must be worked as scheduled.

The schedule submitted below will be utilized to designate a Fair Labor Standards Act (FLSA) work week which is defined as 7 consecutive days with work weeks not to exceed 40 hours per week. Once an FLSA work week is agreed upon and approved there will be no changing of that work week or flex day. Mutually agreed upon adjustments by the employee and supervisor of hours within a work day may be made as long as the adjustment takes place within the same FLSA work week.

ADDENDUM D
COLLECTIVE BARGAINING AGREEMENT
LETTER OF UNDERSTANDING
By and Between
WASHINGTON STATE NURSES ASSOCIATION
and
WHATCOM COUNTY

This is to confirm the following agreements reached during the recent negotiations and is attached to the WSNA collective bargaining agreement identified as “August 6, 2013 through December 31, 2014”:

1. Shift Differential. If during the term of the Agreement the County implements a second and/or third shift, it will notify the Association in advance and upon request will meet and bargain about the appropriate shift differential payments for such shifts.

2. Drug Testing. Upon request by the County during the term of the contract, the Association shall meet and enter into negotiations on an alcohol and drug free workplace policy, including drug testing.

3. Benefits Eligibility Requirements. The new eligibility requirement of 80 hours compensated in Article 23, Group Insurance, is not applicable to any employee eligible for group insurance benefits on August 9, 1994.

4. Leaves of Absence. Leaves of Absence without pay may be granted by the Department Head for periods of five or less work days per calendar year. The employee will not be required to have used all paid time off prior to the granting of such leave. Requests for such leave must be made in writing with the period of leave and flex time reconciliation being specified and approved in writing.

5. Alternative Schedules – Existing Practice. The existing process for Alternative Scheduling incorporates the following conditions.

Staff may vary their time from the basic workday or workweek by written mutual agreement between the Director or designee and the employee. Alternative schedules cannot create a situation where the criteria in Article 4.4 is not met nor can the employee work more than:

- 1) 40 hours in a basic workweek (unless written designation of pay weeks is requested and approved per Alternative Work Schedule Request form – Addendum C)
- 2) 80 hours in a pay period, or
- 3) 10 hours in a workday.

Altering schedules for personal or work reasons must have the approval of the employee’s supervisor in accordance with Article 4.5 Flex Time.

It is anticipated that alternative schedules currently worked by employees will be continued; however both parties recognize that schedules may need to be changed in order to maintain service to the public or to meet other criteria in Article 4.4. Both parties recognize that alternative schedules are a benefit and must be worked as scheduled.

Addendum E
LETTER OF UNDERSTANDING
JOB SHARE AGREEMENT
WSNA COLLECTIVE BARGAINING AGREEMENT

This Letter of Understanding regarding Job Share Agreements is by and between Whatcom County, hereafter called "the County" and the Washington State Nurses Association, hereinafter called "the Association" regarding and attached to the WSNA Collective Bargaining Agreement identified as "August 6, 2013 through December 31, 2014.

The purpose of this Letter of Understanding is to confirm our understanding and agreement that two employees may request a job share arrangement. Job share agreements shall not increase personnel costs for the County nor shall they unduly increase administrative burdens for the department or the County. Should the County approve the request, it is understood the employees would be voluntarily electing to share a 1.0 FTE (40 hours per week) position and that the County will not exceed the equivalent of one set of Health & Welfare benefits (medical, dental, vision, life and long-term disability) subject to the following conditions:

VOLUNTARY JOB SHARE AGREEMENT

This fully executed Agreement must be in place prior to commencement of Job Share

JOB SHARE POSITION:	POSITION ID:
DEPARTMENT:	SUPERVISOR:
PARTICIPANT A:	PARTICIPANT B:
HOURS/MONTH:	HOURS/MONTH:
Health & Welfare Benefits <input type="checkbox"/> Yes <input type="checkbox"/> No	Health & Welfare Benefits <input type="checkbox"/> Yes <input type="checkbox"/> No

Agreement.

- Participants acknowledge they have voluntarily elected to equally share a 1.0 FTE position and agree to the conditions outlined in this Agreement.
- Participants together perform the duties of a full-time position. Total hours worked for both will not exceed an average of 173.33 regular hours per month (1.0 budgeted FTE), unless additional hours are designated as extra help hours.

Health & Welfare Benefits.

- Participants are eligible to receive employee-only medical, life and long-term disability coverage as well as family dental and vision benefits, provided they meet eligibility requirements. Should an employee desire family medical coverage, contributions shall be deducted from paychecks.
- Participants who initially opt out of health & welfare benefits for dependents may enroll at a later date if a COBRA qualifying event occurs or during the month of November may elect coverage beginning the following January 1. In these situations, the eligibility requirements

of each benefit plan must be met before coverage becomes effective.

- Participants who elect medical coverage for dependents may elect during the month of November to drop coverage effective the following January 1.
- The County will make contributions to the appropriate health & welfare plans on behalf of employees who are regularly scheduled to work and who are compensated for at least eighty (80) hours per month.
- Participants who have not previously been on health and welfare benefits must meet eligibility requirements in the WSNA Agreement to be eligible for health and welfare benefits coverage. Employees whose health and welfare benefits are being reinstated will be subject to the waiting periods specified in plan documents.

PARTICIPANT ELECTIONS

CHOICES	PARTICIPANT A (initial choice below)	PARTICIPANT B (initial choice below)
I elect medical coverage for my dependents and I will be obligated to pay via payroll deduction the amount established by the County for this coverage.		
I opt out of medical coverage for my dependents.		

Other Benefits.

- Each participant will accrue and use vacation and sick leave based on their agreed upon 0.5 FTE position. Participants can use accrued vacation or sick leave only for days and hours they are regularly scheduled to work.
- Each participant will receive four hours of holiday pay for each holiday where they meet the eligibility criteria in the WSNA Agreement, and each participant will receive four hours of personal holiday each calendar year. During weeks when a holiday occurs, participants must work with their supervisor to assure the required number of hours will be worked and/or compensated that week.
- Accruals will not exceed 0.5 FTE regardless of the number of hours worked. If additional hours are worked, employees will receive compensatory time per the WSNA Agreement.
- Any additional leave (bereavement, etc.) will be no more than one-half the time (in hours) allowed in the WSNA Agreement or state or federal law.
- Participants individually accrue and have full use of seniority rights allowed under the WSNA Agreement.
- To be eligible for leave under the federal Family Medical Leave Act (FMLA), 1250 hours of time must be actually worked during the twelve months prior to the requested leave. Participants understand by entering this Agreement, they are likely forfeiting rights to FMLA.

- Since the 1.0 FTE position is Washington State Department of Retirement Systems eligible, participants and the County will contribute to the retirement system.

Compensation.

- Participants will be paid the appropriate hourly rate for actual hours worked. They will be eligible for step increases based on their individual anniversary date in the position.

Schedules and Breaks.

- Participants' work schedules must be approved by, and may be changed by, their supervisor as provided herein. Article 4.1 "Work Schedule" shall apply except as modified by this Job Share Agreement. It is understood that a job share participant is not routinely required to cover for the other job share participant for vacations and sick leave. However, in the event of an extended absence of one job share participant, the other participant may be required to work extra hours, up to 40 per week, in order to assure the work of the position is completed. In such circumstances, the County will, when circumstances permit, explore other staffing measures to reduce the impact on the affected participant.
- Notwithstanding Article 4.10, "Breaks", participants are allowed one paid fifteen (15) minute rest break during each four-hour work period after no more than three hours of work, and during each day where they work five (5) or more hours, they are entitled to an unpaid lunch break of thirty (30) to sixty (60) minutes.

Termination of Job Share.

- Participants understand that if one participant leaves his or her job share position, a new job share agreement must be executed. Upon separation or movement of a job share participant, the County will first offer the 1.0 FTE position to the remaining incumbent. If the participant declines the 1.0 FTE position and desires to continue in a job share arrangement and the department concurs, he or she understands that, during the period of vacancy for the other half of the job share, the remaining participant may be required to work extra hours, up to 40 per week, in order to assure the work of the position is completed. No other terms or conditions of this Agreement will change.

Each Job Share Agreement will require signatures of Participant A, Participant B, the Department Head, and the WSNA Representative. The County or the Association may, at any time, cancel this agreement after thirty (30) days written notice.

**GRANDFATHERING PROVISION FOR ADJUSTING COMPENSATORY
TIME FOR LESS THAN 1.0 FTE WORKING EXTRA HOURS**

This Letter of Understanding is entered into between Whatcom County, ("the County") and Washington State Nurses Association, ("the Union.") During the negotiation process for the 2017-2018 Collective Bargaining Agreement, the parties agreed to strike Section 5.3.2 and Section 6.4.1 of the 2016-2017 Agreement under the condition the County grandfather these provisions as they relate to Joni Hensley, the only employee affected by the deletion.

Section 5.3.2 and Section 6.4.1 provided for an adjustment to an employee's compensatory time bank, in lieu of adjustments to vacation and holiday accruals, for any employee regularly scheduled to work less than 1.0 FTE who, from time to time, may work extra hours.

The parties agree that as long as Ms. Hensley remains in the 0.9 FTE position pursuant to the WSNA Alternate Work Schedule Request of September 4, 2008, the County will continue to make quarterly adjustments to her compensatory time bank as follows:

1. In months when Ms. Hensley works more than 0.9 FTE, the extra hours worked in a month will be multiplied by a factor of 0.096. This factor is calculated by dividing Ms. Hensley's maximum vacation accrual rate (16.67 hours per month) by the total hours available to work in a month (173.33). The maximum number of hours added to her compensatory time bank will not exceed 1.67 hours per month.
2. If Ms. Hensley works more than 0.9 FTE in a month when there is a holiday, the extra hours worked will be multiplied by a factor of 0.046. This factor is calculated by dividing the maximum hours available to work in a month (173.33) by the number of total holiday hours. A maximum of 0.8 hours will be added to her compensatory time bank for each holiday in the month at her regular rate of pay.

This Letter of Understanding applies to Ms. Hensley only and will not be considered precedent setting to any other matter or concern under the Washington State Nurses Association Collective Bargaining Agreement.

PILOT PROGRAM FOR 0.9 FTE SCHEDULE

This Letter of Understanding is entered into between Whatcom County, hereinafter referred to as “the County” and Washington State Nurses Association, hereinafter referred to as “the Union” for the purpose of setting forth the terms and conditions of establishing a one-year Pilot Program to determine the feasibility of allowing a limited number of employees within the bargaining unit to work a 0.9 FTE schedule.

The County recognizes the possibility that working less than full time may bring higher levels of job satisfaction as well as improve morale, attendance and productivity. The Union desires less than full time employment for a better work-life balance.

The parties, therefore, agree to the following:

1. Within two (2) months after ratification of the 2017-2018 Collective Bargaining Agreement, the County will convene the WSNA Conference Committee pursuant to Article 17 to establish criteria for this Pilot Program.
2. The Committee will develop guidelines for the Pilot Program and establish criteria for measurable results.
3. The number of employees allowed to participate in the Pilot Program will be limited to a number established by the Conference Committee to ensure there is no effect on the operational needs of the department.
4. Conference Committee members will participate in the creation and monitoring of measurable outcomes, including, but not limited to, productivity and job satisfaction.
5. While participating in the Pilot Program, employee benefits will be pro-rated based on a 0.9 FTE basis. This means the employee will contribute 10% of the County's cost for medical, dental, and vision coverage.
6. If, from time to time, a participating employee works hours in excess of 0.9 FTE, the employee will not be entitled to receive additional employee benefits, leave accruals, or holiday pay.
7. If an employee elects to return to a full-time schedule, the employee waives the opportunity to further participate in the Pilot Program. The employee will provide notice at least 30 days prior to converting back to full-time status.
8. At the end of the Pilot Program, the parties will meet and discuss outcomes. Employees will revert to their former 1.0 FTE status unless the County, the Union, and the participating employees mutually agree to extend the Pilot Program.

9. The parties anticipate the Pilot period will be approximately one year, but the Health Department reserves full discretion to end the Pilot within 30 days' written notice to the participants. The Pilot Program is in collaboration with Public Health, Human Resources and the Union.

1. Shift Differential. If during the term of the Agreement the County implements a second and/or third shift, it will notify the Association in advance and upon request will meet and bargain about the appropriate shift differential payments for such shifts.

2. Drug Testing. Upon request by the County during the term of the contract, the Association shall meet and enter into negotiations on an alcohol and drug free workplace policy, including drug testing.

3. Benefits Eligibility Requirements. The new eligibility requirement of 80 hours compensated in Article 23, Group Insurance, is not applicable to any employee eligible for group insurance benefits on August 9, 1994.

4. Leaves of Absence. Leaves of Absence without pay may be granted by the Department Head for periods of five or less work days per calendar year. The employee will not be required to have used all paid time off prior to the granting of such leave. Requests for such leave must be made in writing with the period of leave and flex time reconciliation being specified and approved in writing.

5. Alternative Schedules – Existing Practice. The existing process for Alternative Scheduling incorporates the following conditions.

Staff may vary their time from the basic workday or workweek by written mutual agreement between the Director or designee and the employee. Alternative schedules cannot create a situation where the criteria in Article 4.4 is not met nor can the employee work more than:

- 1) 40 hours in a basic workweek (unless written designation of pay weeks is requested and approved per Alternative Work Schedule Request form – Addendum C)
- 2) 80 hours in a pay period, or
- 3) 10 hours in a workday.

Altering schedules for personal or work reasons must have the approval of the employee's supervisor in accordance with Article 4.5 Flex Time.

It is anticipated that alternative schedules currently worked by employees will be continued; however both parties recognize that schedules may need to be changed in order to maintain service to the public or to meet other criteria in Article 4.4. Both parties recognize that alternative schedules are a benefit and must be worked as scheduled.

LETTER OF UNDERSTANDING
JOB SHARE AGREEMENT
WSNA COLLECTIVE BARGAINING AGREEMENT

This Letter of Understanding regarding Job Share Agreements is by and between Whatcom County, hereafter called "the County" and the Washington State Nurses Association, hereinafter called "the Association" regarding and attached to the WSNA Collective Bargaining Agreement identified as "August 6, 2013 through December 31, 2014.

The purpose of this Letter of Understanding is to confirm our understanding and agreement that two employees may request a job share arrangement. Job share agreements shall not increase personnel costs for the County nor shall they unduly increase administrative burdens for the department or the County. Should the County approve the request, it is understood the employees would be voluntarily electing to share a 1.0 FTE (40 hours per week) position and that the County will not exceed the equivalent of one set of Health & Welfare benefits (medical, dental, vision, life and long-term disability) subject to the following conditions:

VOLUNTARY JOB SHARE AGREEMENT

This fully executed Agreement must be in place prior to commencement of Job Share

JOB SHARE POSITION:	POSITION ID:

PARTICIPANT A:	PARTICIPANT B:
HOURS/MONTH:	HOURS/MONTH:
Health & Welfare Benefits <input type="checkbox"/> Yes <input type="checkbox"/> No	Health & Welfare Benefits <input type="checkbox"/> Yes <input type="checkbox"/> No

Agreement.

- Participants acknowledge they have voluntarily elected to equally share a 1.0 FTE position and agree to the conditions outlined in this Agreement.
- Participants together perform the duties of a full-time position. Total hours worked for both will not exceed an average of 173.33 regular hours per month (1.0 budgeted FTE), unless additional hours are designated as extra help hours.

Health & Welfare Benefits.

- Participants are eligible to receive employee-only medical, life and long-term disability coverage as well as family dental and vision benefits, provided they meet eligibility requirements. Should an employee desire family medical coverage, contributions shall be deducted from paychecks.
- Participants who initially opt out of health & welfare benefits for dependents may enroll at a later date if a COBRA qualifying event occurs or during the month of November may elect coverage beginning the following January 1. In these situations, the eligibility

requirements of each benefit plan must be met before coverage becomes effective.

- Participants who elect medical coverage for dependents may elect during the month of November to drop coverage effective the following January 1.
- The County will make contributions to the appropriate health & welfare plans on behalf of employees who are regularly scheduled to work and who are compensated for at least eighty (80) hours per month.
- Participants who have not previously been on health and welfare benefits must meet eligibility requirements in the WSNA Agreement to be eligible for health and welfare benefits coverage. Employees whose health and welfare benefits are being reinstated will be subject to the waiting periods specified in plan documents.

PARTICIPANT ELECTIONS

CHOICES	PARTICIPANT A (initial choice below)	PARTICIPANT B (initial choice below)
I elect medical coverage for my dependents and I will be obligated to pay via payroll deduction the amount established by the County for this coverage.		
I opt out of medical coverage for my dependents.		

Other Benefits.

- Each participant will accrue and use vacation and sick leave based on their agreed upon 0.5 FTE position. Participants can use accrued vacation or sick leave only for days and hours they are regularly scheduled to work.
- Each participant will receive four hours of holiday pay for each holiday where they meet the eligibility criteria in the WSNA Agreement, and each participant will receive four hours of personal holiday each calendar year. During weeks when a holiday occurs, participants must work with their supervisor to assure the required number of hours will be worked and/or compensated that week.
- Accruals will not exceed 0.5 FTE regardless of the number of hours worked. If additional hours are worked, employees will receive compensatory time per the WSNA Agreement.
- Any additional leave (bereavement, etc.) will be no more than one-half the time (in hours) allowed in the WSNA Agreement or state or federal law.
- Participants individually accrue and have full use of seniority rights allowed under the WSNA Agreement.
- To be eligible for leave under the federal Family Medical Leave Act (FMLA), 1250 hours of time must be actually worked during the twelve months prior to the requested leave. Participants understand by entering this Agreement, they are likely forfeiting rights to FMLA.

- Since the 1.0 FTE position is Washington State Department of Retirement Systems eligible, participants and the County will contribute to the retirement system.

Compensation.

- Participants will be paid the appropriate hourly rate for actual hours worked. They will be eligible for step increases based on their individual anniversary date in the position.

Schedules and Breaks.

- Participants' work schedules must be approved by, and may be changed by, their supervisor as provided herein. Article 4.1 "Work Schedule" shall apply except as modified by this Job Share Agreement. It is understood that a job share participant is not routinely required to cover for the other job share participant for vacations and sick leave. However, in the event of an extended absence of one job share participant, the other participant may be required to work extra hours, up to 40 per week, in order to assure the work of the position is completed. In such circumstances, the County will, when circumstances permit, explore other staffing measures to reduce the impact on the affected participant.
- Notwithstanding Article 4.10, "Breaks", participants are allowed one paid fifteen (15) minute rest break during each four-hour work period after no more than three hours of work, and during each day where they work five (5) or more hours, they are entitled to an unpaid lunch break of thirty (30) to sixty (60) minutes.

Termination of Job Share.

- Participants understand that if one participant leaves his or her job share position, a new job share agreement must be executed. Upon separation or movement of a job share participant, the County will first offer the 1.0 FTE position to the remaining incumbent. If the participant declines the 1.0 FTE position and desires to continue in a job share arrangement and the department concurs, he or she understands that, during the period of vacancy for the other half of the job share, the remaining participant may be required to work extra hours, up to 40 per week, in order to assure the work of the position is completed. No other terms or conditions of this Agreement will change.

Each Job Share Agreement will require signatures of Participant A, Participant B, the Department Head, and the WSNA Representative. The County or the Association may, at any time, cancel this agreement after thirty (30) days written notice.

**GRANDFATHERING PROVISION FOR ADJUSTING COMPENSATORY
TIME FOR LESS THAN 1.0 FTE WORKING EXTRA HOURS**

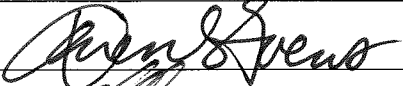

This Letter of Understanding is entered into between Whatcom County, ("the County") and Washington State Nurses Association, ("the Union.") During the negotiation process for the 2017-2018 Collective Bargaining Agreement, the parties agreed to strike Section 5.3.2 and Section 6.4.1 of the 2016-2017 Agreement under the condition the County grandfather these provisions as they relate to Joni Hensley, the only employee affected by the deletion.

Section 5.3.2 and Section 6.4.1 provided for an adjustment to an employee's compensatory time bank, in lieu of adjustments to vacation and holiday accruals, for any employee regularly scheduled to work less than 1.0 FTE who, from time to time, may work extra hours.

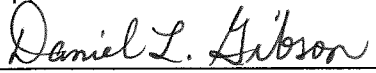

The parties agree that as long as Ms. Hensley remains in the 0.9 FTE position pursuant to the WSNA Alternate Work Schedule Request of September 4, 2008, the County will continue to make quarterly adjustments to her compensatory time bank as follows:

1. In months when Ms. Hensley works more than 0.9 FTE, the extra hours worked in a month will be multiplied by a factor of 0.096. This factor is calculated by dividing Ms. Hensley's maximum vacation accrual rate (16.67 hours per month) by the total hours available to work in a month (173.33). The maximum number of hours added to her compensatory time bank will not exceed 1.67 hours per month.
2. If Ms. Hensley works more than 0.9 FTE in a month when there is a holiday, the extra hours worked will be multiplied by a factor of 0.046. This factor is calculated by dividing the maximum hours available to work in a month (173.33) by the number of total holiday hours. A maximum of 0.8 hours will be added to her compensatory time bank for each holiday in the month at her regular rate of pay.

This Letter of Understanding applies to Ms. Hensley only and will not be considered precedent setting to any other matter or concern under the Washington State Nurses Association Collective Bargaining Agreement.

PILOT PROGRAM FOR 0.9 FTE SCHEDULE

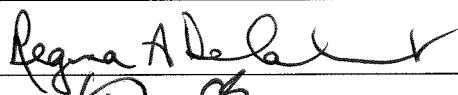

This Letter of Understanding is entered into between Whatcom County, hereinafter referred to as "the County" and Washington State Nurses Association, hereinafter referred to as "the Union" for the purpose of setting forth the terms and conditions of establishing a one-year Pilot Program to determine the feasibility of allowing a limited number of employees within the bargaining unit to work a 0.9 FTE schedule.

The County recognizes the possibility that working less than full time may bring higher levels of job satisfaction as well as improve morale, attendance and productivity. The Union desires less than full time employment for a better work-life balance.

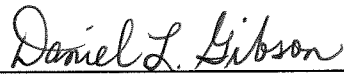

The parties, therefore, agree to the following:

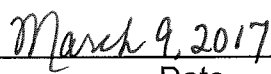

1. Within two (2) months after ratification of the 2017-2018 Collective Bargaining Agreement, the County will convene the WSNA Conference Committee pursuant to Article 17 to establish criteria for this Pilot Program.
2. The Committee will develop guidelines for the Pilot Program and establish criteria for measurable results.
3. The number of employees allowed to participate in the Pilot Program will be limited to a number established by the Conference Committee to ensure there is no effect on the operational needs of the department.
4. Conference Committee members will participate in the creation and monitoring of measurable outcomes, including, but not limited to, productivity and job satisfaction.
5. While participating in the Pilot Program, employee benefits will be pro-rated based on a 0.9 FTE basis. This means the employee will contribute 10% of the County's cost for medical, dental, and vision coverage.
6. If, from time to time, a participating employee works hours in excess of 0.9 FTE, the employee will not be entitled to receive additional employee benefits, leave accruals, or holiday pay.
7. If an employee elects to return to a full-time schedule, the employee waives the opportunity to further participate in the Pilot Program. The employee will provide notice at least 30 days prior to converting back to full-time status.
8. At the end of the Pilot Program, the parties will meet and discuss outcomes. Employees will revert to their former 1.0 FTE status unless the County, the Union, and the participating employees mutually agree to extend the Pilot Program.

9. The parties anticipate the Pilot period will be approximately one year, but the Health Department reserves full discretion to end the Pilot within 30 days' written notice to the participants. The Pilot Program is in collaboration with Public Health, Human Resources and the Union.
